Politics And Economics Of Eric Kierans

John N. McDougall

Politics And Economics Of Eric Kierans:

Politics and Economics of Eric Kierans John N. McDougall, 1993-11-02 McDougall believes that study of Kierans career is important for two reasons Kierans not only combined practical business and governmental experience with a coherent economic and philosophical outlook but also maintained a comprehensive and integrated approach to the major issues in Canadian politics national unity economic independence federal provincial relations regional development resource policy and macro economic policy McDougall examines Kierans career from his appointment as president of the Montreal Stock Exchange in 1960 to his service as chairman of the Nova Scotia commission on the Charlottetown Accord during the early 1990s He focuses on Kierans relationship with René Lévesque in the government of Jean Lesage his fights within the Trudeau cabinet over the reform of the post office and the development of the Anik satellite and his criticisms of Canadian economic and resource policies in the 1970s Using Kierans ministerial and personal records his publications and speeches interviews with him and his former associates and a variety of secondary sources the author argues that much of what Kierans said and accomplished is unique and remains relevant to the economic and political problems of today Kierans has demonstrated that powerful political forces often prevent good ideas and determined effort from improving public policy but he has also shown that thoughtful and responsible public service can at least raise the level of public debate *Drifting*

Together John N. McDougall, 2006-01-01 This is one of the best accounts of Canadian American relations to appear in many many years Thomas Keating University of Alberta Canada's Department of External Affairs, Volume 3 John Hilliker, Mary Halloran, Greg Donaghy, 1990-01-01 Volume three of the official history of Canada's Department of External Affairs offers readers an unparalleled look at the evolving structures underpinning Canadian foreign policy from 1968 to 1984 Using untapped archival sources and extensive interviews with top level officials and ministers the volume presents a frank insider's view of work in the Department its key personalities and its role in making Canada's foreign policy In doing so the volume presents novel perspectives on Prime Minister Pierre Trudeau and the country's responses to the era's most important international challenges These include the October Crisis of 1970 recognition of Communist China UN peacekeeping decolonization and the North South dialogue the Middle East and the Iran Hostage crisis and the ever dangerous Cold War

The Instant World Report Aliaa Dakroury, 2024-08-27 This book proposal focuses on Canada's pioneering role in shaping the international understanding of the right to communicate particularly through the Canadian Telecommission Studies of 1969 The study argues that the 1971 Instant World report a landmark document has been overlooked in the existing literature despite its importance in the history of conceptualizing and implementing this human right The project aims to fill this gap by exploring the historical context of the report and analyzing its contents shedding light on themes like privacy and indigenous communication rights Additionally the manuscript highlights the unique contribution of Betty Zimmerman the only female Canadian member of the MacBride Commission in 1977 replacing Marshall McLuhan

Zimmerman's insights become pertinent not only for scholars interested in the New World Information and Communication Order but also for feminist studies showcasing a leading female figure's role in Canadian communication and cultural policy. The research promises a novel and untold perspective on the history of the right to communicate, addressing gaps in international and Canadian communication, women's studies, and media policy literature.

The Constant Liberal Christo Aivalis, 2018-05-15 Pierre Elliott Trudeau: radical, progressive, or unavowed socialist? His legacy remains divisive. Most scholars portray Trudeau's ties to the left as evidence either of communist affinities or of ideals that led him to found a progressive modern Canada. *The Constant Liberal* traces the charismatic politician's relationship with left and labour movements throughout his career. Christo Aivalis argues that although Trudeau found key influences and friendships on the left, he was in fact a consistently classic liberal driven by individualist and capitalist principles. While numerous biographies have noted the impact of the left on Trudeau's intellectual and political development, this comprehensive analysis showcases the interplay between liberalism and democratic socialism that defined his world view and shaped his effective use of power. *The Constant Liberal* suggests that Trudeau's leftist activity was not so much a call for social democracy as a warning to fellow liberals that lack of reform could undermine liberal capitalist social relations.

