The Bookseller ,1917 Official organ of the book trade of the United Kingdom **Risk in Children's Adventure Literature** Elly McCausland,2024-05-31 Risk in Children s Adventure Literature examines the way in which adults discuss the reading and entertainment habits of children and with it the assumption that adventure is a timeless and stable constant whose meaning and value is self evident A closer enquiry into British and American adventure texts for children over the past 150 years reveals a host of complexities occluded by the term and the ways in which adults invoke adventure as a means of attempting to get to grips with the nebulous figure of the child Writing about adventure also necessitates writing about risk and this book argues that adults have historically used adventure to conceptualise the relationship between children and risk

the risks children themselves pose to society the risks that threaten their development and how they can be trained to manage risk in socially normative and desirable ways Tracing this tendency back to its development and consolidation in Victorian imperial romance and forward through various adventure texts and media to the present day this book probes and investigates the truisms and assumptions that underlie our generalisations about children's love for adventure and how they have evolved since the mid nineteenth century *The Adventure of the Illustrious Scholar* Elizabeth Simpson, 2018-06-12

The Adventure of the Illustrious Scholar Papers Presented to Oscar White Muscarella edited by Elizabeth Simpson is a Festschrift celebrating the career of one of the foremost archaeologists of the ancient Near East Oscar Muscarella is a former curator at the Metropolitan Museum of Art and a formidable scholar who has excavated at sites in Turkey Iran and the United States He has published eight books and nearly 200 articles excavation reports and reviews on topics ranging from the arts of antiquity and the importance of connoisseurship to the difficulties of dating and the problems of forgeries the looting of ancient sites and the antiquities trade The forty seven contributors are experts in the areas of Muscarella's interests and are major scholars in their fields This volume constitutes an unusual important and timely addition to the archaeological and art historical literature *The Films of the Eighties* Robert A. Nowlan, 1991-01-01

The 1980s had more than its share of both emerging stars and final tributes paid to luminaries as well as smash hits and bombs memorable and boring performances and new trends and tried and true formula offerings The Film of the Eighties includes numerous examples of all of these Each entry has the year of release production company country of origin U S U K Australian Canadian leading performers and the characters they portrayed and comprehensive credits A brief description review and evaluation of the film's cinematic values if any are also provided *The Complete Novels of John Buchan: 25+ Spy Classics, Thrillers & Adventure Novels in One Premium Edition (Unabridged)* John Buchan, 2024-01-11
