with Introduction and commentary by**

Frances Muecke

Plautus Menaechmi A Companion To The Penguin Translation

Plautus

Plautus Menaechmi A Companion To The Penguin Translation:

Plautus: Menaechmi Plautus,1998-01-01 Menaechmi is a broad farce that makes use of the comic possibilities of mistaken identity Shakespeare adapted the plot for his Comedy of Errors but his is not the only adaptation made since the Renaissance Its neat plot and witty fast moving dialogue often speak for themselves Frances Muecke s Companion to E F Watling s translation concentrates on the finer points of detail and is particularly useful in its discussion of the dramatic and literary characteristics of Plautine comedy **Plautus** Frances Muecke,1987 **Sexual Symmetry** David Konstan,2014-07-14 In the Greek romances writes David Konstan sighs tears and suicide attempts are as characteristic of the male as of the female in distress ruses disguises and outright violence in defense of one s chastity are as much the part of the female as of the male Exploring how erotic love is represented in ancient amatory literature Konstan points to the symmetry in the passion of the hero and heroine as a unique feature of the Greek novel they fall mutually in love they are of approximately the same age and social class and their reciprocal attachment ends in marriage He shows how the plots of the novels are perfectly adapted to expressing this symmetry and how because of their structure they differ from classical epic elegy comedy tragedy and other genres including modern novels ranging from Sidney to Harlequin romances Using works like Chaereas and Callirhoe and Daphnis and Chloe Konstan examines such issues as pederasty the role of eros in both marital and nonmarital love and the ancient Greek concept of fidelity He reveals how the novelistic formula of sexual symmetry reverses the pattern of all other ancient genres where erotic desire appears one sided and unequal and is often viewed as either a weakness or an aggressive conquering power Konstan s approach draws upon theories concerning the nature of sexuality in the ancient world reflected in the work of Michel Foucault David Halperin and John Winkler Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Alexis: The Fragments W. Geoffrey Arnott,1996-09-12 This 1996 text was the first detailed commentary on the fragments remaining from the plays of the Greek comic poet Alexis c 375-270 BC **The Facts on File Companion to Classical Drama** John E. Thorburn,2005 Surveys important Greek and Roman authors plays characters genres historical figures and more **Comedy** N. J. Lowe,2008-09-11 Comedy offers a concise accessible guide to the study of Greek and Roman comedy in the light of current scholarship The Oxford Illustrated History of the Roman World John Boardman,Jasper Griffin,Oswyn Murray,2001-01-18 This book tells the story of the rise of Rome from its origins as a cluster of villages to the foundation of the Roman Empire by Augustus and its consolidation in the first two centuries AD It also discusses some aspects of the later Empire and its influence on western civilizations not least through the adoption of Christianity **The**

Oxford History of the Roman World John Boardman, Jasper Griffin, Oswyn Murray, 2001-09-27 In less than fifty three years Rome subjected most of the known world to its rule This authoritative and compelling work tells the story of the rise of Rome from its origins as a cluster of villages to the foundation of the Roman Empire by Augustus to its consolidation in the first two centuries CE It also discusses aspects of the later Empire and its influence on Western civilization not least of which was the adoption of Christianity Packed with fascinating detail and written by acknowledged experts in Roman history the book expertly interweaves chapters on social and political history the Emperors art and architecture and the works of leading Roman poets historians and philosophers Reinforcing the book s historical framework are maps diagrams a useful chronology and a full bibliography Taken as a whole this rich work offers an indispensable resource on the history of one of the world s greatest empires