The Duel John Ibbitson, 2025-08-19 NATIONAL BESTSELLER, A GLOBE AND MAIL BEST BOOK OF THE YEAR. The brilliant, critically acclaimed story of two legendary leaders who fought each other relentlessly but between them created today's Canada. John Diefenbaker has been unfairly treated by history. Although he wrestled with personal demons, his governments launched major reforms in public health care, law reform, and immigration. On his watch, First Nations on reserve obtained the right to vote, and the federal government began to open up the North. He established Canada as a leader in the struggle against apartheid in South Africa and took the first steps in making Canada a leader in the fight against nuclear proliferation. And Diefenbaker's Bill of Rights laid the groundwork for the Charter of Rights and Freedoms. He set in motion many of the achievements credited to his successor, Lester B. Pearson. Pearson in turn gave coherence to Diefenbaker's piecemeal reforms. He also pushed Parliament to adopt a new and now much-loved Canadian flag against Diefenbaker's fierce opposition. Pearson understood that if Canada were to be taken seriously as a nation, it must develop a stronger sense of self. Pearson was superbly prepared for the role of prime minister: decades of experience at External Affairs, respected by leaders from Washington to Delhi to Beijing, the only Canadian to win the Nobel Prize for Peace. Diefenbaker was the better politician, though. If Pearson walked with ease in the halls of power, Diefenbaker connected with the farmers and small-town merchants and others left outside the inner circles. Diefenbaker was one of the great orators of Canadian political life. Pearson spoke with a slight lisp; Diefenbaker was the first to get his name in the papers as a crusading attorney. Diefenbaker: the Defence champion of the little man. But he struggled as a politician, losing five elections before making it into the House of Commons until his ascension to the Progressive Conservative leadership in 1956 through a freakish political accident. As a young university professor, Pearson

caught the attention of the powerful men who were shaping Canada's first true department of foreign affairs rising to prominence as the helpful fixer the man both sides trusted the embodiment of a new country that had earned its place through war in the counsels of the great powers ambassador undersecretary minister peacemaker Everyone knew he was destined to be prime minister But in 1957 destiny took a detour Then they faced each other Diefenbaker v Pearson across the House of Commons leaders of their parties each determined to wrest and hold power in a decade long contest that would shake and shape the country

New Canadian Political Economy Wallace Clement, Glen Williams, 1989 Studies in political economy are now at a crossroads The revival of political economy as an important area of research in Canada began in the early 1970s with the publication of Kari Levitt's *Silent Surrender* In 1976 it was launched in earnest by the first session on Canadian political economy at the meetings of the Canadian Learned Societies in Quebec City While many academics now classify themselves as political economists not until *The New Canadian Political Economy* has there been any attempt to systematically survey review and assess the scores of books and articles which can now be considered as belonging in this field

For a New Political Economy Bernard Lonergan, 1998-11-27 Bernard Lonergan's economic writings span forty years and represent one of the most important intellectual achievements of the twentieth century Unfortunately they have been inaccessible outside of the Lonergan research community as the majority of them have not been formally published and exist only as a group of unfinished essays and material for courses on economics taught by Lonergan The publication of *For a New Political Economy* along with its companion volume *Macroeconomic Dynamics An Essay in Circulation Analysis* *Collected Works of Bernard Lonergan Volume 15* seeks to remedy this by bringing together the various elements of Lonergan's economic thought Lonergan's concept of economics differs radically from that of contemporary economists and represent a major paradigm shift He takes a fresh look at fundamental variables and breaks from centralist theory and practice offering a uniquely democratic perspective on surplus income and non political control *For a New Political Economy* is a collection of drafts notes and essays written by Lonergan in the 1940s on various aspects of economics This volume provides the intellectual underpinnings of ideas more fully explored in *Macroeconomic Dynamics*

Twenty-First Century Perspectives on the Scholarship of AV Dicey Catherine Marshall, Céline Roynier, 2024-12-12 This book reassesses AV Dicey's legacy in political and legal thought through the reflections of leading scholars who consider his importance not only in today's British constitutional and legal culture but also in other foreign constitutional cultures Every student in law and in politics every law faculty and most legal practitioners in the world are aware of who Albert Venn Dicey 1835-1922 was and what he wrote Yet this fame does not mean that Dicey's legacy is not controversial and debated in the present world This book considers why Dicey's late Victorian constitutional and political thinking is still alive In spite of all the transformations that have taken place in public law in the UK in the last hundred years the book argues that Dicey managed to grasp and to crystallise something of the British political identity and culture Hence the long lasting fire power of his constitutional and political thinking The book

