JOHN HARE

Foreword by Jane Goodall

Lost Camels Of Tartary

Jane Goodall, Thane Maynard

Lost Camels Of Tartary:

The Lost Camels of Tartary John Hare,1998 John Hare has made three expeditions to the Mongolian and Chinese Gobi deserts the first in 1993 with Russian scientists and the second and third with Chinese scientists in 1995 and 1996 The book records the amazing adventures he has experienced on those expeditions and will record details of the 30 day walk on foot in the formidable Kum Tagh sand dunes in the spring of 1997 He is the first recorded foreigner to have crossed the Gashun Gobi from north to south The expeditions were primarily concerned with tracking down the mysterious wild Bactrian camel *camelus bactrianus ferus* which lives in the heartland of the desert and is the ancestor of all domestic Bactrian stock There are under a thousand left in the world and the wild Bactrian camel is more endangered than the giant Panda This is John Hare s magnificent account of a formidable feat of modern exploration

Into Wild Mongolia George B. Schaller, 2020-02-18 Explore the wonders of wild Mongolia through the eyes of a distinguished field biologist Mongolia became a satellite of the Soviet Union in the mid 1920s and for nearly seven decades effectively closed its doors to the outside world Biologist George Schaller initially visited the country in 1989 and was one of the first Western scientists allowed to study and assess the conservation status of Mongolia s many unique native wildlife species Schaller made a number of trips from 1989 to 2018 in collaboration with Mongolian and American scientists witnessing Mongolia s recovery and transition to a market economy after the collapse of the Soviet Union This informative and fascinating new book provides a firsthand account of Schaller s time in this little known and remote country where he

studied and helped develop conservation initiatives for the snow leopard Gobi bear wild camel and Mongolian gazelle among other species Featuring magnificent photographs from his travels the book offers a critical at times inspiring contribution for those who treasure wildlife as well as a fresh perspective on the natural beauty of the region which encompasses steppes mountains and the Gobi Desert

When A Billion Chinese Jump Jonathan S. Watts, 2010-10-26 As a young child Jonathan Watts believed if everyone in China jumped at the same time the earth would be shaken off its axis annihilating mankind Now more than thirty years later as a correspondent for The Guardian in Beijing he has discovered it is not only foolish little boys who dread a planet shaking leap by the world's most populous nation When a Billion Chinese Jump is a road journey into the future of our species Traveling from the mountains of Tibet to the deserts of Inner Mongolia via the Silk Road tiger farms cancer villages weather modifying bases and eco cities Watts chronicles the environmental impact of economic growth with a series of gripping stories from the country on the front line of global development He talks to nomads and philosophers entrepreneurs and scientists rural farmers and urban consumers examining how individuals are trying to adapt to one of the most spectacular bursts of change in human history then poses a question that will affect all of our lives Can China find a new way forward or is this giant nation doomed to magnify the mistakes that have already taken humanity to the brink of disaster

Great Joy Under Heaven Nathan Morehart, 2024-12-01 A history of wildlife in China tracing the changes the country's fauna and flora have endured from the rise of the earliest civilizations to the present China is home to one of Earth's largest and most diverse mix of plant and animals Many are among the rarest creatures alive some now surviving only in captivity An unfortunate few went extinct early this century How did this come to pass Great Joy Under Heaven tells the history of dozens of species spread across the breadth of China from the taiga of Manchuria to the burning deserts of the far west from the bamboo forests of Sichuan to the tropical island of Hainan and from the Roof of the World down the Long River to the sea Spanning the ancient expulsion of rhinos and elephants from the Chinese heartland to the disappearance and return of the elaphure and takhi this volume recounts the drastic effects of humanity on the wildlife of China over the past 4 000 years and the ongoing struggles to save and restore some of what has been lost

standing on the edge of an erupting volcano **Mongolia** Jane Blunden,2014-10-01 Open to the Western world since 1990 the Land of Blue Sky is one of the few places on earth where travellers can tread on undiscovered ground and explore with a true sense of adventure Homeland of the greatest conqueror of all time Genghis Khan vast tracts can be discovered on horse or camel or in the comfort of a four wheel drive Written by Mongolian expert Jane Blunden this updated guide highlights its culture and customs including the deel the colourful national dress herding rules and customs Mongolian throat singing and Naadam the annual celebration of wrestling archery and horse riding For visitors keen to sample the unique pleasures of staying with nomads she also explains how and where to experience the traditional lifestyle of a Mongolian ger The guide offers tips on riding and biking tours winter dog sledding and summer yoga camps and provides in depth information on national parks and conservation Wildlife tours and visits based around Buddhist temples are still Mongolia s strengths along with the age old traditional herding culture and Nomadic lifestyle to be seen throughout this vast country This amazing lifestyle of nomads with their flocks of camels sheep and cashmere goats herded on horseback from the times of Genghis Khan is disappearing fast as families become more settled The capital Ulaanbaatar is undergoing major changes and offers visitors a taste of city life in contrast to the wide open spaces The guide reviews new hotels and restaurants which are popping up as business is booming Mongolia provides all the information you ll need to arrange an unforgettable stay with Mongolian nomads enjoying the centuries old lifestyle of a traditional ger Strolling About on the Roof of the World Susan Farrington,Hugh Leach,2003-08-29 This volume covers the first one hundred years of the Royal Society for Asian Affairs formerly the Royal Central Asian Society It traces its fons et origo in the Central Asian Question within the context of the Great Game and continues its fascinating chronology through the two World Wars to the present day There are separate chapters on its widely drawn membership variety of activities and archive collection Throughout the pages are glimpses and vignettes of some of its extraordinary even eccentric members and their astonishing adventures The wealth of factual and often amusing detail makes it a very lively account which is also valuable as a work of reference for all interested in Asia The book is generously illustrated and includes some of the Society s unique archival photographs not previously published **A Short History of the Silk Road** Jonathan Clements,2014-01-14 The Silk Road is not a place but a journey a route from the edges of the Mediterranean to the central plains of China through high mountains and inhospitable deserts For thousands of years its history has been a traveller s history of brief encounters in desert towns snowbound passes and nameless forts It was the conduit that first brought Buddhism Christianity and Islam into China and the site of much of the Great Game between 19th century empires Today its central section encompasses several former Soviet republics and the Chinese Autonomous Region of Xinjiang The ancient trade route controversially crosses the sites of several forgotten kingdoms buried in sand and only now revealing their secrets An Armchair Traveller s History of the Silk Road not only offers the reader a chronological outline of the region s development but also provides an invaluable introduction to its languages literature and

