Politics Of Violence From Ayodhya To Behrampada Studies On Contemporary South Asia:

Space, Time and Culture David Carr, Chan-Fai Cheung, 2012-11-03 Interculturality has been one of key concepts in phenomenological literature It seeks to clarify the philosophical basis for intercultural exchange within the horizon of our life world The essays in this volume focus on the themes around space time and culture from the perspectives of Chinese and Western phenomenologists Though the discussions begin with classical phenomenological texts in Husserl Heidegger or Merleau Ponty they extend to the problems of Daoism and Buddhism as well as to sociology and analytic philosophy The collection of this volume is a fruitful result of inter cultural exchange of phenomenology **Index Islamicus** ,2000

Sexual Sites, Seminal Attitudes Sanjay Srivastava, 2004-03-20 Discussions on sexuality in the South Asian context have tended to focus largely on men s preoccupations through notions such as semen anxiety Another restrictive framework is the excessive importance ascribed to religion in everyday life The result has been a rather narrow debate on sexuality By providing accounts of a myriad sites and meanings of sexuality this remarkable volume broadens the debate on sexuality in South Asia It combines perspectives from history anthropology and cultural and literary studies to provide an interdisciplinary exploration of the cultures of and the multiple meanings and contestations that gather around masculinities and sexualities The collection is unique in the breadth of its theoretical concerns its focus on hitherto marginalized sexual identities and its novel juxtapositions of analyses of colonial discourses with those of postcolonised modernity *Ibss:*

Political Science: 1997 British Library of Political and Economic Science, 1999-01-14 Provides an unrivalled overview of intellectual development in political science **Politics of Violence** John McGuire, Peter Reeves, Howard Brasted, 1996 This book brings together experiences voices analyses and diverse viewpoints which capture the complexity and intensity of the developments leading up to and following the destruction of Babri Masjid mosque in Ayodhya in 1992 The contributors demonstrate vividly that communal violence in India is based primarily on imagined fears constructed by a regressive political process that must be countered They examine specific violent incidents and also the broader forces which have shaped the rise of the Bharatiya Janata Party BJP **ICSSR Journal of Abstracts and Reviews** Indian Council of Social Science Research, 1997 Journal of Dharma ,1997 The Book Review ,1997 Contributions to Indian Sociology ,1997

The Media and Neo-Populism Gianpietro Mazzoleni, Julianne Stewart, Bruce Horsfield, 2003-02-28 Mazzoleni Stewart Horsfield and their contributors analyze the two way relationship of the mass media and the contemporary phenomenon of extreme right wing neo populist political parties which emerged in the closing years of the 20th century across the world The success of Jean Marie Le Pen leader of the neo populist Front National in the first French presidential ballot in April 2002 shows that these extremist parties have strong if varying electoral support Drawn into reporting on the policies and antigovernment critiques of the new parties the mass communication institutions especially those engaged in news production have been challenged by a variety of unconventional but effective political campaign strategies that caused many

media professionals considerable challenge Taking an approach informed by mass communication theory this book analyzes eight case studies of the interaction of news media dynamics and neo populism in Austria Australia France Canada India Italy the United States and the Latin American region against the background of widespread disenchantment with traditional parties and the complacency and cynicism of popularly elected governments Insights into media responses reveal how dependent on media coverage the neo populist parties were and how in many cases the media were initially unequal to the confronting ideologies of the new parties Although the news media exploited the new parties new parties exploited the news media as well in quite shrewd and original ways This is an important resource for scholars students and other researchers involved with political mass communications and right wing political organizations **Children and Violence** Bina

D'Costa,2016-10-04 Children s diverse experiences during periods of conflict post conflict and peacetime reveal that their roles in society and political communities are complex Based on this premise this book suggests that understanding children s roles involves a critical analysis of where the child is situated within her his family within socio political networks and within the state Through examining various case studies in South Asia a region that is marked as much by its homogeneity as by its immense diversity the book observes that significant tensions exist between universal and local approaches to childhood It reflects how the development of international and national discourses on children s rights and protection is relevant to children s everyday lives in situations of conflict Whitaker's Books in Print ,1998 **Biblio** ,1997-03

Indian Books in Print ,2003 *Islamism and Democracy in India* Irfan Ahmad,2009-10-11 Jamaat e Islami Hind is the most influential Islamist organization in India This book offers an in depth examination of India s Jamaat e Islami and SIMI exploring political Islam s complex relationship with democracy and providing a rare window into the Islamist trajectory in a Muslim minority context *American Book Publishing Record* ,1997 Bibliographie Internationale de Science Politique ,1997 *Economic and Political Weekly* ,1997 **Pogrom in Gujarat** Parvis Ghassem-Fachandi,2012-04-08 In 2002 after an altercation between Muslim vendors and Hindu travelers at a railway station in the Indian state of Gujarat fifty nine Hindu pilgrims were burned to death The ruling nationalist Bharatiya Janata Party blamed Gujarat s entire Muslim minority for the tragedy and incited fellow Hindus to exact revenge The resulting violence left more than one thousand people dead most of them Muslims and tens of thousands more displaced from their homes Parvis Ghassem Fachandi witnessed the bloodshed up close In Pogrom in Gujarat he provides a riveting ethnographic account of collective violence in which the doctrine of ahimsa or nonviolence and the closely associated practices of vegetarianism became implicated by legitimating what they formally disavow Ghassem Fachandi looks at how newspapers movies and other media helped to fuel the pogrom He shows how the vegetarian sensibilities of Hindus and the language of sacrifice were manipulated to provoke disgust against Muslims and mobilize the aspiring middle classes across caste and class differences in the name of Hindu nationalism Drawing on his intimate knowledge of Gujarat s culture and politics and the close ties he shared with some of the pogrom s sympathizers

Ghassem Fachandi offers a strikingly original interpretation of the different ways in which Hindu proponents of ahimsa became complicit in the very violence they claimed to renounce **Forthcoming Books** Rose Arny, 1997
