**Lost Lhasa** ,1992      *The Lhasa Atlas* Knud Larsen,Amund Sinding-Larsen,2001 Lhasa the ancient capital of Tibet is the most impressive of the few surviving traditional towns This guide presents its unique architecture and building culture topography environment historical development and townscape as well as introducing future plans and issues concerning the safeguarding of Lhasa in the face of urban development      Britain and Tibet 1765-1947 Julie G. Marshall,2005 This bibliography is a record of British relations with Tibet in the period 1765 to 1947 As such it also involves British relations with Russia and China and with the Himalayan states of Ladakh Lahul and Spiti Kumaon and Garhwal Nepal Sikkim Bhutan and Assam in so far as British policy towards these states was affected by her desire to establish relations with Tibet It also covers a subject of some importance in contemporary diplomacy It was the legacy of unresolved problems concerning Tibet and its borders bequeathed to India by Britain in 1947 which led to border disputes and ultimately to war between India and China in 1962 These borders are still in dispute today It also provides background information to Tibet s claims to independence an issue of current importance The work is divided into a number of sections and subsections based on chronology geography and events The introductions to each of the sections provide a condensed and informative history of the period and place the books and article in their historical context Most entries are also annotated This work is therefore both a history and a bibliography of the subject and provides a rapid entry into a complex area for scholars in the fields of international relations and military history as well as Asian history      **The Story of Tibet** Thomas Laird,2018-09-01 A memorable and vivid history lesson about a remote mysterious place that in terms of its sheer survival has implications for our own lives The Times Picayune Over the course of three years journalist Thomas Laird spent more than sixty hours with His Holiness the Dalai Lama in candid one on one interviews that ranged widely covering not only the history of Tibet but science reincarnation and Buddhism Laird brings these meetings to life in this vibrant monumental work that outlines the essence of thousands of years of civilization myth and spirituality Tibet s story is rich with tradition and filled with promise It begins with the Bodhisattva Chenrizi The Holy One whose spirit many Tibetans believe resides within the Dalai Lama We learn the origins of Buddhism and about the era of Great Tibetan Emperors whose reign stretched from southwestern China to Northern India His Holiness introduces us to Tibet s greatest yogis and meditation masters and explains how the institution of the Dalai Lama was founded Laird explores with His Holiness Tibet s relations with the Mongols the Golden Age under the Great Fifth Dalai Lama Tibet s years under Manchu overlords modern independence in the early twentieth century and the Dalai Lama s personal meetings with Mao just before His Holiness fled into exile in 1959 The Story of Tibet is a tenderly crafted study that is equal parts love letter traditional history and oral history Publishers Weekly Captivating reading Tricycle      **Tibetan Subjectivities on the Global Stage** Shelly Bhoil,Enrique Galvan-Alvarez,2018-11-08 Tibetan Subjectivities on the Global Stage Negotiating Dispossession explores the many ways Tibetans are reimagining their cultural

identity since the communist takeover of Tibet in the 1950s Focusing on developments taking place in Tibet and the diaspora this collection of essays addresses a wide range of issues at the heart of Tibetan modernity From the political dynamics of the exiled community in India to the production of contemporary Tibetan literature in the PRC the collection delves into various aspects of current significance for the Tibetan community worldwide such as the construction of Bon identity in exile the strategic use of the discourse of development or the issue of cultural and linguistic purity in an increasingly hybrid and globalized world Moving away from the preservationist paradigm that regards Tibetan culture as an endangered and precious object the essays in this book portray Tibetan identities in motion as lived subjectivities that travel change and creatively reimagine themselves on various global stages Even if recent Tibetan history is marked by imposed transitions and a sense of dispossession this collection highlights the ways Tibetans have not only managed traumatic historical events but also become agents of change and reinventors of their own traditions

**Into Tibet** Thomas Laird, 2007-12-01 A fascinating story of espionage that fills a blank space in the hidden history of the Cold War Houston Chronicle Into Tibet is the incredible story of a 1949-1950 American undercover expedition led by America's first atomic agent Douglas S Mackiernan a covert attempt to arm the Tibetans and to recognize Tibet's independence months before China invaded A Nepal-based American journalist reveals how the clash between the State Department and the CIA as well as unguided actions by field agents hastened the Chinese invasion of Tibet A gripping narrative of survival courage and intrigue among the nomads princes and warring armies of inner Asia Into Tibet rewrites the accepted history behind the Chinese invasion of Tibet A gripping tale The Washington Post

