Politics And Foreign Policy In Australia The Impact Of Vietnam And Conscription:

Politics and Foreign Policy in Australia Henry Stephen Albinski, 1970 **Australia's Pursuit of an Independent Foreign Policy under the Whitlam Labor Government** Changwei Chen, 2023-08-11

Examining a series of episodes in Australia's foreign relations under Whitlam the author pays attention to a broad range of hitherto insufficiently researched domestic and international issues in Australia's foreign relations of the early 1970s. The election of the Whitlam led Labor Government in December 1972 ushered in fresh ideas and audacious initiatives in Australia's foreign policy. Whitlam's approach was shaped by a vision of taking Australia forward to its rightful and independent place in the future of the Asia Pacific region. They range from immigration policy and the abolition of appeals from Australian Courts to the Privy Council to such major international issues as the Anglo American base in Diego Garcia, French nuclear testing in the Pacific and the Five Power Agreement with respect to Malaysia and Singapore. He demonstrates how the pursuit of foreign policy independence repeatedly placed the Whitlam Government in a position wedged in between Australia's traditional allies and the Third World and how it navigated Australia's national interests on a series of dilemma situations involving conflicting strategic interests between Australia and its traditional allies and those between major powers and the non-aligned countries. The analysis presented in this book contributes to not only historical literature on the subject but also the understanding of how a middle power like Australia can navigate intensifying great power rivalry. Essential reading for scholars of Australian foreign policy as well as being an invaluable case study of middle power diplomacy in the Asia Pacific region.

Australian Foreign Policy Michael O'Keefe, 2023-08-10

How does Australia's unique geographical, cultural and historical position influence its approach to foreign policy? What key challenges does Australia face on the world stage and how can it overcome them? Reflecting the messy reality of foreign policy decision making, this book helps you to understand the changes and continuities in Australia's approach. For example, does the US withdrawal from Vietnam in 1973 and the collapse of South Vietnam continue to cast a shadow over Australian foreign policy or is it relevant only in understanding the dynamics of the cold war? Using an Australian Strategic Culture framework, O'Keefe sheds light on the characteristics that make Australia behave in a way different to any other country and equips you with analytic skills to understand the main debates such as: In what sense could Australia be seen as a good international citizen? Have national interests trumped global responsibilities? How does the intersection between civil society and public opinion interact with foreign policy making? This book is essential reading if you are a student of Australian foreign policy as well as of broader Australian domestic politics and international relations.

Australian Public Opinion, Defence and Foreign Policy Danielle Chubb, Ian McAllister, 2020-10-28

This book examines the impact of Australian public opinion towards defence and foreign policy from the mid twentieth century to the present day. For most of this period the public showed little interest in defence and security policy and possessed limited knowledge about the strategic options available. The principal post-war exception to this pattern is of course the Vietnam War when political

divisions over Australia's support for the U S led action eventually resulted in the withdrawal of troops in 1972 The period since 2001 has seen a fundamental change both in the public's views of defence and foreign affairs and in how these issues are debated by political elites This has come about as a result of major changes in the strategic environment such as a heightened public awareness of terrorism party political divisions over Australia's military commitment to the 2003 11 Iraq War and the increasing overlap of economic and trade considerations with defence and foreign policies which has increased the public's interest in these issues Combining the expertise of one of Australia's foremost scholars of public opinion with that of an expert of international relations particularly as pertains to Australia in Asia this book will be a critical read for those wishing to understand Australia's alliance with the U S interactions with Asia and China and the distinctive challenges posed to Australia by its geographic position *Australian Soldiers in South Africa and Vietnam* Effie

Karageorgos, 2016-03-24 The South African and Vietnam Wars provoked dramatically different reactions in Australians from pro British jingoism on the eve of Federation to the anti war protest movements of the 1960s In contrast the letters and diaries of Australian soldiers written while on the South African and Vietnam battlefields reveal that their reactions to the war they were fighting were surprisingly unlike those on the home fronts from which they came *Australian Soldiers in South Africa and Vietnam* follows these combat men from enlistment to the war front and analyses their words alongside theories of soldiering to demonstrate the transformation of soldiers as a response to developments in military procedure as well as changing civilian opinion In this way the book illustrates the strength of a soldier's link to their home front lives

Australian Foreign Policy in Asia Allan Patience, 2017-12-12 This book sets out to discuss what kind of middle power Australia is and whether its identity as a middle power negatively influences its relationship with Asia It looks at the history of the middle power concept develops three concepts of middle power status and examines Australia's relationships with China Japan and Indonesia as a focus It argues that Australia is an awkward partner in its relations with Asia due to both its historical colonial and discriminatory past as well its current dependence upon the United States for a security alliance It argues this should be changed by adopting a new middle power concept in Australian foreign policy ANZUS in revision : changing defense features of Australia and New Zealand in the mid-1980s , **The Struggle Against the Bomb** Lawrence

