Lost Men:

The Lost Men Kelly Tyler-Lewis, 2007-03-27 The untold story of the last odyssey of the heroic age of Antarctic exploration Sir Ernest Shackleton's 1914 Antarctic endeavor is legend but for sheer heroism and tragic nobility nothing compares to the saga of the Ross Sea party This crew of explorers landed on the opposite side of Antarctica from the Endurance with a mission to build supply depots for Shackleton's planned crossing of the continent But their ship disappeared in a gale leaving ten inexperienced ill equipped men to trek 1 356 miles in the harshest environment on earth Drawing on the men's own journals and photographs *The Lost Men* is a masterpiece of historical adventure a book destined to be a classic in the vein of *Into Thin Air* *The Port of Missing Men* Meredith Nicholson, 2018-09-21 Reproduction of the original *The Port of Missing Men* by Meredith Nicholson *The Tale of the Missing Man* Manzoor Ahtesham, 2018-08-15 Winner of the Global Humanities Translation Prize *The Tale of the Missing Man* Dastan e Lapata is a milestone in Indo Muslim literature A refreshingly playful novel it explores modern Muslim life in the wake of the 1947 partition of India and Pakistan Zamir Ahmad Khan suffers from a mix of alienation guilt and postmodern anxiety that defies diagnosis His wife abandons him to his reflections about his childhood writing ill fated affairs and his hometown Bhopal as he attempts to unravel the lies that brought him to his current state while weaving new ones A novel of a heroic quest gone awry *The Tale of the Missing Man* artfully twists the conventions of the Urdu romance or dastan tradition where heroes chase brave exploits that are invariably rewarded by love The hero of Ahtesham's tale living in the fast changing city of Bhopal during the 1970s and 80s suffers an identity crisis of epic proportions he is lost missing and unknown both to himself and to others The result is a twofold quest in which the fate of protagonist and writer become inextricably and ironically linked The lost hero sets out in search of himself while the author goes in search of the lost hero his fictionalized alter ego New York magazine cited the book as one of the world's best untranslated novels In addition to raising important questions about Muslim identity Ahtesham offers a very funny and thoroughly self reflective commentary on the modern author's difficulties in writing autobiography The Global Humanities Translation Prize is awarded annually to a previously unpublished translation that strikes the delicate balance between scholarly rigor aesthetic grace and general readability as judged by a rotating committee of Northwestern faculty distinguished international scholars writers and public intellectuals The Prize is organized by the Global Humanities Initiative which is jointly supported by Northwestern University's Buffett Institute for Global Studies and Kaplan Institute for the Humanities *The Golden West*, 1920 **Sails of Fortune** Christine Echeverria Bender, 2005 This novel details the harrowing voyage of Ferdinand Magellan's fleet as he attempted to find the rumored water route through the New World to the west a What he and his crew of Basque Portuguese and Spanish men found was death hardship and glory *Porphyry the Phoenician Isagoge* Porphyry, 1975 *Outing and the Wheelman*, 1892 *Forty Years a Forester* Elers Koch, 2019-10-01 Elers Koch a key figure in the early days of the U S Forest Service was

among the first American trained silviculturists a pioneering forest manager and a master firefighter By horse and on foot he helped establish the boundaries of most of our national forests in the West designed new fire control strategies and equipment and served during the formative years of the agency Forty Years a Forester Koch's entertaining and illuminating memoir reveals one remarkable man's contributions to the incipient science of forest management and his role in building the human relationships and policies that helped make the U S Forest Service prior to World War II the most respected bureau in the federal government This new fully annotated edition of Koch's memoir offers an unparalleled look at the Forest Service's formative ambitions to regulate the national forests and grasslands and reminds us of the principled commitment that Koch and his peers exemplified as they built the national forest system and nurtured the essential conservation ethic that continues to guide our use of the public lands

Ozu International Wayne Stein,Marc DiPaolo,2015-03-12 In Japan and much of Europe Ozu is widely considered to be one of the finest film directors who ever lived While Ozu has a strong reputation in the West his films are not as well known or widely appreciated in the U S as they are elsewhere A notable exception to this trend is film critic Roger Ebert who recently wrote that Ozu is one of his three or four favorite directors Also moving beyond the view that Tokyo Story is a masterful exception in the Ozu canon Ebert sees Ozu's films as nearly always of the same high quality Ozu International will reflect on Ebert's view of Ozu by arguing that this director deserves broader recognition in the U S and that his entire canon is worthy of serious study With the recent release of more than 15 Ozu DVDs in the Criterion Collection covering every phase of his career at least in part including silent films black and white talkies and color films Ozu International helps to fill a lingering gap in English language scholarship on Ozu by giving this new generation of scholars a book length forum to explore new critical perspectives on an unfairly neglected director Contributions include specialists in Japanese culture academics from a range of disciplines and professional films critics

The Mystique of the Northwest Passage Bożenna Chylińska, 2019-01-14 The book highlights the 16th century English Atlantic connections based on the world division defined by two fundamental documents of the late 15th century namely the papal bull Inter Caetera and the Portuguese Spanish Treaty of Tordesillas Despite this an imaginary Northwest Passage to the wealth and markets of the Far East captured the attention of Elizabethan merchants and navigators searching for an alternative sea route to Asia to challenge the Portuguese and Spanish commerce monopoly The core of the book is Sir Martin Frobisher s three Arctic voyages of 1576 78 intended to connect the Protestant focus on wealth acquisition with the territorial expansion Although Frobisher s venture lacked opportunities for advancement he marked his place in history by creating a fascination for the mythical Northwest Passage and an interest in North America The book is based on the eyewitness accounts of the expeditions captains and will appeal to a large audience from teachers and students in the general humanities to those specifically interested in language literature and trans Atlantic and Renaissance studies
