Once He Was Lost... Now I'm Found... Thelma Johnson, 2021-09-01 Throughout my lifelong experiences in church I have been taught that there were only two final destinations heaven and hell Preachers teach that there is a heaven to gain and a hell to shun which is absolutely true I have further learned through my ability that it too is possible for spirits to remain earthbound This occurs when these spirits reject themselves from walking into the light due to inability of letting go of their physical life The two types of spirits that are earthbound are intelligent and residual The intelligent spirits can communicate with the physical world and residual spirits are on repeat every day With the help of my youngest brother's God given abilities I slowly learned how to embrace the gift that I have been given I encourage anyone who senses these abilities to embrace it and pursue it although it may be difficult to understand this gift There are many people in the world experiencing similar situations I gradually learned how to live with my ability which led me to a solid four years of writing this book so that others will find the courage to express their gifts in their own special form