also considers that there is something even more prescient in Dicey's writings for the UK but also for countries that have adopted his understanding of the rule of law and or of parliamentary government Dicey identified one of the most fundamental political issues at stake the nature of the relationship between public law and democracy The book looks closely at the alliance between public law and democratic spirit This alliance needs to be reassessed from a legal historical and comparative perspective This edited collection gathering authors from different countries from various legal systems and from diverse backgrounds tackles this task *Walter Gordon and the Rise of Canadian Nationalism* Stephen Azzi, 1999 From the 1950s to the 1970s Walter Gordon was the voice of English Canadian nationalism first as chair of the Royal Commission on Canada's Economic Prospects then as a minister in Lester B Pearson's cabinet and finally as founder and honorary chair of the Committee for an Independent Canada In the late 1960s many Canadians heeded Gordon's call for limits on the level of American investment in Canadian industry and joined with him to form a broad movement to limit American influence in Canada For a New Political Economy Bernard J. F. Lonergan, 1998-01-01 A collection of drafts notes and essays written by Lonergan in the 1940s on various aspects of economics Lonergan's concept of economics differs radically from that of contemporary economists and represent a major paradigm shift **Lions or Jellyfish** Raymond B. Blake, 2015-07-27 Asked in 2010 about his pugnacious approach to federal provincial relations Newfoundland premier Danny Williams declared I would rather live one more day as a lion than ten years a jellyfish He was only the latest in a long line of Newfoundland premiers who have fought for that province's interests on the national stage From Joey Smallwood and the conflict over Term 29 of the Act of Union to Williams and his much publicized clashes with Paul Martin and Stephen Harper Newfoundland and Labrador's politicians have often expressed a determination to move beyond a legacy of colonialism and assert greater control over the province's own affairs Lions or Jellyfish examines the history of these federal provincial clashes with both clarity and wit Written by a noted expert on Newfoundland politics and intergovernmental affairs in Canada this book studies a vital but frequently overlooked aspect of modern Canadian federalism **British Journal of Canadian Studies** , 1996

Escape from the Staple Trap Paul Kellogg, 2015-01-01 Escape from the Staple Trap is a powerful critique of the dominant trend in Canadian political economy since the 1970s **Canada Since 1960: A People's History** Cy Gonick, 2016-04-18 When Winnipeg's Cy Gonick started the magazine Canadian Dimension in 1963 to provide a home for the thinking and analysis of mostly young leftists engaged in Canadian economic social cultural artistic and political issues he had no grand plan But Canadian Dimension was welcomed by intellectuals scholars and students and it proved enduring Hundreds of Canada's leading figures of the left have contributed to its pages over the years writing about every major topic in Canadian public life This book offers an account of the most important developments in Canadian history from the sixties until today as seen and interpreted by scholars and writers on the pages of Dimension Each chapter reviews a major theme such as Canada's relationship to the U S the development of our health care system the dynamics of Aboriginal non Aboriginal relations and

