Lord Of Alaska Baranov

Owen Matthews

Lord Of Alaska Baranov:

Lord of Alaska Hector Chevigny, 1942 Nancy Gates, 2005-11-01 With facts and figures on geography history economy cultures and peoples of the Last Frontier the 29th edition is packed with all about Alaska information for people who dream of visiting Alaska as well as long lasting sourdoughs Russians in Alaska, 1732-1867 Lydia Black, 2004 This definitive work the crown jewel in the distinguished career of Russian America scholar Lydia T Black presents a comprehensive overview of the Russian presence in Alaska Drawing on extensive archival research and employing documents only recently made available to scholars Black shows how Russian expansion was the culmination of centuries of social and economic change Black s work challenges the standard perspective on the Russian period in Alaska as a time of unbridled exploitation of Native inhabitants and natural resources Without glossing over the harsher aspects of the period Black acknowledges the complexity of relations between Russians and Native peoples She chronicles the lives of ordinary men and women the merchants and naval officers laborers and clergy who established Russian outposts in Alaska These early colonists carried with them the Orthodox faith and the Russian language their legacy endures in architecture and place names from Baranof Island to the Pribilofs This deluxe volume features fold out maps and color illustrations of rare paintings and sketches from Russian American Japanese and European sources many have never before been published An invaluable source for historians and anthropologists this accessible volume brings to life a dynamic period in Russian and Alaskan history A tribute to Black s life as a scholar and educator *Russians in Alaska* will become a classic in the field *Alaska History, 1741-1910* Historic Sites Survey (U.S.), United States. National Park Service, 1961 **Alaska's History** Harry Ritter, 1993-04-01 A lively take along account of Alaska s sweeping history made vivid with historical photos and entertaining essays Topics covered include Native lifestyles before contact with the Europeans Alexander Baranov and the Russian fur trade John Muir s visit to Glacier Bay in 1879 the Klondike gold rush stampede pioneer climbs on Mount McKinley the exploits of early Alaska Bush pilots big game hunting in the North Country Alaska s fisheries where salmon is king and today s Native traditions A history book that s fun to read *Alaska s History* sets forth the Last Frontier s glorious past and challenging present Russian Colonization of Alaska , 2020-11 In *Russian Colonization of Alaska Baranov s Era 1799 1818* Andrei Val terovich Grin v examines the sociohistorical origins of the former Russian colonies in Alaska or Russian America The formation of the Russian American Company and the concentration in the hands of Aleksandr Baranov of all the power in south and southeast Alaska s Russian settlements marked a new stage in the history of Russian America Expanding and strengthening Russian possessions in the New World as much as possible Baranov acted in favor of his country before himself in accordance with the principle people for the empire and not the empire for the people *Russian Colonization of Alaska* is the first comprehensive study to analyze the origin and evolution of Russian colonization based on research into political economy history and ethnography Grin v s study elaborates the social political spiritual ideological personal and

psychological aspects of Russian America accounting for the idiosyncrasies of the natural environment competition from other North American empires and challenges from Alaska Natives and individual colonial diplomats Rather than being simply a continuation of Russians colonization of Siberia the colonization of Alaska was instead part of overarching Russian and global history **Russian Colonization of Alaska** Andreĭ Val'terovich Grinĕv,2020-11 The first thorough examination of the origin and evolution of the Russian state and Russians subsequent colonization of Siberia and North America

