Los inocentes Hermann Broch, 2014-09-04 Ambientada en una pequeña ciudad alemana en el periodo de entreguerras Los inocentes ofrece un retrato de la situación social que llevó a muchos a refugiarse en los ideales del nacionalsocialismo Los inocentes 1950 se hilvana a partir de varios relatos que habían sido publicados en prensa y seis poemas que conservan el lirismo de algunos pasajes de La muerte de Virgilio El resultado es una novela desgarradora en la que a través de sus personajes femeninos la baronesa W Zerline Hildegard y Melitta asistimos a la decadencia la apatía y el desencuentro de la sociedad alemana de entreguerras que permitió la ascensión del fascismo y en la que ya no queda lugar para la inocencia Reseña Una de las manifestaciones más altas de la prosa alemana del siglo XX Hannah Arendt **Haunted Families and Temporal Normativity in Hispanic Horror Films** Charles St-Georges, 2018-04-20 This book examines the interactions between ghosts and families in three recent horror films from the Spanish speaking world that rather than explicitly referencing recent political violence speak to the societal conditions and everyday normative violence that serve as

preconditions for political violence This study deconstructs intersectional processes of racially and sexually normative subject formation and its oppositional other ghostly erasure that are framed by a common temporal logic wherein full citizenship is contingent upon a nation's dominant notions of contemporaneity and whether individuals properly inhabit prescriptive timelines of re productivity St Georges's study explores ways in which ghosts and families are manipulated in each national imaginary as a strategy for negotiating volatility within symbolic order a tactic that can either naturalize or challenge normative discourses As a literary and cinematic trope ghosts are particularly useful vehicles for the exploration of national imaginaries and the dominant or competing cultural attitudes towards a country's history and thus the articulation of a present political reality The rhetorical figure of the family is also key in this process as a mechanism for expressing national allegories for expressing generational anxieties about a nation's relationship to time and for organizing societies and social subjects as such interpellating them into or excluding them from national imaginaries By proposing these specific coordinates ghosts and families and by mapping their relationship between Spain and Latin America Troubling Timelines proposes a study of a temporal framework that besides bridging the traditional area studies divide across the Atlantic creates a space for interdisciplinary inquiry while also responding to increasing demand for studies that focus on intersectionality

Contin,2014-09-20 For too many centuries the Catholic Church has

been teaching lies to the innocent people who apparently are unable to think clearly for themselves Catholic clergymen pretend to be representatives of God with power to forgive the sins of other human beings and also to transform the host and the wine into the body and blood of Jesus Christ in order for the faithful to eat and drink it as cannibals They also pretend that their mass is a repetition of the sacrifice of Jesus on the cross when Jesus died and resurrected almost two thousand years ago They are also teaching several other lies wanting people to accept the great number of saints and virgins who really are just dead people God the Father forbids us to communicate with dead persons without exception The most important lies are refuted in this book not by the author but by the Bible and the Gospels because The Bible never lies Durante muchos siglos la Iglesia Católica ha enseñado mentiras a personas inocentes incapaces de pensar por sí mismas Los clérigos católicos pretenden ser representantes de Dios con poder para perdonar pecados a otros así como para transformar la hostia y el vino en el cuerpo y la sangre de Jesucristo para que los fieles los devoren como comidas. Pretenden que su misa es una repetición del sacrificio del Señor en la cruz cuando Jesús murió y resucitó hace casi dos mil años. También enseñan varias otras mentiras esperando que todos acepten la gran cantidad de santos y virgenes que en realidad son personas muertas. Dios Padre nos prohibe comunicarnos con los muertos sin excepciones. En este libro se refutan las mentiras más importantes. No lo hace el autor mismo sino la Biblia y los Evangelios porque La Biblia nunca miente.