arts It takes a comprehensive and illuminating look at the rich history of this dynamic and littleknown region and provides an easy to use reference source Clements pays particular attention to the fascinating historical sites which feature on any visitor's itinerary and special emphasis is also given to the writings and reactions of travellers through the centuries **The Silk Road** Frances Wood,2002 This gorgeously illustrated oversized book brings the history and cultures of the Silk Road alive from its beginnings to the present day covering more than 5000 years **Infectious Diseases in Camelids** Ulrich Wernery,Oskar Ruger Kaaden,2002-02-28 The second edition of Infectious Diseases of Camelids has been completely revised and enlarged Besides virological and bacteriological diseases mycoses and parasitoses have been taken into account to present a comprehensive and up to date reference book covering all infectious diseases of old world camelids **Wild West China** Christian Tyler,2004 Closed to the world for half a century like a black hole in the Asian landmass the wilderness of Xinjiang in northwest China is returning to the light The picture it presents is both fascinating and disturbing Despite a savage landscape and climate Xinjiang has a rich past sand buried cities painted cave shrines rare creatures and wonderfully preserved mummies of European appearance Their descendants the Uighurs still farm the tranquil oases that ring the dreaded Taklamakan the world's second largest sand desert and the Kazakh and Kirghiz herdsmen still roam the mountains The region's history however has been punctuated by violence usually provoked by ambitious outsiders nomad chieftains from the north Muslim emirs from Central Asia Russian generals or warlords from inner China The Chinese regard the far west as a barbarian land Only in the 1760s did they subdue it and even then their rule was repeatedly broken Compared with the Russians conquest of Siberia or the Americans trek west China's colonization of Xinjiang has been late and difficult The Communists have done most to develop it as a penal colony as a buffer against invasion and as a supplier of raw materials and living space for an overpopulated country But what China sees as its property the Uighurs regard as theft by an alien occupier Tension has led to violence and savage reprisals This portrait of Xinjiang should be essential reading for travelers and for anyone interested in today's China and the fate of minority peoples **Travel and Ethics** Corinne Fowler,Charles Forsdick,Ludmilla Kostova,2013-12-13 Despite the recent increase in scholarly activity regarding travel writing and the accompanying proliferation of publications relating to the form its ethical dimensions have yet to be theorized with sufficient rigour Drawing from the disciplines of anthropology linguistics literary studies and modern languages the contributors in this volume apply themselves to a number of key theoretical questions pertaining to travel writing and ethics ranging from travel as commoditization to encounters with minority languages under threat Taken collectively the essays assess key critical legacies from parallel disciplines to the debate so far such as anthropological theory and postcolonial criticism Also considered and of equal significance are the ethical implications of the form's parallel genres of writing such as ethnography and journalism As some of the contributors argue innovations in these genres have important implications for the act of theorizing travel writing itself and the mode and spirit in which it continues to be conducted In the light of such innovations

how might ethical theory maintain its critical edge *Hope for Animals and Their World* Jane Goodall, Thane Maynard, 2009-08-14 From world renowned scientist Jane Goodall as seen in the new National Geographic documentary Jane comes an inspiring message about the future of the animal kingdom With the insatiable curiosity and conversational prose that have made her a bestselling author Goodall along with Cincinnati Zoo Director Thane Maynard shares fascinating survival stories about the American Crocodile the California Condor the Black Footed Ferret and more all formerly endangered species and species once on the verge of extinction whose populations are now being regenerated Interweaving her own first hand experiences in the field with the compelling research of premier scientists Goodall illuminates the heroic efforts of dedicated environmentalists and the truly critical need to protect the habitats of these beloved species At once a celebration of the animal kingdom and a passionate call to arms *Hope For Animals Their World* presents an uplifting hopeful message for the future of animal human coexistence Praise for *Hope For Animals Their World* Goodall s intimate writing style and sense of wonder pull the reader into each account The mix of personal and scientific makes for a compelling read
