Secrets Of Authority:

Secrets of Authority Andrew Murray, 2002 Whether you are a new Christian or a longtime saint the same power that raised Christ from the dead is at work in you Through this power you can live with holy confidence that God wants to bless you and use you to bless others in a mighty way Andrew Murray s teachings will help you leave your past failures behind and move into the realm of victory This dynamic collection of classic books will equip you with the power and authority that belong to believers in Christ As a child of God you have an abundant inheritance Claim it now Whether you are a new Christian or a long time saint the same power that raised Christ from the dead is at work in you Through that power you can live with holy confidence that God wants to bless you and use you to bless others in a powerful way Andrew Murray s teachings will help you leave your past failures behind and move into the realm of victory This powerful collection of classic books will equip you with the power and authority that belongs to believers in Christ As a child of God you have an abundant inheritance Claim it now Andrew Murray 1828 1917 was an amazingly prolific Christian writer He lived and ministered as both a pastor and author from the towns and villages of South Africa Some of Murray s earliest writings were written to provide nurture and guidance to Christians whether young or old in the faith they were actually an extension of his pastoral work Once books such as Abide in Christ Like Christ and With Christ in the School of Prayer were written Murray became widely known and new books from his pen were awaited with great eagerness throughout the world He wrote to give daily practical help to many of the people in his congregation who lived out in the farming communities and could only come into town for church services on rare occasions As he wrote these books of instruction Murray adopted the practice of placing many of his more devotional books into thirty one separate readings to correspond with the days of the month At the age of seventy eight Murray resigned from the pastorate and devoted most of his time to his manuscripts He continued to write profusely moving from one book to the next with an intensity of purpose and a zeal that few men of God have ever equaled He often said of himself rather humorously that he was like a hen about to hatch an egg he was restless and unhappy until he got the burden of the message off his mind During these later years after hearing of pocket sized paperbacks Andrew Murray immediately began to write books to be published in that fashion He thought it was a splendid way to have the teachings of the Christian life at your fingertips where they could be carried around and read at any time of the day One source has said of Andrew Murray that his prolific style possesses the strength and eloquence that are born of deep earnestness and a sense of the solemnity of the issues of the Christian life Nearly every page reveals an intensity of purpose and appeal that stirs men to the depths of their souls Murray moves the emotions searches the conscience and reveals the sins and shortcomings of many of us with a love and hope born out of an intimate knowledge of the mercy and faithfulness of God For Andrew Murray prayer was considered our personal home base from which we live our Christian lives and extend ourselves to others During his later years the vital necessity of unceasing prayer in the spiritual life came to the forefront of Andrew Murray s teachings

It was then that he revealed the secret treasures of his heart concerning a life of persistent and believing prayer. Countless persons the world over have hailed Andrew Murray as their spiritual father and given credit for much of their Christian growth to the influence of his priceless devotional books *The Secret to Holy Spirit Authority* David Charles Craley, 2011-11-04 _____ How did He do it _____ How did Jesus do it How did He heal the sick open the eyes of the blind and set the captives free at every opportunity And how did His disciples do it after He ascended into heaven Some may say Jesus could do it because He was God But that point of view suggesting that we cannot do it because we are not God falls short of what Jesus promised His disciples in the Gospel of John Most assuredly I say to you he who believes in Me the works that I do he will do also and greater works than these he will do because I go to My Father John 14:12 NKJV If the Lord's promise to His disciples is true that we can and should be doing the same works He did and greater then there must be answers in the word of God there must be keys to help us understand how With revolutionary prophetic insight *The Secret to Holy Spirit Authority In the Power of the Spirit* reveals step by step how Jesus did it how His disciples did it and how Christian believers today can rise up spiritually to walk in His steps and set the captives free revolutionary prophetic insight _____ David Charles Craley is a writer editor and for more than four decades a researcher and teacher of the Bible *The Secret to Holy Spirit Authority In the Power of the Spirit* is his second book His first was *The Hope of Glory In Search of the Light* a memoir 1979 He lives in Austin Texas _____ www.holyspiritsecret.com _____

Executive Decree Authority John M. Carey, Matthew Soberg Shugart, 1998-05-13 When presidents or prime ministers make law by decree are we witnessing the usurpation of legislative authority The increased frequency of policy making by decree in older democracies as well as in the newer regimes of Latin America and the post communist world has generated concern that legislatures are being marginalized and thus that democratic institutions are not functioning Professors Carey and Shugart suggest which elements of constitutional design should and should not foster reliance on decree authority Individual chapters then bring the experiences of Argentina Brazil France Italy Peru Russia the United States and Venezuela to bear on the theory The book combines broadly comparative analysis with intensive case studies to provide a more thorough understanding of the scope of executive authority across countries