History of Alaska , Volume I Jonathan M. Nielson, Ph.D.,2018-02-01 As a unique distant geographical region of the United States Alaska has evolved from military insignificance to high strategic priority in the 142 years since its purchase from Russia in 1867 The reasons for this dramatic shift derive from a correlation of geography foreign policy domestic politics and military technology Historically the role of the armed forces in Alaska has been large and diverse Alaska was one of the two principal territorial purchases made by the United States between 1803 and 1867 adding nearly 1 5 million square miles to America s national domain Smaller by the size of Texas than Jefferson s Louisiana Purchase Alaska unlike all of the territories and states carved out of the former languished in obscurity and isolation and was administered as a colonial dependency by the military and other branches of the federal government its official territorial status and government notwithstanding While sharing many common aspects of frontier settlement and Western history with territories such as Montana the Dakotas Wyoming and Colorado Alaska presented special challenges peculiar to a non contiguous arctic and sub Arctic environment separated from the United States by a foreign power Indeed only the defeated South under Reconstruction experienced the same degree of military occupation and martial law Alaska also has the unique distinction in the American experience of belonging to Imperial Russia before it became of interest to American expansionists Still others found Alaska tempting and pursued their own designs North of 53 The Spanish British Canadians and even the French plied Alaska s waters and made their claims to Alyeska the Great Land And it is with these clashing imperial ambitions that this three volume history begins *The Alaska Almanac* Nancy Gates,2006-11 If you want to know Alaska inside and out there is no better reference than THE ALASKA ALMANAC Updated annually with facts and figures on geography history economics sports cultures and people of the Last Frontier this information packed volume is a must have for Alaskans and visitors alike Celebrating its thirtieth birthday this year this handy little guide is chock full of Alaskanana from the beautiful to the bizarre As always the wit and wisdom of Mr Whitekeys continues to delight readers with his wacky but true Alaska factoids Did you know Arctic researchers on the northern tundra have reported up to 9 000 mosquito bites per minute There are 166 000 moose in Alaska Each one produces approximately 400 moose nuggets per day Alaskans are the second highest per capita consumers of SPAM in the nation Gold nuggets about Alaska The Associated Press [Russia's Hawaiian Adventure, 1815-1817](#) Richard A. Pierce, **The Last Stand of the Raven Clan** Gerald Easter,Mara Vorhees,2024-10-29 A dynamic history of the Battle of Sitka that recognizes the vital importance of the Tlingit people their fight against Imperial Russia and

how it changed the fate of the North America If the long term plans of Peter the Great had been realized then California never would have become a Spanish colony asserted the head of the Russian American Company At the turn of the nineteenth century Russia was a rising power in North America The Tsar s empire extended across the Bering Sea through the Aleutians and Kodiak Island and down the Alaskan panhandle The objective of this imperialist project was to corner the lucrative North Pacific fur trade and colonize the American coastline all the way to San Francisco Bay The audacious scheme was moving apace until the Russians were finally confronted and stalled on the battlefield When Russia went to war in America the fate of a continent was at stake Yet it was neither the Old World rivals Spain and Britain nor the upstart United States who stopped Russian expansion but a coalition of defiant Tlingit tribes The Last Stand of the Raven Clan is the true story of how the indigenous Tlingit people of southeast Alaska thwarted Imperial Russia s grand plan of conquest in North America Leading the charge was the young war chief Kalyan a hero as fierce and courageous as Crazy Horse or Geronimo The Tlingit stance against Russian colonization during the Battle of Sitka and beyond was arguably the most successful indigenous resistance against European imperialism in North America Tlingit oral histories and Russian eyewitness accounts bring this history to life shedding light on events both inspiring and infamous the Massacre at Refuge Rock one of Native America s worst atrocities the Survival March the perilous Tlingit retreat to avoid Russian capture and enslavement and the cutthroat competition between the U S and Russia to control the northern Pacific Ultimately The Last Stand of the Raven Clan chronicles the determined struggle for survival of the Tlingit people in their ancestral homeland and places the Battle of Sitka in its rightful spot as a key turning point in North American history

The Creation of the American States A. Ward Burian, 2018-07-03 The fascinating story of how and why all fifty American states were formed and how they became a part of history s greatest social experiment Every US state has a unique history that deserves a separate book The Creation of the American States provides readers with essential information on how each of the fifty states came into being From the time of the first explorers and settlers to the present day A Ward Burian tells the story of how the America was established over the course of four hundred years He examines what motivated brave souls to venture into an unknown wilderness and then delves into the time frame for each state s discovery settlement and consolidation into the United States With brief biographies interjected that spark human interest and provide perspective to what was taking place The Creation of the American States shares a better understanding of how the North American continent was transformed from a wilderness into a powerful nation state by state

Klondike Pierre Berton, 2011-02-11 With the building of the railroad and the settlement of the plains the North West was opening up The Klondike stampede was a wild interlude in the epic story of western development and here are its dramatic tales of hardship heroism and villainy We meet Soapy Smith dictator of Skagway Swiftwater Bill Gates who bathed in champagne Silent Sam Bonnifield who lost and won back a hotel in a poker game and Roddy Connors who danced away a fortune at a dollar a dance We meet dance hall queens paupers turned millionaires

missionaries and entrepreneurs and legendary Mounties such as Sam Steele the Lion of the Yukon Pierre Berton's riveting account reveals to us the spectacle of the Chilkoot Pass and the terrors of lesser known trails through the swamps of British Columbia across the glaciers of southern Alaska and up the icy streams of the Mackenzie Mountains It contrasts the lawless frontier life on the American side of the border to the relative safety of Dawson City Winner of the Governor General's award for non-fiction Klondike is authentic history and grand entertainment and a must read for anyone interested in the Canadian frontier