**Lhasa** Robert Barnett, 2010 There are many Lhasas One is a grid of uniform boulevards lined with plush hotels all night bars and blue glass-fronted offices Another is a warren of alleyways that surround a seventh-century temple built to pin down a supine demoness A web of Stalinist rectangular blocks houses the new nomenclature Crumbling mansions once home to noble ministers famous lovers nationalist spies and covert revolutionaries now serve as shopping malls and faux antique hotels Each embodiment of the city partakes of the others' memories whispered across time and along the city streets In this imaginative new work Robert Barnett offers a powerful and lyrical exploration of a city long idealized disregarded or misunderstood by outsiders Looking to its streets and stone Robert Barnett presents a searching and unforgettable portrait of Lhasa its history and its illegibility His book not only offers itself as a manual for thinking about contemporary Tibet but also questions our ways of thinking about foreign places Barnett juxtaposes contemporary accounts of Tibet architectural observations and descriptions by foreign observers to describe Lhasa and its current status as both an ancient city and a modern Chinese provincial capital His narrative reveals how historical layering popular memory symbolism and mythology constitute the story of a city Besides the ancient Buddhist temples and former picnic gardens of the Tibetan capital Lhasa describes the urban sprawl the harsh rectangular structures and the geometric blue glass tower blocks that speak of the anxieties of successive regimes intent upon improving on the past In Barnett's excavation of the city's past the

buildings and the city streets interwoven with his own recollections of unrest and resistance recount the story of Tibet's complex transition from tradition to modernity and its painful history of foreign encounters and political experiment

**The theatre of Tibet** Antonio Attisani, 2024-04-05T00:00:00+02:00 the theatrical culture of Tibet is probably the last to remain virtually unknown to the outside world and to the West in particular As well as describing the current situation of studies on Tibetan theatre the current volume also provides an essay on imagination and how it is concretely manifested by the Tibetan people and their actors Recent decades have seen radical change for Tibetan theatre and Lhamo now performed by a diaspora for whom a declining artistic and technical change derives from an uncertain politics concerning secular and popular culture as well as the ongoing cultural genocide caused by China's subjugation of Tibet

Kundun Mary Craig, 1998-09-02 Here is the story of Tibet as told by its remarkable first family a story of reincarnation coronation heartbreaking exile and finally the tenacious efforts of a holy man to save a nation and its people Kundun is the first work to focus on the Dalai Lama's family his parents four brothers and two sisters Particularly compelling are Mary Craig's portraits of the Dalai Lama's siblings who have negotiated with China on behalf of their country enlisted the aid of international allies to spearhead Tibetan Resistance and worked tirelessly to help thousands of sick and starving refugee children This remarkable book opens in 1933 with the death of the thirteenth Dalai Lama and the frantic effort among Tibetan authorities to find his reincarnation In their search for a baby boy displaying the characteristic marks of a Dalai Lama tiger striped legs wide eyes large ears and palms bearing the pattern of a sea shell officials were led to a tiny village in northeastern Tibet home of Lhamo Dhondup a smart stubborn toddler already known for his tantrums Responding calmly when a group of high lamas and dignitaries tested his memory of a previous life the child easily recognized a rosary walking stick and drum belonging to the thirteenth Dalai Lama In an instant this little boy and his entire family were swept into a world of unending ritual and complex internal politics Lhamo was installed as the fourteenth Dalai Lama at the age of three and was known from that point on as His Holiness or Kundun the Presence titles even his family members were obliged to use A few years later the young Dalai Lama and his family were faced with China's invasion of Tibet Living in exile since the late 1950s they have waged a decades long struggle for the freedom of their country Particularly compelling are Craig's portraits of the Dalai Lama's siblings who have negotiated with China on behalf of their country enlisted the aid of international allies to spearhead Tibetan Resistance and worked tirelessly to help thousands of sick and starving refugee children
