Meaning Of Star Trek:

The Meaning of Star Trek Thomas Richards,1997 Focusing primarily on the television series Star Trek the Next Generation Richards discusses the elements of the Star Trek series which enable it to successfully create a coherent universe including the political structure the psychology of individual characters the stories and myths the sense of religion and how and why the various parts fit together *Meaning in Star Trek* Karin Blair,1979 *The Real Meaning of Star Trek* Nicolas Michaud,2022-02-15 **The Meaning and Value of Spaceflight** William Sims Bainbridge,2014-08-12 This book presents the most serious and comprehensive study by far of American public perceptions about the meaning of space exploration analyzing vast troves of questionnaire data collected by many researchers and polling firms over a span of six decades and anchored in influential social science theories It doesn't simply report the percentages who held various opinions but employs sophisticated statistical techniques to answer profound questions and achieve fresh discoveries Both the Bush and the Obama administrations have cut back severely on fundamental research in space science and engineering Understanding better what space exploration means for citizens can contribute to charting a feasible but progressive course Since the end of the Space Race between the US and the USSR social scientists have almost completely ignored space exploration as a topic for serious analysis and this book seeks to revive that kind of contribution The author communicates the insights in a lucid style not only intelligible but interesting to readers from a variety of backgrounds **Intersecting Journeys** Ellen Badone,Sharon R. Roseman,2010-10-01 The appeal of sacred sites remains undiminished at the start of the twenty first century as unprecedented numbers of visitors travel to Lourdes Rome Jerusalem Santiago de Compostela and even Star Trek conventions Ethnographic analysis of the conflicts over resources and meanings associated with such sites as well as the sense of community they inspire provides compelling evidence re-emphasizing the links between pilgrimage and tourism As the papers in this collection demonstrate studies of these forms of journeying are at the forefront of postmodern debates about movement and centers global flows social identities and the negotiation of meanings Star Trek, the Visual Dictionary Paul Ruditis,2013 Voyage through a complete illustrated tour of the Star Trek TM Galaxy and explore the bridge of the U S S Enterprise TM Borg TM technology The Dominion War The Q Continuum and much more in Star Trek The Visual Dictionary Featuring the celebrated as well as infamous characters aliens starships and technology this stunning hardcover tome from DK shows the Star Trek Universe as you have never seen it before **Critical Dictionary of Film and Television Theory** Roberta Pearson,Philip Simpson,2005-12-08 The Critical Dictionary of Film and Television Theory clearly and accessibly explains the major theoretical approaches now deployed in the study of the moving image as well as defining key theoretical terms This dictionary provides readers with the conceptual apparatus to understand the often daunting language and terminology of screen studies Entries include audience Homi K Bhabha black cinema the body children and media commodification cop shows deep focus Umberto Eco the gaze Donna Haraway bell hooks infotainment master

Interpretation and Method Dvora Yanow, Peregrine Schwartz-Shea, 2015-03-04 Exceptionally clear and well written chapters provide engaging discussions of the methods of accessing generating and analyzing social science data using methods ranging from reflexive historical analysis to critical ethnography Reflecting on their own research experiences the contributors offer an inside applied perspective on how research topics evidence and methods intertwine to produce knowledge in the social sciences

Understanding Society and Natural Resources Michael J. Manfredo, Jerry J. Vaske, Andreas Rechkemmer, Esther A. Duke, 2014-06-11 In this edited open access book leading scholars from different disciplinary backgrounds wrestle with social science integration opportunities and challenges This book explores the growing concern of

how best to achieve effective integration of the social science disciplines as a means for furthering natural resource social science and environmental problem solving The chapters provide an overview of the history vision advances examples and methods that could lead to integration The quest for integration among the social sciences is not new Some argue that the social sciences have lagged in their advancements and contributions to society due to their inability to address integration related issues Integration merits debate for a number of reasons First natural resource issues are complex and are affected by multiple proximate driving social factors Single disciplinary studies focused at one level are unlikely to provide explanations that represent this complexity and are limited in their ability to inform policy recommendations Complex problems are best explored across disciplines that examine social ecological phenomenon from different scales Second multi disciplinary initiatives such as those with physical and biological scientists are necessary to understand the scope of the social sciences Too frequently there is a belief that one social scientist on a multi disciplinary team provides adequate social science representation Third more complete models of human behavior will be achieved through a synthesis of diverse social science perspectives
