The power basis of Yeltsin's and Putin's regimes

Anton Steen

Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes

Heinrich Best, John Higley

Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes:

Political Elites and the New Russia Anton Steen,2004-06-01 Political Elite and the New Russia convincingly argues that although reforms in Russia have been initiated by those close to the President in fact local and national elites have been the crucial strategic actors in reshaping Russia s economy democratising its political system and decentralising its administration This book analyses the role of elites under Yeltsin and Putin discussing the extent to which they form a coherent political culture and how far this culture has been in step with or at odds with the reform policies of the Kremlin leadership *Television and Presidential Power in Putin's Russia* Tina Burrett,2010-12-14 As a new president takes power in Russia this book provides an analysis of the changing relationship between control of Russian television media and presidential power during the tenure of President Vladimir Putin It argues that the conflicts within Russia s political and economic elites and President Putin s attempts to rebuild the Russian state after its fragmentation during the Yeltsin administration are the most significant causes of changes in Russian media Tina Burrett demonstrates that President Putin sought to increase state control over television as part of a larger programme aimed at strengthening the power of the state and the position of the presidency at its apex and that such control over the media was instrumental to the success of the president s wider systemic changes that have redefined the Russian polity The book also highlights the ways in which oligarchic media owners in Russia used television for their own political purposes and that media manipulation was not the exclusive preserve of the Kremlin but a common pattern of behaviour in elite struggles in the post Soviet era Basing its analysis predominately on interviews with key players in the Moscow media and political elites and on secondary sources drawn from the Russian and Western media the book examines broad themes that have been the subject of constant media interest and have relevance beyond the confines of Russian politics **Elites and Democratic Development in Russia** Vladimir Gel'man,Anton Steen,2003-09-02 Investigates how elites have affected democratic development in Russia and how they influence the consolidation of the emerging political regime and post communist patterns of behaviour and attitudes

The Palgrave Handbook of Political Elites Heinrich Best,John Higley,2017-11-08 This handbook presents a comprehensive view of the current theory and research surrounding political elites which is now a pivotal subject for academic study and public discourse In 40 chapters by leading scholars it displays the field s richness and diversity The handbook is organized in six sections each introduced by a co editor focusing on theories about political elites methods for studying them their main structural and behavioral patterns worldwide the differentiation and integration of political elite sectors elite attributes and resources and the dilemmas of political elites in this century Forty years since Robert Putnam s landmark *Comparative Study of Political Elites* this handbook is an indispensable resource for scholars and students engaged in the study of this vibrant field **Education and the Politics of Memory in Russia and Eastern Europe** Sergey Rumyantsev,2025-01-21 This book examines both formal and extracurricular education and the politics of memory and

historical narratives in Armenia Azerbaijan Russia and Ukraine The misalignment between memory politics and history politics forms a central theme of this book Structured in three parts it focuses on school education in the post Soviet states over the 30 years between the collapse of the Soviet Union and the 2022 Russian invasion of Ukraine The chapters inquire as to how post Soviet school education politics of memory and history politics became active participants in the production of state approved ideology patriotism and a state prescribed understanding of the national past Armed conflicts in the territory of the former USSR not only saw numerous victims and refugees but also the emergence of new borders and unrecognized de facto states and the annexation of territories They also contributed to the creation of new sites of memory generated their own traditions of commemoration for the heroes and victims of these confrontations and led to the reconstruction of historical narratives and the construction of new national myths The research in this book foregrounds how the nationalization of the public space and the reconstruction of national historical narratives in the independent states reflect a desire to monopolize the power to interpret the past with low tolerance of alternative accounts In this light the book covers issues such as the nation state Sovietization national history creation memory politics religion mass media nationalism and patriotism and analyzes the relationship of Azerbaijani and Armenian Russian and Ukrainian societies with their histories and pasts A novel study on the topic of memory and history writing this is a timely contribution to the field of Post Soviet history and Russian and Eastern European Studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Role of Local Political Elites in East Central Europe Roxana Marin, 2021-03-29 How does the elite continue to affect the evolution of local communities in the developing region of former Sovietized Europe This book is concerned with the issue of local leadership in the countries of East Central Europe It is an attempt to examine with a comparative method the profile and the role of the local political elites members of the Municipal Councils in six towns in six transitional democracies of the region *Federalism and Local Politics in Russia* Cameron Ross, Adrian Campbell, 2008-10-27 With articles by a high quality set of contributors including Richard Sakwa Darrell Slider and Vladimir Gelman this book explores the increasingly authoritarian character of Putin's rule especially in his second term since 2004 **The Return of Ideology** Cheng Chen, 2016-07-06 As Russia and China leave communism behind they struggle to forge a new political ideology for a new era **Post-Soviet Civil Society** Anders Uhlin, 2006-03-20 The development of civil society has varied greatly across the former Soviet Union The Baltic states have achieved a high level of integration with the West and European Union membership while some regions in Russia lag far behind Now for the first time there is a comparative study of civil society and democratization across post Soviet national borders Acknowledging the enormous variation throughout the region the book offers unique data on developments in Russia Estonia Latvia and Lithuania Applying an innovative analytical framework derived from theories of democratization civil society social movements and transnational relations the researchers have

