*Materialist Feminism and the Politics of Discourse* Rosemary Hennessy, 2012-10-11 *Materialist Feminism and the Politics of Discourse* confronts the impasses in materialist feminist work on rethinking woman as a discursively constructed subject The book looks at the problem of examining critically the social dimensions on which theories of discourse are premised how such theories understand materiality the relation between women s experience and feminist politics and that between history and discourse Rosemary Hennessy considers the work of Kristeva Foucault Laclau and Mouffe and argues for a materialist feminist re articulation of discourse as ideology Concerns over identity and difference are incorporated into a rewriting of materialist feminism s analysis of women s oppression across capitalist and patriarchal structures In adapting postmodernist

theories in this way Hennessy develops a project of social change where feminism while maintaining its specificity is necessarily aligned with other emancipatory movements

**Neo-slave Narratives** Ashraf H. A. Rushdy, 1999 *NeoSlave Narratives* is a study in the political social and cultural content of a given literary form the novel of slavery cast as a first person slave narrative After discerning the social and historical factors surrounding the first appearance of that literary form in the 1960s *NeoSlave Narratives* explores the complex relationship between nostalgia and critique while asking how African American intellectuals at different points between 1976 and 1990 remember and use the site of slavery to represent the crucial cultural debates that arose during the sixties

**Cultural Materialism** Christopher Prendergast, 1995 The work of Raymond Williams is of seminal importance in the culture and knowledge industry He is widely regarded as one of the founding figures of international cultural studies In tribute to his legacy this edited volume is devoted to his theories of cultural materialism and is the first major collection of essays on his work to be offered since his death in 1988 For all readers grappling with Williams's complex legacy this volume is not to be missed

**Anarchist Seeds Beneath the Snow** David Goodway, 2006-01-01 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history This work seeks to recover that indigenous anarchist tradition It argues that a recovered anarchist tradition could be a touchstone for contemporary political radicals

**Politics of Culture in Iran** Nematollah Fazeli, 2006-08-21 This first full length study of the history of Iranian anthropology charts the formation and development of anthropology in Iran in the twentieth century The text examines how and why anthropology and culture became part of wider socio political discourses in Iran and how they were appropriated and rejected by the pre and post revolutionary regimes The author highlights the three main phases of Iranian anthropology corresponding broadly to three periods in the social and political development of Iran the period of nationalism lasting approximately from the constitutional revolution 1906-11 and the end of the Qajar dynasty until the end of Reza Shah's reign

1941 the period of Nativism from the 1950s until the Islamic revolution 1979 the post revolutionary period In addition the book places Iranian anthropology in an international context by demonstrating how Western anthropological concepts theories and methodologies affected epistemological and political discourses on Iranian anthropology *Cold War Culture* Jim Smyth,2016-04-04 Britain in the 1950s had a distinctive political and intellectual climate It was the age of Keynesianism of welfare state consensus incipient consumerism and to its detractors the so called Angry Young Men and the emergent New Left a new age of complacency While Prime Minister Harold Macmillan famously remarked that most of our people have never had it so good the playwright John Osborne lamented that there aren't any good brave causes left Philosophers political scientists economists and historians embraced the supposed end of ideology and fetishized value free technique and analysis This turn is best understood in the context of the cultural Cold War in which ideology served as shorthand for Marxist but it also drew on the rich resources and traditions of English empiricism and a Burkean scepticism about abstract theory in general Ironically cultural critics and historians such as Raymond Williams and E P Thompson showed at this time that the thick catalogue of English moral aesthetic and social critique could also be put to altogether different purposes Jim Smyth here shows that despite being allergic to McCarthy style vulgarity British intellectuals in the 1950s operated within powerful Cold War paradigms all the same Modern Criticism and Theory Nigel Wood,David Lodge,2014-06-11 This third edition of *Modern Criticism and Theory* represents a major expansion on its previous incarnations with some twenty five new pieces or essays included This expansion has two principal purposes Firstly in keeping with the collection's aim to reflect contemporary preoccupations the reader has expanded forward to include such newly emergent considerations as ecocriticism and post theory Secondly with the aim of presenting as broad an account of modern theory as possible the reader expands backwards to take in exemplary pieces by formative writers and thinkers of the late nineteenth and early twentieth centuries such as Marx Freud and Virginia Woolf This radical expansion of content is prefaced by a wide ranging introduction which provides a rationale for the collection and demonstrates how connections can be made between competing theories and critical schools The purpose of the collection remains that of introducing the reader to the guiding concepts of contemporary literary and cultural debate It does so by presenting substantial extracts from seminal thinkers and surrounding them with the contextual materials necessary to a full understanding Each selection has a headnote which gives biographical details of the author and provides suggestions for further reading and footnotes that help explain difficult references The collection is ordered both historically and thematically and readers are encouraged to draw for themselves connections between essays and theories *Modern Criticism and Theory* has long been regarded as a necessary collection Now revised for the twenty first century it goes further and provides students and the general reader with a wide ranging survey of the complex landscape of modern theory and a critical assessment of the way we think and live in the world today

*The Cultural Politics of Affect and Emotion* Wei Dong,2022-08-01 Against the background of the media commercialization

reform since the 1990s in China and drawing on the case of X Change 2006 2019 Wei Dong investigates the affective meaning making mechanism in the multimodal text of Chinese reality TV The focus lies on the ways in which emotions are appropriated and disciplined by regimes of power and identity and the ways in which affect in this case primarily kuqing bitter emotions communicated by the material and the body have the potential to challenge or exceed existing relations of power in the mediascape Wei Dong shows how Chinese reality TV provides a historical and theoretical opportunity for understanding the affective structures of contemporary China in the dynamic process of fracture and integration *Fiction of the New Statesman, 1913-1939* Bashir Abu-Manneh, 2011-10-10 Fiction of the New Statesman is the first study of the short stories published in the renowned British journal the New Statesman This book argues that New Statesman fiction advances a strong realist preoccupation with ordinary everyday life and shows how British domestic concerns have a strong hold on the working class and lower middle class imaginative output of this period *Handbook of the Politics of Labour, Work and Employment* Gregor Gall, 2019 Providing a thorough overview of the political nature and dynamics of the world of work labour and employment this timely Handbook draws together an interdisciplinary range of top contributors to explore the interdependent relationship between politics and labour work and employment The Handbook explores the purpose roles rights and powers of employers and management workers and unions states and governments in the age of globalised neo liberalism **Hobsbawm** Gregory Elliott, 2010-10-05 From the early rumblings of the French revolution at the start of the long nineteenth century to the fall of the Soviet bloc at the close of the short twentieth century historian Eric Hobsbawm is possibly the foremost chronicler of the modern age Hobsbawm was a chronicler of revolutions labour history Empire and conflicts whose writings have informed the historical consciousness of scholars and general readers alike From colonialism to capitalism his trilogy of histories The Age of Revolution The Age of Capital and The Age of Empire evidence his skill for identifying the plurality of forces at play in major historical events Tracing his intellectual and political journey and encompassing the extraordinary historical events that marked his life Gregory Elliot fills an analytical gap on Hobsbawm s scholarship and Marxist historiography