S. Wittner, 1993 This is the opening volume in a comprehensive history of the global movement against the development possession and use of nuclear weapons *Melbourne Journal of Politics* , 1973 **Professional Journal of the United States Army** , 1974 *Australia, New Zealand, and the Pacific Islands since the First World War* William S. Livingston, Wm. Roger Louis, 2014-09-12 Three forces dwindling British power rising American influence and nationalism in a variety of forms have transformed Australia New Zealand and the adjacent islands since 1919 In this volume some of the most distinguished scholars of the Pacific region assess these significant historical changes These essays deal with international relations politics changing social structures and literature since World War I The themes of the volume as a whole are social and

humanistic they concern the evolution of both a regional identity and separate national identities in the Southwest Pacific The unique areal and thematic concentration of this book makes it essential reading for all those interested in the history politics and culture of the Pacific Vietnam 1964-1973 : an American dilemma. , Constructing National Identity in Canadian and Australian Classrooms Stephen Jackson,2018-06-06 This book explores the evolution of Canadian and Australian national identities in the era of decolonization by evaluating educational policies in Ontario Canada and Victoria Australia Drawing on sources such as textbooks and curricula the book argues that Britishness a sense of imperial citizenship connecting white Anglo Saxons across the British Empire continued to be a crucial marker of national identity in both Australia and Canada until the late 1960s and early 1970s when educators in Ontario and Victoria abandoned Britishness in favor of multiculturalism Chapters explore how textbooks portrayed imperialism the close relationship between religious education and Britishness and efforts to end assimilationist Anglocentrism and promote equality in education The book contributes to British World scholarship by demonstrating how decolonization precipitated a massive search for identity in Ontario and Victoria that continues to challenge educators and policy makers today **Supplement to Vietnam 1964-1973** ,2005 **A Military History of Australia** Jeffrey Grey,1999-06-28 This book represents an expanded edition of one of the most acclaimed overviews of Australian military history available A Military History of Australia covers the major theatres of war in which Australia was engaged from Gallipoli to the Gulf War with particular attention to the Second World War and the war in the Pacific Yet the author extends the story back to the Australian colonies when the military were not only sent overseas to assist Britain in colonial wars but when armed conflict took place on Australian soil between indigenous Australians and the European settlers In addition the book discusses the evolution of defence policy in peace and war and the impact of war and the military on civilian society It maps the development of the Australian armed forces as institutions and the relationship of military policy to civil government The author considers the role war played in the development of Australian society and the Australian ethos *Supplement to Vietnam 1964-1973* Elwood L. White,2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist

International Journal ,1972 *Harold Holt* Ross Walker,2022-08-30 A revelatory biography of Harold Holt the prime

minister who helped create modern Australia Harold Holt was a pivotal prime minister in Australian history Ambitious modern and telegenic he helped bring his party and nation into the late twentieth century following the Menzies years Nowhere was Holt s legacy more significant than in the 1967 referendum and in helping to end the White Australia policy At the same time as the Vietnam War raged Holt dramatically increased Australian troops telling President Lyndon B Johnson in 1966 that Australia was all the way with LBJ In this evocative intimate and deeply researched biography Ross Walker captures the worlds in which Holt moved and the people who were close to him He reveals a popular gentle yet at times self destructive man whose tendency to always go one step further would have fatal consequences This is a strikingly original portrait of Australia s seventeenth prime minister A beautifully told story of a fascinating Australian life and a tragic prime ministership not only in its bizarre end but in the entanglement of an amiable easygoing man in poisonous political rivalry and a brutal and contentious war in Vietnam Frank Bongiorno **A Nation at War** P. G. Edwards, Peter Edwards, 1997 A considered and balanced interpretation of the public debate over Australian involvement in the Vietnam War Labour Traditions Julie Kimber, Phillip Deery, Verity Archer, Nikola Balnave, Anne Beggs Sunter, Paul Williams, Peta Belic, Robert Bollard, Verity Burgmann, Rowan Cahill, Frank Cain, Robert Corcoran, Drew Cottle, Angela Keys, Jacqueline Dickenson, Tony Duras, Tim Dymond, Nick Dyrenfurth, Peter Franks, Ian Harriss, Bill Robbins, Stephen Holt, Terry Irving, Tommy Khoshaba, Michael Lyons, Laurence W Maher, Max Ogden, Bobbie Oliver, Mikael Ottosson, Calle Johan Rosengren, Geoff Robinson, Joanne Scott, Kathryn Steel, Jonathan Strauss, Fay Woodhouse, 2007-07-01 The 10th National Labour History Conference held at the University of Melbourne on 4-6 July 2007 centred around the broad theme of Labour Traditions the conference offered papers talks and forum discussions on a range of topics involving presentations from leading scholars reflective activists and those who are still making our collective history as they speak John Faulkner Robert Ray John Cain and Wally Curran spoke at a forum on how the labour movement has conducted its internal debates over issues large and small Terry Irving organised a session on Popular Movements for Democracy in Early Australia Verity Burgmann assembled some very engaging speakers to commemorate the centenary of the founding of the IWW in Australia Phillip Deery organised an impressive array of people to talk and argue about the Cold War The blend of scholarly research and direct engagement in the field is reflected in the presentations on workplace health and safety by Yossi Berger Ray Markey Greg Patmore and Bill Shorten In addition to sessions on these special topics there were numerous informative and engaging presentations on individual subjects ranging from Bobbie Oliver on apprenticeship systems to Paddy Garrity on trade unions and the arts Here you will find the papers and abstracts from this conference Julie Kimber Peter Love and Phillip Deery eds Labour Traditions Proceedings of the tenth national labour history conference held at the University of Melbourne ICT Building Carlton Victoria Australia 4-6 July 2007 Australian Society for the Study of Labour History Melbourne 2007 ISBN 978 0 9803883 1 2 pp iii