formulated broader comparisons and generalisations without neglecting the specific post Soviet context The book provides a systematic comparison across sectors as well as nations and includes chapters on NGOs the state and conflict and transnationalisation Quantitative survey data is combined with qualitative interviews and case study research to both confirm previous findings about the weakness of post communist civil society and to qualify previous research **Public Policy and**

the New European Agendas Fergus Carr, Andrew Massey, 2006-01-01 This broad and all encompassing study focuses on Europe's new policy agendas It brings together international academic experts on a range of policies to discuss Europe's place in the world and its relationship to the USA and beyond This book concentrates on two key themes of particular salience for policy makers the enlargement of the EU and the place of Europe in international politics An expansive list of important policy areas within these themes is explored including enlargement political and constitutional implications and international socialization of central and eastern Europe Europe and the USA security and defence policy trade finance and development institutional development and external relations in justice and home affairs before and after September 11 international terrorism EU immigration and asylum and borders policy human rights and civil rights agriculture environmental policy and regional policy pensions and ageing in Europe This book constitutes a major contribution to achieving a deeper understanding of European integration and the barriers to integration within the context of global and multi level governance As such it will be of enormous interest to an extensive audience including academics researchers students policy makers and practitioners in the fields of political studies international relations public policy European studies US studies and security studies Can Russia Modernise? Alena V. Ledeneva, 2013-02-14 In this original bottom up account of the evolution of contemporary Russia Alena Ledeneva seeks to reveal how informal power operates Concentrating on Vladimir Putin's system of governance referred to as *sistema* she identifies four key types of networks his inner circle useful friends core contacts and more diffuse ties and connections These networks serve *sistema* but also serve themselves Reliance on networks enables leaders to mobilise and to control yet they also lock politicians bureaucrats and businessmen into informal deals mediated interests and personalised loyalty This is the modernisation trap of informality one cannot use the potential of informal networks without triggering their negative long term consequences for institutional development Ledeneva's perspective on informal power is based on in depth interviews with *sistema* insiders and enhanced by evidence of its workings brought to light in court cases enabling her to draw broad conclusions about the prospects for Russia's political institutions **Popular Geopolitics and Nation Branding in the Post-Soviet Realm** Robert A. Saunders, 2016-07-07

This seminal book explores the complex relationship between popular geopolitics and nation branding among the Newly Independent States of Eurasia and their combined role in shaping contemporary national image and statecraft within and beyond the region It provides critical perspectives on international relations nationalism and national identity through the use of innovative approaches focusing on popular culture new media public diplomacy and alternative narrators of the nation

