Lost Ecstasy:

Lost Ecstasy June McDaniel, 2018-06-26 This book is a study of religious ecstasy and the ways that it has been suppressed in both the academic study of religion and in much of the modern practice of religion It examines the meanings of the term how ecstatic experience is understood in a range of religions and why the importance of religious and mystical ecstasy has declined in the modern West June McDaniel examines how the search for ecstatic experience has migrated into such areas as war terrorism transgression sexuality drug use and anti institutional forms of spirituality She argues that the loss of religious and mystical ecstasy as both a religious goal and as a topic of academic study has had wide ranging negative effects She also proposes that the field of religious studies must go beyond criminalizing trivializing and pathologizing ecstatic and mystical experiences Both religious studies and theology need to take these states seriously as important aspects of lived human experience

Lost Ecstasy Mary Roberts Rinehart, 1927 Kay Dowling was used to luxury expensive pleasures and the gentlemen who could afford them But when she accompanied her wealthy family to her late grandfather s ranch it was ordinary Tom McNair who caught her eye Then Tom was arrested for a not so ordinary murder and Kay s life was turned upside down But she was determined to help Tom prove his innocence even if she had to put her own life in danger to do it

Lost Ecstasy Mary Roberts Rinehart, 1967 Mary Roberts Rinehart, Mistress of Mystery Frances H.

Bachelder, 1993-01-01 A study of Rinehart s various mystery novels from *The Circular Staircase* to *The Swimming Pool*

The Macabresque Edward Weisband, 2018 Studies of genocide and mass atrocity most often focus on their causes and consequences their aims and effects and the number of people killed But if the main goal is death why is torture necessary By understanding how and why mass violence occurs and the reasons for its variations *The Macabresque* aims to explain why so many seemingly normal or ordinary people participate in mass atrocity across cultures and why such egregious violence occurs repeatedly through history

The Emotional Life of Postmodern Film Pansy Duncan, 2015-11-19 Emotion and Postmodernism is it possible to imagine an odder couple stranger bedfellows less bad company *The Emotional Life of Postmodern Film* brings this unlikely pair into sustained dialogue arguing that the interdisciplinary body of scholarship currently emerging under the rubric of affect theory may be unexpectedly enriched by an encounter with the field that has become its critical other Across a series of radical re appraisals of canonical postmodern texts from Fredric Jameson s *Postmodernism* to David Cronenberg s *Crash* Duncan shows that the same postmodern archive that has proven resistant to strongly subject based and object oriented emotions like anger and sadness proves all too congenial to a series of idiosyncratic borderline emotions from knowingness fascination and bewilderment to boredom and euphoria The analysis of these emotions in turn promises to shake up scholarly consensus on two key counts On the one hand it will restructure our sense of the place and role of emotion in a critical enterprise that has long cast it as the stodgy subjective sister of a supposedly more critically interesting and politically productive affect On the other it will transform our perception of

postmodernism as a now historical aesthetic and theoretical moment teaching us to acknowledge more explicitly and to name more clearly the emotional life that energizes it

Ophelia Sharon Keefe Ugalde, 2020-05-15 The study emphasizes the role of the arts and humanities in the replotting of gender and also links cultural production to political circumstances specifically to the end of the Franco dictatorship and the transition to a new democracy in Spain The inclusion of both the visual art of Marina N nez and art photographs as well as literary authors and dramatists offers views of overarching motifs in the cultural production of Spain The book includes an historical component with an analysis of works by major nineteenth and early twentieth century Spanish poets including Espronceda B cquer Villaspesas Lorca and the pioneer female author Blanca de los Rios The list of writers from the 1970s forward includes both highly recognized figures Clara Jan s Mar a Victoria Atencia Eduardo Quiles and an extensive group of important writers less recognized beyond among critics

The Poets' Jesus : Representations at the End of a Millennium Peggy Rosenthal, 2000-03-24 Poets have always been the medium through which a culture talks of and to its gods Now in this learned but lively commentary Peggy Rosenthal shows us the astonishing range of poetic encounters with Jesus With a special emphasis on twentieth century poetry Rosenthal draws from an unprecedented range of world poetry from Africa the Arab world and the Far East to Latin America and the West to give readers an understanding of how different times and different cultures have affected the way poets refigure Jesus and of how poets' fascination with the man from Nazareth transcends all barriers She also demonstrates that despite the twentieth century's self-definition as a secular and post-Christian epoch it has produced poetry about Jesus of truly surprising quality and variety Impeccably researched and extremely accessible The Poets' Jesus will strongly appeal to scholars of poetry and religion as well as for all general readers of poetry

CHRONICLE OF THE TWENTY-FOUR GENERALS OF THE ORDER OF FRIARS MINOR ARNALD OF SARRANT, 2013-09-26 The history of the Order of Friars Minor during the first one and a half centuries of its existence is maybe the most studied period of the 800 years of Franciscan presence in the Church The publication of the Sources for the lives of Saint Francis and Saint Clare of Assisi in all the main European languages has been of considerable help to spread the historical knowledge regarding Francis of Assisi and his movement and make it available to the average reader Among these Sources the Chronica XXIV Ministrorum Generalium Ordinis fratrum Minorum by Arnald of Sarrant merits particular attention It tells the story of the Franciscan Order from the time of Saint Francis till the beginning of the Western Schism in 1378 and therefore contains valuable information regarding the initial period of Franciscan history Unfortunately it is not easily available in translation because of its voluminous nature In fact it covers a total of 712 pages of the third volume of *Analecta Franciscana* published by the Franciscan editors of Quaracchi in 1897 Our aim has been that of

embarking on the arduous task of translating this voluminous work of history into English from the original Latin This translation is the fruit of three years of work and we are now happy to present it to the general public Because of its voluminous nature we intend to divide it into 5 sections four of which cover the 575 pages of text and one the appendixes The whole 575 page Chronicle is here available in 4 sections covering respectively the following historical periods 1 Saint Francis and the early Franciscan fraternity 2 The Generals from brother Elias as vicar 1227 to Saint Bonaventure 1274 3 The Generals from Jerome of Ascoli 1274 to Michael of Cesena 1328 4 The Generals from Gerard Eudes 1329 to Leonard of Giffoni 1378 A last section will be the translation of the appendixes The translation is enriched by footnotes and explanations on the various historical events narrated and on the personages of the Chronicle Our aim has been simply that of providing a readable translation without pretending to be scholars of mediaeval Latin We hope that the service we are offering at such an enormous cost of time and personal effort will be of benefit both to students of Franciscan history as well as to those who are qualified to correct its inaccuracies and who we gratefully thank for their eventual advice and corrections
