Los Gusanos:

Los Gusanos Silverio Lanza, 2023-12-18 La novela *Los Gusanos* de Silverio Lanza se sitúa en un contexto literario contemporáneo marcada por la exploración de temas de identidad y alienación. A través de una prosa directa y de un estilo crudo Lanza presenta una narrativa en la que los personajes se ven atrapados en una red de relaciones tóxicas y expectativas sociales simbolizadas por los gusanos que representan tanto la degradación como la transformación. La obra apela a una profunda reflexión sobre la condición humana utilizando un lenguaje poético que aunque austero resuena con una fuerza emotiva significativa. Silverio Lanza es un escritor que ha vivido diversas experiencias en su trayectoria como profesor universitario y viajero incansable que le han proporcionado un vasto conocimiento del ser humano. Su mirada crítica hacia las dinámicas sociales ha sido clave en su producción literaria. Lanza fusiona sus vivencias con una marcada observación de la realidad lo que imprime en *Los Gusanos* un sentido palpable de autenticidad y una búsqueda por la verdad en las relaciones interpersonales. Recomendando enfáticamente *Los Gusanos* a quienes busquen una reflexión profunda sobre la naturaleza de las relaciones humanas y la búsqueda de la identidad en una sociedad en constante cambio. La obra no solo entretiene sino que invita al lector a confrontar sus propios gusanos internos convirtiéndola en una lectura esencial para los amantes de la literatura contemporánea.

Goldín, 2011-04-15 In the central highland Maya communities of Guatemala the demands of the global economy have become a way of life. This book explores how rural peoples experience economic and cultural change as their country joins the global market focusing on their thoughts about work and sustenance as a way of learning about Guatemala's changing economy. For more than a decade Liliana Goldín observed in highland towns both the intensification of various forms of production and their growing links to wider markets. In this first book to compare economic ideology across a range of production systems she examines how people make a living and how they think about their options, practices and constraints. Drawing on interviews and surveys even retellings of traditional narratives she reveals how contemporary Maya respond to the increasingly globalized yet locally circumscribed conditions in which they work. Goldín presents four case studies: cottage industries devoted to garment production, vegetable growing for internal and border markets, crops grown for export and wage labor in garment assembly factories. By comparing generational and gendered differences among workers she reveals not only complexities of change but also how these complexities are reflected in changing attitudes, understandings and aspirations that characterize people's economic ideology. Further she shows that as rural people take on diverse economic activities they

also reinterpret their views on such matters as accumulation cooperation competition division of labor and community solidarity Global Maya explores global processes in local terms revealing the interplay of traditional values household economics and the inescapable conditions of demographic growth a shrinking land base and a global economy always looking for cheap labor It offers a wealth of new insights not only for Maya scholars but also for anyone concerned with the effects of globalization on the Third World Cuba: The Trip Back Rafael Lima,2001 Rafael Lima begins this journey to the center of himself in Los Angeles California A burned out screenwriter in search of inner truth he embarks upon a quest for authenticity which ultimately leads him back to his birthplace Havana Cuba after almost forty two years Cuba the trip back is part travel book part memoir and part autobiography It is a journey through modern day Cuba which interlaces Cuban and the author s own personal history In this heart felt book Rafael Lima explores the island slays the demons of regret makes real the legends of childhood and discovers what it means to be Cuban what it means to be American and what it feels like to exist in between **Al-Andalus** Howard Headworth,2014-08-15 The exciting historical novel by Howard Headworth takes us to the 1480s in Spain For the Spaniards it is the dawn of the golden age of the country For the moors of Al Andalus in the south it is the beginning of a bitter harvest And Far west a new world beckons Glorious descriptions of battles and conflicts the horrors of the Spanish Inquisition the tracing of historical events leading to the entrance of the Catholic monarchs in Granada in 1492 a panoply of characters profiles of the traditions and skills of the Muslim peasants in Al Andalus and finally the first voyage of Christopher Columbus to the Indies make this book a unique treasure Howard Headworth lives in Almeria Spain for twenty years He was born in Wales and studied geology at the university there and in London He uses his great experience as a scientific director as well as his passion for the history of his adopted country in this historical novel
