[The Best of Success](#) Mac Anderson,Bob Kelly,2009-12-01 Success A magical word indeed but what exactly is it A one time thing like hitting a home run scoring a touchdown or winning a game Is it a destination Or a journey Is there a fixed clearly marked place called Success Or does it vary from individual to individual Does success mean achievement or fame or power or wealth Who decides when one has

become successful Can it be self conferred Is it like beauty in the eye of the beholder Can we objectively define it Can two people have nearly identical track records and yet one be seen as successful and the other to have failed In our research for this book it became very clear that defining and describing success is no easy task It is indeed a moving target as subjective as it is elusive We hope the quotations about them and the stories behind each of them will be a source of inspiration in your journey along the highway to success