Harold Innis and the North William J. Buxton, 2013-06-01 Harold Innis is widely understood as the proponent of the Laurentian school of historiography which mapped Canadian development along an East West axis Harold Innis and the North turns the axis North South by examining Innis's intense and abiding interest in the North and providing new perspectives on this seminal figure in Canadian political economy and communication studies This collection reveals that Innis's advocacy of the North was closely bound up with his vision of northern Canada as the site of a second industrial revolution based on mining hydro electric power pulp and paper and enabled by new forms of transportation Long preoccupied with Canada's coming of age as a balanced and integrated industrial nation state Innis grappled with the same issues about the North in the Canadian nation that we are dealing with today Chapters explore the breadth of Innis's northern activities including his early studies of the fur trade his biography of eighteenth century explorer and cartographer Peter Pond his review essays on the North for the Canadian Historical Review his leadership of the Rockefeller sponsored Arctic Survey and his trip to the Soviet Union Harold Innis and the North crafts a new narrative about the nature and scope of Innis's intellectual project and provides a unique appreciation of his multi faceted professional identity Contributors include Sergei Arkhipov North Ossetian State University and NGO Vladikavkaz Institute of Economics Jeffrey Brison Queens George Colpitts Calgary Matthew Evenden UBC Barry Gough Churchill College Cambridge and Kings College London Paul Heyer Wilfrid Laurier Jim Mochoruk North Dakota Liza Piper Alberta Shirley Roburn Concordia Peter van Wyck Concordia Jeff Webb Memorial

We Shall Be Masters Chris Miller, 2021-06-08 Generations of Russians have pursued wealth and power in the East colonizing Pacific regions and spreading political influence into Asia Why have these efforts largely failed Chris Miller argues that Russian citizens and leaders concentrated in the European borderlands have always struggled to maintain faith and interest in eastward expansion

Imperial Russia and the Struggle for Latin American Independence, 1808-1828 Russell H. Bartley, 2014-10-03 This study the first of its kind in English examines Russian responses to the independence movement in Latin America during the early nineteenth century From a strictly presentist perspective the investigation of this subject contributes to the historiography of colonialism and of Latin America's relations with the major world powers In addition it rounds out the story of foreign interests in the emancipation of Spanish and Portuguese America while at the same time shedding new light on the history of Russian overseas expansion The study probes the major determinants of Russian responses to the struggle for independence of colonial Latin America and evaluates from a European

perspective the actual impact of tsarist policy on the course of those historic events Drawing on a wide range of printed materials and on hitherto unused manuscript sources from the archives and libraries of Spain Portugal Brazil and the USSR it isolates Russian New World objectives during the first decades of the nineteenth century and relates those objectives to the formulation of tsarist policy toward the insurgent Iberian colonies **Currents in Anthropology** Robert Hinshaw,2011-06-01 No detailed description available for Currents in Anthropology *Glorious Misadventures* Owen Matthews,2013-08-01 The Russian Empire once extended deep into America in 1818 Russia s furthest outposts were in California and Hawaii The dreamer behind this great Imperial vision was Nikolai Rezanov diplomat adventurer courtier millionaire and gambler His quest to plant Russian colonies from Siberia to California led him to San Francisco where he was captivated by Conchita the fifteen year old daughter of the Spanish Governor who embodied his dreams of both love and empire From the glittering court of Catherine the Great to the wilds of the New World Matthews conjures a brilliantly original portrait of one of Russia s most eccentric Empire builders *Crystals Out of Chaos* Lesley Marx,1997 In this new study of the novels of John Hawkes author Lesley Marx has brought to light insights from the three novels Hawkes has published in the last ten years as well as from his other works According to Marx all three of these new novels continue to attest to the fertility of Hawkes s imagination and the fine crafting of his prose But at least two of the new works *Adventures in the Alaskan Skin Trade* and *Sweet William A Memoir of Old Horse* also reveal an expansive and transformative vision that celebrates the shifting and fluid possibilities of authority writing storytelling and gender *First Man West* Alexander Mackenzie,Walter Sheppe,