By positing popular geopolitics and nation branding as contentious forces and complementary flows the study explores the tensions and elisions between national self image and external perceptions of the nation and how this complex interplay has become integral to contemporary global affairs Socializing Democratic Norms T. Flockhart, 2005-01-31 This volume offers a timely and important study on how norms are transferred from the international into the domestic domain through processes of socialization It seeks to understand the process of change in post Cold War Europe from a divided continent into a community with a common identity based on shared values and ideas It also offers an explanation for why the process of change has occurred easily in some countries and with more difficulty or not at all in others **Excessive Loyalism in**

Putin's Authoritarian Regime Alexander Libman, 2025-09-26 This book provides new insights into how excessive loyalism hinders Russia's authoritarian government When Russian bureaucrats diplomats and academics go to great lengths to display their loyalty to the regime in Moscow many observers regard it as a show of regime's strength Yet where this results in overcompliance excessive praise or needlessly aggressive rhetoric it becomes a source of weakness not only alienating citizens at home and irritating allies abroad but even contributing to costly strategic mistakes such as Russia's full scale invasion of Ukraine The book engages with an intractable dilemma facing the regime it cannot punish these actors for being too loyal but it also cannot allow such expressions of loyalty to break the boundaries it sets The author helps explain why the regime has repeatedly stunned the international community with unexpected political moves and in several cases become its own worst enemy In doing so he illuminates many of the dynamics through which sycophancy undermines authoritarian governments across the world The book addresses a broad array of manifestations of excessive loyalism and sycophancy in Russia from rude and offensive comments of bureaucrats to rhetorical dissonance in the foreign policy to politically motivated rhetoric in the Russian academia It combines quantitative and qualitative tools to study sycophancy empirically and develops a theory of excessive loyalism which is applicable well beyond the Russian case Alexander Libman is Professor of Russian and East European Politics at the Freie Universität Berlin Germany His main research interests include comparative politics of authoritarian regimes Russian politics historical legacies of authoritarianism and authoritarian cooperation in the post Soviet Eurasia His work has been published among others in the American Political Science Review Comparative Political Studies World Politics Perspectives on Politics and British Journal of Political Science **Putin's Russia** Stephen K. Wegren, 2015-07-16 Now in a thoroughly revised expanded and updated sixth edition this classic text provides the most authoritative and current analysis available of the challenges facing Russia today Leading scholars explore the daunting domestic and international problems confronting Putin Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic political foreign policy and social issues Putin has his own approach for dealing with the myriad problems facing Russia emphasizing recentralization of power and a strong state He has returned to power amid unresolved policy issues both domestically and from the international

community Only by understanding these concerns and previous efforts to deal with them will it be possible to understand the country's trajectory Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia Contributions by Alfred Evans Kathleen J Hancock Timothy Heleniak Kathryn Hendley Dale R Herspring Janet Elise Johnson Taylor Ren Lane Maria Lipman Jeffrey Mankoff Alexander M Nikulin Alexandra Novitskaya Nikolai Petrov Thomas F Remington Richard Sakwa Louise Shelley Darrell Slider Pekka Sutela Andrei P Tsygankov Stephen K Wegren

The Culture of the Second Cold War Richard Sakwa, 2025-02-04 The work examines the metapolitics of the Second Cold War The focus is less on the detailed analysis of diplomatic history and processes in international politics and more on the underlying attitudes and ideologies that have generated and sustained Cold War 2 The work examines the definition of a Cold War and reasons for the persistence of this form of international politics as well as the clash over interpretations of the causes of renewed conflict The work then looks at how this Cold War is being conducted including renewed militarism the suppression of dissent the decline of diplomacy and the reduced opportunities for dialogue The instruments of the Cold War 2 include sanctions and the reinterpretation of history and memory wars Many of the familiar methods drawn from Cold War 1 are now applied but in novel ways to reflect technological change as well as the different ideological contexts The position of the global South in this Cold War is examined and the work ends with some reflections on possible ways this Cold War could end

