God-Man And It Just Had to Be Dr. Tony G. Minyard, 2024-04-30 This book took some great thought to write but And It Just Had to Be is paramount to everything that Christianity stands for The work of Jesus Christ His death and resurrection is crucial to our faith The key factor is the oneness of Christ in us This book highlights the factor of what Christ really did for us to appease the wrath of God The choice is freewill The truth is we have been translated from darkness to light We are all

sinner saved by the grace of God but we have to accept this gift to have eternal life. However, if you reject this gift, then the wrath of God is on you, my friend. There were elements that were very personal that happened during my rebellious years in unbelief, and it happens to many people. It's sad, but it does right. Trust me, learn from my mistakes, please repent really quick. You don't know what the price is. I talk about surrender being the first step to accepting Jesus as Lord and Savior. Salvation is a one-time event if it's genuine, but throughout your life, it's an everyday deal, the real one. Sometimes we ride the fence and think everything is A-OK, but it's not. Please have intimacy with God. He loves us very much. The Christian life ends when we're at the Judgment Seat of Christ. I hope no one appears at the Great White Throne Judgment. I covered many topics in this book to illustrate biblical concepts for you to grasp the truth. This is very serious stuff in the eyes of God. The purpose of this book is for you to make the right choice: repent or not. Remember, God believes in you. You might be in that rebellious life, but just surrender back to God.

The Cyber Christ Chronicles Billy Bruce Teague, 2003. The battle is on. The battle is for your life. A battle that very few even know exists. A man goes to sleep one night as he's done a thousand times before. In a series of dreams, he lays on an operating table as a bright light shines in his eyes. Someone is performing surgery on him, but for what purpose? The final dream reveals that purpose: God has installed a supernatural armor upon his body. Upon awakening from the final dream, he finds an envelope with his name on it. Though he does not remember writing it, it is in his handwriting. He opens the envelope to find a letter written by God's hand. The man has been asked to take his place as a Cyber Christ. He will be a prayer warrior that will travel into people's minds to experience the attacks on their lives. In the process, he will be bringing the Word of God that delivers them. Now the adventure begins.
