Politics And History In The Soviet Union:

Politics and history in the Soviet Union Nancy Whittier Heer, 1973 Rethinking the Soviet Experience Stephen F. Cohen, 1986-01-16 In this wide ranging and provocative book Stephen F Cohen cuts through Cold War stereotypes of the Soviet Union to arrive at fresh interpretations of that country's traumatic history and its present day political realities Cohen's lucidly written revisionist analysis reopens an array of major historical questions As he probes Soviet history society and politics Cohen demonstrates how this country has remained stable during its long journey from revolution to conservatism It the process he suggests more enlightened approaches to American Soviet relations Based on the author's many years of study and research including numerous visits to the USSR this book is essential reading for anyone interested in the state of world affairs today **The Uses of History** Alexander Dallin, 2009 Exploring Soviet and Russian history politics and foreign policy The Uses of History brings together the classic essays of renowned scholar Alexander Dallin The author provides insightful analysis and nuanced interpretations of such key and controversial issues as the domestic sources of Soviet foreign policy Stalin's leadership in World War II Russian American relations in the Reagan era the causes of the collapse of the USSR and the disappointments of Russia's post Soviet evolution With his incisive assessment of the biases and blunders in American interpretations Dallin rejects single factor explanations for Soviet and Russian domestic and foreign policies instead examining the complex interplay of internal and external conditions institutions mindsets and the role of individual leaders All readers interested in Soviet and post Soviet history will find this collection a stimulating and deeply knowledgeable resource **Politics and the Soviet Union** Mary McAuley, 1977 An introductory analysis of the political system in the USSR **A History of the Soviet Union** Geoffrey A. Hosking, 1985 **The Soviet Union in World Politics** Kurt London, 2022-12-28 The Soviet Union in World Politics first published in 1980 looks at the change in direction of Soviet foreign policy away from world revolution in the 1970s Examining the impact of Soviet policies and actions on key nations and regions throughout the world and highlighting their significance as agents for change in the international arena the authors present an overview of world politics as well as an in depth study of Soviet international behaviour The Soviet High Command: A Military-Political History, 1918-1941 John Erickson, 2013-07-04 An objective and documentary history of the earliest origins and formative years of the Workers Peasants Red Army from the Civil War to the initial disasters of the war with Germany the Great Patriotic War culminating in the battle for Moscow in November December 1941

Understanding Soviet Politics Cyril E. Black, 2020-06-07 To what extent did the Russian revolution of 1917 bring about the changes wanted by the Bolsheviks Why did many of these changes fail to materialize How has the Russian heritage adapted to the challenges facing all modernizing societies What does Russia's past tell us about the present role of the USSR in world affairs In this collection of essays which includes new part and chapter introductions Dr Black discusses these questions examining the major issues that shape our understanding of Soviet politics Beginning with a general exploration of

the ways the traditional heritage of the Russian empire has both helped and hindered the adaptation of Soviet society to the contemporary world he illustrates the extent to which the Russian empire was already evolving into a modern society before World War I The author analyzes the modernization of the USSR emphasizing the interaction of tradition and modernity and the ways the Russian heritage of institutions and values has been adapted since 1861 to the needs of political development economic growth and social integration Comparisons are made with a wide range of societies first in 1967 the fiftieth anniversary of the Russian revolution and again in the 1980s The book considers the past and present relations of Russia USSR with the outside world in the context of universal societal changes Dr Black discusses such questions as the differences between the foreign policy objectives of Czarist Russia and the Soviet Union the degree to which Russia USSR has been able to influence other countries through means other than military power and drawing on his experience in Bulgaria the origins of the cold war The book concludes with Dr Black s personal interview with Nikita Khrushchev a discussion that provides rare insights into the thought processes of a leading Soviet statesman at the height of his power

The Rise and Fall of the Soviet Union Martin McCauley, 2014-01-14 An expert in probing mafia type relationships in present day Russia Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin John Keep Professor Emeritus University of Toronto The birth of the Soviet Union surprised many its demise amazed the whole world How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 Marxism promised paradise on earth but the Communist Party never had true power instead allowing Lenin and Stalin to become dictators who ruled in its name The failure of the planned economy to live up to expectations led to a boom in the unplanned economy in particular the black market In turn this led to the growth of organised crime and corruption within the government The Rise and Fall of the Soviet Union examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics Including first person accounts anecdotes illustrations and diagrams to illustrate key concepts McCauley provides a seminal history of twentieth century Russia

China: A Political History, 1917-1980 Richard C. Thornton, 2019-08-27 It is the purpose of this work to provide an integrated analytical framework that will serve as a guide to further study of the vast and complex subject of Chinese Communist politics The outpouring of materials from U S Soviet Chinese Communist and Chinese Nationalist sources in recent years has greatly enriched our fund of knowledge about China For the historian of Chinese politics the new data have provided answers to hitherto unresolved problems and raised questions about seemingly settled issues Although it is now possible to piece together the main outlines of the struggle for power in China obviously no single volume can presume to encompass all aspects of the story
