Lost Language Selected Poems:

Lost Language Maxine Gadd, Daphne Marlatt, Ingrid Klassen, 1982-01-01 *Selected Poems* Federico García Lorca, 2007 Federico García Lorca is perhaps the most celebrated of all twentieth century Spanish writers known not only for his plays but also for several collections of poems published both in his short lifetime and after Lorca's poetry is steeped in the land climate and folklore of his native Andalusia though he writes memorably of New York and Cuba too Writing often in modernist idiom and full of startling imagery he evokes a world of intense feelings silent suffering and dangerous love This unique parallel text edition balances poems from Lorca's early collections with his better known later work providing a clear vision of his poetic development and drawing attention to the brilliance and originality of some of the earlier work Key poems from all Lorca's collections appear here including the recently discovered Sonnets of Dark Love Martin Sorrell's translations are thoughtful and accomplished and D Gareth Walters's shrewd Introduction with its distinctive focus on the achievements of the poet gives a clear and balanced appraisal of the poetry while steering away from the tendency to mythologize Lorca's life and death This edition also includes helpful notes a bibliography a chronology and an index of titles **Selected Poems** Charles Tomlinson, 1997 Presenting Charles Tomlinson's finest poems this edition of *Selected Poems* provides perfect entry into the work of one of England's contemporary masters Rendering with remarkable precision the response of the poet to the surfaces and depths of things as well as the world of historical necessity Tomlinson's poems embody aspects of both tragedy and possibility **Selected Poems** Sophocles, 2018-06-26 Sophocles tragedies from *Antigone* to *Oedipus Tyrannus* are filled with highly wrought vivid and emotionally powerful poetry Yet most translations sacrifice the poetry to convey only the sense of the lines as dramatic speech This is the first book in English to present Sophocles exclusively as a poet and the only volume to reveal the full force and beauty of his verse With a fresh and consistent attention to structure language and rhythm across Sophocles writings Reginald Gibbons has translated a selection of odes from Sophocles surviving plays as well as fragments from his lost works What emerges is a genuinely new sense of a Sophocles who was as much poet as dramatist Bringing the Greek poet and his world surprisingly close to us these translations also restore a sense of the long continuity of poetry Complete with an introduction this edition reveals Sophocles poetic brilliance as never before **Collected Poems, 1954-2004** Irving Feldman, 2009-01-16 From a two time National Book Award finalist and one of America's most revered poets comes a glorious gathering of poems that displays his entire career and confirms his place among the great poets of our time Irving Feldman is a master chronicler of our collective experience and an overlooked treasure of American poetry Feldman's rich body of work exhibits his mastery of language from the biblical to the conversational his Yiddish flair for the comic his profound social insight and lucidity He writes about everything from the Coney Island days of his childhood and his bohemian years in postwar New York to the art of Picasso and George Segal from the Holocaust to its aftermath in narrative and dramatic poems and personal lyrics that are by turns ardent witty biting ecstatic and heartbreaking Long a favorite

among his fellow poets John Hollander has called his work amazing in its moral intensity Feldman has remained true to the soul's deepest callings I have questioned myself aloud at night in a voice I did not recognize hurried and disobedient hardly brighter What have I kept Nothing Not bread or the bread word What have I offered Rebel in the kingdom my gift has wanted a grace

Selected Poems Du Bellay, Ronsard, 2023-07-11 Live now and listen do not wait in vain Until tomorrow pluck life's rose today Joachim du Bellay and Pierre de Ronsard are two of the major sixteenth century French poets and leaders of the extraordinary group known as La Pléiade Determined to create a national vernacular literature the Pléiade poets profited from an intense study of Greek and Roman models and from a creative use of classical mythology to produce a body of verse that reflects the vigour and variety of European Renaissance culture Du Bellay broke new ground with the gritty realism and resentment of the *Regrets* and with his meditation in the *Antiquities* on the rise and fall of the Roman Empire In a series of sonnet sequences *Cassandre* Marie Astruc Hélène Ronsard developed the Petrarchan tradition of love poetry with a wider range of situations a richer imagery and more robust sensuality His reputation as France's greatest love poet should not however obscure his excellence in an astonishing variety of forms and genres such as elegies odes philosophical hymns and religious controversy Anthony Mortimer's verse translations cover this many faceted achievement in a version that functions as English poetry in its own right without departing from the letter and spirit of the original The French text is given on facing pages and a useful appendix contains extracts from seminal manifestos by the two poets A critical introduction a glossary of names and places and abundant notes encourage the reader to place the poems in their social and cultural context

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Finding Nothing Gregory Betts, 2021-07-30 Experimental literature accelerated dramatically in Vancouver in the 1960s as the influence of New American poetics merged with the ideas of Marshall McLuhan Vancouver poets and artists began thinking about their creative works with new clarity and set about testing and redefining the boundaries of literature As new gardes in Vancouver explored the limits of text and language some writers began incorporating collage and concrete poetics into their work while others delved deeper into unsettling revolutionary and Surrealist imagery There was a presumption across the avant garde communities that radical openness could provoke widespread socio political change In other words the intermedia experimentation and the related destruction of the line between art and society pushed art to the frontlines of a broad socio political battle of the collective imagination of Vancouver Finding Nothing traces the rise of the radical avant garde in Vancouver from the initial salvos of the Tish group through Blewointment s spatial experiments to radical Surrealisms and new feminisms Incorporating images original texts and interviews Gregory Betts shows how the VanGardes signalled a remarkable consciousness of the globalized forces at play in the city impacting communities orientations races and nations

Selected Poems Octavio Paz, G. Aroul, 1984 Octavio Paz asserts Eliot Weinberger in his introduction to these Selected Poems is among the last of the modernists who drew their own maps of the world For Latin America s foremost living poet his native Mexico has been the center of a global mandala a cultural configuration that in his life and work he has traced to its furthest reaches to Spain as a young Marxist during the Civil War to San Francisco and New York in the early 1940s to Paris as a surrealist in the postwar years to India and Japan in 1952 and to the East again as his country s ambassador to India from 1962 to 1968 and to various universities in the United States throughout the 1970s A great synthesizer the rich diversity of Paz s thought is shown here in all its astonishing complexity Among the sixty seven selections in this volume a gathering in English of his most essential poems drawn from nearly fifty years work are Muriel Rukeyser s now classic version of Sun Stone and new translations by editor Weinberger of Blanco and Maithuna And since for Paz forever in motion there can be no such thing as a definitive text all the poems have been revised to conform to the poet s most recent changes in the original Spanish Besides those by Rukeyser and Weinberger the translations in the Selected Poems are by G Aroul Elizabeth Bishop Paul Blackburn Lysander Kemp Denise Levertov Mark Strand Charles Tomlinson William Carlos Williams and Monique Fong Wust