the role of Canadian cultural work in shaping Canadian society Taken together the book provides a unique and broad perspective on virtually every significant event and development in recent Canadian history Readers who know the magazine will find this book a compelling summary of how Canada changed in the past five decades and how the Left saw those changes and challenged them Readers who discover Canadian Dimension through this book will find a multitude of compelling voices who challenge the dominant neoliberal thinking of mainstream Canadian intellectual life The twenty seven contributors from every part of the country are Greg Albo Brenda Austin Smith Chris Bailey Evan Bowness Mordecai Briemburg Elizabeth Comack Angela Day Bryan Evans Alvin Finkel Peter Graefe Judy Haiven Larry Haiven Trevor Harrison Henry Heller David Hugill Peter Kulchyski Andrea Levy James McCorrie James Naylor Bryan Palmer Denis Pilon Joe Roberts Stephanie Ross Arthur Schafer Frank Tester John Warnock and Chris Webb Uneasy Partnership Geoffrey E. Hale, 2006-01-01 Both teachers and students are indebted to Professor Hale for this up to date comprehensive and high quality text Kenneth Kernaghan Brock University **Our Lives: Canada After 1945** Alvin Finkel, 2012-05 The people forces and events that have shaped post war Canada *Irish Nationalism in Canada* David A. Wilson, 2009-11-01 According to conventional historical wisdom Irish nationalism in Canada was a marginal phenomenon overshadowed by the more powerful movement in the United States and eclipsed in Canada by the Orange Order The nine contributors in this book argue otherwise and in doing so make a major and original contribution to our understanding of the Irish experience in Canada and the place of Irish Canadian nationalism within an international context Focusing on the period 1820 to 1920 they examine political religious and cultural expressions of Irish Canadian nationalism as it responded to Irish events and Canadian politics They also look at tensions within the movement between those who argued that Ireland should share the same freedom that Canada enjoyed within the British Empire and revolutionary republicans who wanted to liberate both Ireland and Canada from the yoke of British imperialism Irish Nationalism in Canada sheds light on questions such as transference of old world political traditions into North America the dynamics of ethno religious conflict and state responses to a revolutionary minority within an ethno religious group Contributors include Donald Harman Akenson Queen s University Kingston Sean Farrell Northern Illinois University Mark G McGowan St Michael s College University of Toronto Frederick J McEvoy Independent Scholar Michael Peterman Trent University Garth Stevenson Brock University Peter M Toner University of New Brunswick Rosalyn Trigger University of Aberdeen and David A Wilson University of Toronto **Kari Polanyi Levitt and Canadian Political Economy** Michèle Rioux, Hughes Brisson, 2021-12-15 This book acts as a tribute to the legacy of the Canadian political economist Kari Polanyi Levitt daughter of Karl Polanyi one of the great economists of the 20th century Polanyi Levitt s life and work were devoted to understanding the scientific and political challenges that humanity faces and the incredible impacts of development trade and globalization in their diverse manifestations including in the context of the current COVID 19 pandemic This book reflects on Polanyi Levitt s conviction that the solution to contemporary challenges

lies not in the development of sophisticated technologies but in questioning how we want to live with each other and working to re-embed the economy in the wider social system. Ultimately the book contends that Polanyi Levitt's message is simple: humanity must rethink the way we live in this world, our place in the universe and our relationship with nature. Drawing on a 10-year research project encompassing interviews and literature review, this short volume introduces and celebrates Kari Polanyi Levitt's legacy and invites political economists to engage with her work.

The New Practical Guide to Canadian Political Economy Daniel Drache, Wallace Clement, 1985-01-01

The New Practical Guide to Canadian Political Economy is a handy reference to the vast range of research and writing that political economists in Canada have completed to the date of publication. The book is divided into twenty-five subject bibliographies, each one compiled and introduced by an expert in the field. The overall range of subjects includes economic development in Canada, Canada's external economic relations, regional disparities and regional development, social and economic classes, women, Native peoples, politics and the Canadian state, nationalism, culture and political thought. The book is indexed by author and includes a helpful shortlist of the staples in Canadian political economy. Published in 1985, The New Practical Guide to Canadian Political Economy remains a useful reference to some of the classic literature of the discipline.

Adopting the Track of Term: An Mental Symphony within **Politics And Economics Of Eric Kierans**

In some sort of consumed by monitors and the ceaseless chatter of instant transmission, the melodic splendor and emotional symphony created by the prepared term often diminish in to the back ground, eclipsed by the relentless sound and distractions that permeate our lives. But, situated within the pages of **Politics And Economics Of Eric Kierans** an enchanting fictional treasure full of natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, this fascinating masterpiece conducts visitors on a psychological trip, skillfully unraveling the concealed melodies and profound affect resonating within each carefully crafted phrase. Within the depths with this emotional examination, we can examine the book is central harmonies, analyze their enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Politics And Economics Of Eric Kierans Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Politics And Economics Of Eric Kierans free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Politics And Economics Of Eric Kierans free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Politics And Economics Of Eric Kierans free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Politics And Economics Of Eric Kierans. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Politics And Economics Of Eric Kierans any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Politics And Economics Of Eric Kierans Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics And Economics Of Eric Kierans is one of the best book in our library for free trial. We provide copy of Politics And Economics Of Eric Kierans in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics And Economics Of Eric Kierans. Where to download Politics And Economics Of Eric Kierans online for free? Are you looking for Politics And Economics Of Eric Kierans PDF? This is definitely going to save you time and cash in something you should think about.
