Goll, 2012-03-20. Satisfy the hunger in your heart. An exciting and insightful journey into the visionary world of The Seer. The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet whose revelation is primarily verbal, the seer whose revelation is more visionary. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding, and you will discover the prophetic power of dreams, visions, and life under the open heavens. Questions answered include: How does visionary revelation happen? Can it be trusted? Where does it fit into your life and today's church? Can any believer become a seer? Is it a prophetic dimension reserved for the spiritually gifted? The Seer will move your heart and stir up your hunger for intimacy with God, because the seer's goal is to reveal the person of Christ Jesus to you today. Experiencing God in the Supernatural Jonathan C. Ferguson, 2010-08. A study on the supernatural is very broad; therefore, it is my goal to help individuals understand the supernatural from a scriptural perspective by defining the prophetic. In doing so, the reader will embrace the vast biblical extent of man's interactions with God, explore various dimensions of the Spirit realm, and learn what it means to live under an open heaven. In fact, this book will cover over 21 ways in which God may choose to interact or communicate with us as believers, and much more. This is a book of both information and impartation. The pages of this book will literally come alive, as there have already been testimonies of various God encounters from those who have previously reviewed the writings contained. You will not only read this book, but you will experience what you read, and the things you learn will stir up the gifts that are on the inside of you. Get ready to take the limits off of your life. Get ready to be accelerated in the prophetic, because God is about to blow your natural mind with a supernatural revelation. I reiterate that this is not merely a book. This is an impartation. **The Seer** James W. Goll, 2005-01-28. The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet whose revelation is primarily verbal, and the seer whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimension, the visionary world of the seer. You will discover the prophetic power of dreams, visions, and life under the open heavens. How does visionary revelation happen? Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer, or is this a prophetic dimension reserved for the specially gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God, because The Seer's goal is to reveal the man Christ Jesus. comprehensive discussion of Jewish apocalyptic literature and themes in the Second Temple period and in early Christianity In it there is a sustained challenge to the widespread view that apocalypticism is a form of eschatology and it has been widely recognised as a significant contribution to the discussion of apocalypticism in religion since it was first published twenty years ago By concentrating on the revelatory character of apocalyptic texts rather than their diverse contents the author suggests that it is this aspect of the literature which best enables us to understand their distinctive religion The book offers a sustained argument for the view that apocalyptic literature is primarily about the disclosure of heavenly wisdom which offers recipients an understanding of life in the present He also suggests that there may be some evidence to support the view that apocalypses include reports of visionary experience The approach to apocalypticism in early Christianity stresses the importance of the visionary element as a decisive element in the history of Christian origins *Power Portals Study Guide* Joshua Mills, 2020-11-24 Become a Conduit of God's Power I encourage you to read Joshua's book not only to learn about the glory but also to be changed by the glory Bill Johnson This book is boot camp for the next and greatest move of God's Spirit in history Sid Roth All Christians are intended to live move and operate in the supernatural realm But many people aren't sure how to enter into this realm or how to go deeper in the Spirit Joshua Mills explains that much more than sensing what God is doing we can participate in the supernatural on a daily basis through divine portals or gates In this study guide companion to his book Power Portals Joshua clearly shows believers how they can become conduits of God's power Within a power portal we may experience a sudden realization of God's presence an abundance of healing spontaneous joy signs and wonders angelic activity an increase in spiritual dreams and visions or extravagant provision Some portals can be activated in our own bodies through the heart mouth eyes and ears mind innermost being hands and feet There are also direct heavenly portals and geographical portals special places where we can experience the release of God's power The Power Portals Study Guide which can be used by either individuals or groups contains some brand new material to further your understanding of these gateways to the Spirit realm The guide is also filled with key points from the book thought questions review questions and supernatural activations Get ready to awaken your connection to the Spirit realm Get ready to encounter Power Portals Joshua Mills has taken deep spiritual revelation and translated it into language that any reader can understand and apply to daily life Becky Thompson Joshua Mills gives you teachings you can trust and revelations that get you results Tony Kemp PowerPortalsBook Worship That Touches the Heart of God Nina Gardner, 2015-06-18 Do you feel truly alive or are you just going through the motions in life The fulfillment you seek can be found in worship a worship that starts within you The sweet psalmist David provided us his key to worship which God vowed would never end Once you know where you fit into this pattern of worship and experience its freedom you will never opt to live a life of merely going through the motions again You will worship not because you are told to but because you love to In worship God's heart of love is found Through it you can find joy and feel more alive than ever before *The Concise New International Dictionary of New*