Russia's Gamble Vladimir Gel'man, 2025-06-09 In February 2022 Russia launched a full scale military assault on Ukraine aimed at re-establishing Russian control over the Ukrainian state economy and society similar in many ways to the Soviet period This goal however was not achieved and most likely will not be achieved in the future Rather the Russian special military operation has resulted in extraordinary disasters and losses for Russia for Ukraine and for the entire world This book examines the origins of the Russian assault on Ukraine and offers an explanation of why it has not achieved its aims Why did Russian elites and leaders propose prepare for and implement the assault on Ukraine in such a poorly prepared and heavily destructive way In seeking to answer these questions Gel'man focuses on Russia's domestic agenda and its dynamics after the collapse of the Soviet Union The personalist nature of the Russian authoritarian political regime its vulnerability to bad governance major misperceptions by the Russian elites and leadership and reliance of the Kremlin upon previous experience of Russian impunity were all key factors that led to Russia's fateful decision to attack Ukraine and have continued to shape Russia's mistake ridden conduct of the war since then Gel'man also considers what lessons can be learned from Russia's military assault for understanding the global agenda and for the study of domestic and international politics in the twenty first century This book written by a leading expert on Russian politics will be of great value to students and scholars in politics and to anyone interested in Russia and in the causes and consequences of the war against Ukraine

Russia's War Against Ukraine Gwendolyn Sasse, 2023-09-14 On 24 February 2022 Russia launched a full scale invasion of Ukraine giving rise to the deadliest conflict on European soil since the Second World War How could

this happen in twenty first century Europe Why did Putin decide to escalate Russia s war against Ukraine a war which began with Russia s annexation of Crimea in 2014 In this timely book Gwendolyn Sasse analyses the background to this war and examines the factors that led to Putin s fateful decision She retraces the history of Ukraine s struggle for independence from Russia and shows how democratic developments in Ukraine had become a risk for Russia s political system She also shows that ambiguous Western policy towards Russia encouraged elites in the Kremlin to think that they had more room for action than they did The result is a brilliant analysis of the background to the war a concise account of the course of the war itself and a timely reflection on what its consequences will be for Ukraine for Russia and for the West An indispensable book for anyone who wants to understand the most dangerous conflict of our time [The Soviet and Post-Soviet Review](#) ,2007

Contemporary Russian Politics Neil Robinson,2019-04-16 Vladimir Putin s return to the Kremlin for a fourth presidential term in 2018 has seen Russian democracy weaken further and Russia s relations with the West deteriorate seriously Yet within Russia Putin s position remains unchallenged and his foreign policy battles have received widespread public support But is Putin as safe as his approval ratings lead us to believe And how secure is the regime that he heads In this new book Neil Robinson places contemporary Russian politics in historical perspective to argue that Putin s regime has not overcome the problems that underpinned the momentous changes in twentieth century Russian history when the country veered from tsarism to Soviet rule to post communist chaos The first part of the book outlining why crises have been perennial problems for Russia is followed by an exploration of contemporary Russian political institutions and policy to show how Putin has stabilised Russian politics But while Putin s achievements as a politician have been considerable in strengthening his personal position they have not dealt successfully with the enduring problem of the Russian state s functionality Like other Russian rulers Putin has been much better at establishing a political system that supports his rule than he has at building up a state that can deliver material wealth and protection to the Russian people As a result Robinson argues Russia has been and remains vulnerable to political crisis and regime change

Right here, we have countless book **Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes** and collections to check out. We additionally allow variant types and after that type of the books to browse. The up to standard book, fiction, history, novel, scientific research, as competently as various additional sorts of books are readily easily reached here.

Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes Introduction

Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes Offers a diverse range of free eBooks across various genres. Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes, especially related to Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps

to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes books or magazines might include. Look for these in online stores or libraries. Remember that while Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes eBooks, including some popular titles.

FAQs About Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes is one of the best book in our library for free trial. We provide copy of Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes. Where to download Political Elites And The New Russia The Power Basis Of Yeltsins And Putins

Regimes online for free? Are you looking for Political Elites And The New Russia The Power Basis Of Yeltsins And Putins Regimes PDF? This is definitely going to save you time and cash in something you should think about.
