Meaning In Midlife Transitions

Luis Antonio Rivera

Meaning In Midlife Transitions:

Meaning in Mid-Life Transitions Edmund A. Sherman, Professor Edmund Sherman, 1987-01-01 This book contributes to an understanding of the nature of mid life transitions and crises by focusing on the unique personal meaning of the transitional experience for the individual There is an implicit structure to the way in which such a transition is experienced by the individual and this can be made explicit by the techniques and methods of the approach outlined and illustrated in the book The value of making this structure explicit is that it enables us to understand and assess the nature and dimensions of the transition whether or not it will reach crisis proportions and to assess possible intervention strategies Meaning in Mid Life Transitions should be of interest to human service practitioners as well as teachers and students of human development and behavior It evidences an integrative approach and structural framework including a series of in depth clinical and research studies

THE VARIOUS PHASES AND ENCOUNTERS WITH TRANSITIONAL LIFE: Evaluating and Understanding each Experience in a Lifetime Luis Antonio Rivera, 2020-04-22 Seeking continuous improvement and ways to make an impact on society Dr Luis decided to further his academic career He started his masters from the Autonomous University of Mexico This greatly helped him in understanding how the society behaved and he developed a clear concept of in which direction he wished his career to head in Since excellence has no boundaries which inspired this great man to go beyond the mere boundaries of a master's degree He went further to earn not one but two PhD's in Psychology and Urbanism from the world renowned States of New York and California This enlightened him to fight for the rights of those who were unable to do so for themselves or were unaware of even having actual rights To highlights some of the achievements of Dr Luis Antonio Rivera Remained the mayor of the Municipal of Comerio in Puerto Rico from 1993 to 2000 Held a professional office in Puerto Rico A capable and acknowledged university professor Licensed as a Professional Planner in Puerto Rico and certified in the United States A writer of various books on topics pertaining to economics health self help politics and Urban planning Has been honored in various TV and Radio programs in Puerto Rico and the United States He is known as The defender of equality of Puerto Rico through the ideal of Statehood Other than that there is still much more to be said about the personality of this great man Dr Luis has been involved in numerous public service subjects such as The issue of public education and reforms it needs right now Fighting for the rights of special needs and how it has to be supported highlighted and promoted The development of poor communities by providing them with equal opportunities in terms of education and jobs and other fields of life Especially in the domain of equal rights for women Dr Luis has put a lot of efforts in this field and worked as an advocate for equal rights of women in Puerto Rico and outside as well Dr Luis has also dedicated a lot of efforts towards ensuring the fulfillment of services that people with physical disabilities and special needs are entitled to Throughout his life Dr Luis Antonio Rivera has been fighting for the right of those who couldn't do it themselves From being activist for people with special needs Dr Luis Rivera has dedicated his life for others to be the voice of justice and reason when there is no other

Meanings of Life Roy F. Baumeister, 1991-01-01 Who among us has not at some point asked what is the meaning of life In this extraordinary book an eminent social scientist looks at the big picture and explores what empirical studies from diverse fields tell us about the human condition MEANINGS OF LIFE draws together evidence from psychology history anthropology and sociology integrating copious research findings into a clear and conclusive discussion of how people attempt to make sense of their lives In a lively and accessible style emphasizing facts over theories Baumeister explores why people desire meaning in their lives how these meanings function what forms they take and what happens when life loses meaning It is the most comprehensive examination of the topic to date

Betwixt & Between Louise Carus Mahdi, Steven Foster, Meredith

Little,1987 *Between and Betwixt* offers new insights into the basic elements of initiations and rites of passage The absence of these traditional supports creates problems in the lives of those who are caught in the void and lack definite expectations at various times of their lives The chapters on masculine and feminine initiation provide new and creative concepts and practical possibilities for each of us Initiation has been a missing component in the modern world and needs to be re introduced with new understanding and consciousness

The Oxford Handbook of Reciprocal Adult Development and Learning Carol Hoare,2011-09-06 One of the Best Books of 2011 from the Center for Optimal Adult Development The fields of adult development and the study of learning have traditionally been considered separate with development falling under psychology and learning under education However recent ideas research and practices that have emerged in these fields of study effectively emphasize the inherent reciprocal relationship that exists between them advances in development frequently lead to learning and conversely learning almost necessarily fuels development In this second edition of *The Oxford Handbook of Reciprocal Adult Learning and Development* the synchronicity between development and learning is explored further as expert authors advance the latest theories to provide a rich foundation for this new area of study and practice for this interrelated field of study At the border of two disciplines this handbook focuses on the capacities of intelligence meta cognition insight self efficacy spirituality interpersonal competence wisdom and other key adult attributes as they relate to positive changes and personal growth in adults Contexts for development and learning e g the work role and environment are also addressed and mixed in throughout the volume are emanating implications for research practice and policy What emerges is a thoughtful handbook for all who promote optimal aging and is a must read for academics psychologists and practitioners in adult development
