Good Life Lesley Crewe, 2025-09-19 On paper Kitty s life is perfect She lives in Montreal so vibrant in the 1950s she married her childhood sweetheart who happens to also be a handsome movie star and her detective novels written under a plausibly male nom de plume are bestsellers But Kitty is suffocating under the truth of her life Montreal feels chaotic and lonely without her mother and with her father all but estranged Her husband is a glib Lothario And she never ever wants to write another detective novel When she says as much to her publishers they panic She s their golden goose And so they convince

her to go on a writing retreat to a beautiful remote island Cape Breton where with solitude and a luxurious change of scenery she'll be able to whip up her next book. At least that was the plan. Kitty arrives in Cape Breton to a leaky drafty shack and a cast of characters unlike anyone she's ever met. There's Ethel who listens in on everyone's party line calls and never keeps good gossip to herself, generous Bertha and her enormous family, and Bertha's son Wallace Walrus to all his nieces and nephews. A gentle giant who always has half a dozen children hanging off him. Soon Kitty's writing retreat turns her life upside down and she has to face which parts of her life are non-negotiable and which she must cut loose. Can she preserve what she loves in Montreal now that Cape Breton is calling? If she frees herself from the weight of her past, will she float away altogether? From Globe and Mail bestselling author Lesley Crewe comes a story of loneliness and belonging and a love letter to the women who have always kept the kettles warm and the neighbours fed in rural Cape Breton.

Food in the Movies, 2d ed. Steve Zimmerman,2010-07-28 Although food has been part of motion pictures since the silent era for the most part it has been treated with about as much respect as movie extras it s always been there on the screen but seldom noticed For the most part filmmakers have settled on three basic ways to treat food as a prop in which the food is usually obscured from sight or ignored by the actors as a transition device to compress time and help advance the plot as a symbol or metaphor or in some other meaningful way to make a dramatic point or to reveal an aspect of an actor s character mood or thought process This hugely expanded and revised edition details 400 food

scenes in addition to the 400 films reviewed for the first edition and an introduction tracing the technical artistic and cultural forces that contributed to the emergence of food films as a new genre originated by such films as Tampopo Babette's Feast and more recently by films like Mostly Martha No Reservations and Ratatouille A filmography is included as an appendix
