## **Polity And Praxis A Program For American Practical Theology:**

*Polity and Praxis* Dennis McCann, Charles R. Strain, 1985-01-01      **Practical Theology** Marcel Viau, 2023-08-28 Why speak about a new practical theology when practical theology seems to be as old as theology itself Is another new approach really necessary The work aims to set practical theology on a new foundation as it explores the discipline's modes of discourse leaving aside the question of contents Practical theology is examined from the point of view of its workings as it attempts to grasp and give account of faith practices In the course of this examination questions relative to the linguistic apparatus are raised Is this apparatus always coherent Does it allow for the creation of a relevant theological discourse On what philosophical traditions does it depend Experience language and belief are key notions around which the whole system revolves The perspective adopted here is largely indebted to contemporary American philosophy Pragmatism Peirce James Dewey Rorty and Analytic philosophy Quine Goodman Putnam Davidson are employed in a quest for new epistemological footings While the result is at times disconcerting it brings with it a surprisingly rich contribution to reflection in the field This book offers theologians a tool which allows them to construct theological discourses which are anchored in faith practices It fills a void in contemporary theology Many theologians no longer content to simply teach at a university have chosen to work in close collaboration with Christian communities or with groups interested in the relationships between religion and society Up to this point theologians such as these have not had the tools at their disposal which would allow them to take account of their own practices Opening out into many fields Practical Theology A New Approach will also be of interest to any researcher philosopher or scientist who is interested in the questions surrounding the construction of discourse based on human practices whatever their provenance      **New & Enlarged Handbook of Christian Theology** Donald W. Musser, Joseph Price, 2011-09-01 This handbook provides thorough introductory articles on important themes in Christian theology Along with cross references and select bibliographies it is an indispensable reference source The Handbook consists of 148 topical entries arranged alphabetically Instead of a Table of Contents a Routes For Reading page suggests related entries and cross referencing makes surfing this volume easier than ever      **The Wiley Blackwell Companion to Practical Theology** Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life      Suffer the Little Children Kay

Almere Read, Wollaston, 2001-07-31 No Marketing Blurbs      **Clergy Ethics in a Changing Society** James P. Wind, 1991-01-01 Drawing upon the experiences and insights of a diverse group of notable contributors this volume is perhaps the most complete study available on clergy ethics The topics discussed include the separation of church and state clergy professionalization ethical pastoral care and many more      **Religion, Theology, and American Public Life** Linell Elizabeth Cady, 1993-01-01 In this book Linell Cady analyzes the role of religion and theology in American public life

*Human Action in Business* Wojciech W. Gasparski, Leo V. Ryan, 2018-01-16 Praxiology deals with working and doing from the point of view of effectiveness It has three components analysis of concepts involving purposive actions critique of modes of action from the viewpoint of efficiency and normative advisory aspects in recommendations for increasing human efficiency This fifth volume of the Praxiology series is devoted to Human Action in Business Praxiological and Ethical Dimensions The adjective praxiological here means not only related to praxiology as human theory but also assessed against the dimensions of effectiveness and efficiency Adding also the ethical dimension one defines the universe of the discourse about conduct characteristic of business the economy and management Topics in business and management philosophy and theory are discussed by eminent contributors from different corners of the world P Ulrich Switzerland M Bohata Czech Republic S K Chakreaborty India J Donaldson H E Sternberg and P Graham U K H van Lujik and H Hummels The Netherlands O Loukola Finland Y Pesqueux and I Tovey France T A Mathias India W W Gasparski A Lewicka Strzalecka and J Sojka Poland M Tamari Israel R E Freeman R G Kennedy S Natale J A Matel N Bowie D McCann L V Ryan P Werhane and K Goodpaster United States Selected speeches by Pope John Paul II addressed to managers businessmen and general audiences involved in the economy are also included in this volume In Volume 5 invited specialists examine the praxiological and ethical aspects of human action under the rubric of the Triple E Efficiency Effectiveness and Ethics The volume opens with contributions reflecting on the praxiological and ethical foundations for business followed by sections discussing human action from the perspectives of religious beliefs and cultural diversity Another section illustrates the application of these principles to business The concluding chapters examine praxiology and ethics as the moral agenda for professional education The volume is a must read for economists businesspeople social scientists and policymakers      **Evangelicalism and the Emerging Church** Cory E. Labanow, 2016-04-22 With the Christian church in the west in decline some churches are undergoing difficult transitions as they seek to become relevant to both themselves and their surrounding cultures Evangelicalism and the Emerging Church details an ethnographic study of a Vineyard congregation making sense of their Vineyard roots and their growing relationship with the self proclaimed emerging church network Through a rich account of congregational life and tensions universal issues are raised such as relating to religious parentage creating safe places for spirituality Christian growth and maturity communication with contemporary culture and the challenges of identity reconstruction This book is the first to conduct an academic study of a Vineyard congregation in the United Kingdom      *Prophetic Wisdom* Charles R.

Strain,2024-06-01 Classical Buddhism lacked an understanding of systemic injustice and its contribution to collective suffering Despite the teaching of impermanence classical Buddhist schools viewed social institutions as given and offered no path to social transformation Today Buddhists are shaped by multiple religious and secular traditions including those stemming from the Hebrew prophets The prophetic tradition offers a socially and religiously powerful concept the concept of justice that reconfigures the Buddhist dharma In a time of unparalleled peril Buddhists are challenged as never before to turn wisdom into strategic action to foster systemic social change Compassion is not enough Prophetic Wisdom shows how Engaged Buddhists can expand their understanding of the causes of collective suffering and develop nonviolent means for social transformation through a dialectic of love power and justice It concludes by confronting the poison of racism in the American body politic      God's Federal Republic William Johnson Everett,2019-10-15

Biblical religion is driven by a longing for God's ultimate order of justice and peace Most of this longing is steeped in the patriarchal symbols of kingship monarchs lords fathers and princes This symbolism came to bind European churches to the legitimation of monarchies and empires for over a millennium The American and now global experiment separated the churches with their kingdom language from government dedicated to democratic republican and federal constitutional order Religious efforts to guide and critique government have subsequently suffered from political irrelevance or theocratic nationalism Everett lifts up the biblical and classical origins of our present republican experiment to construct a theological position and religious symbolism that can imaginatively engage our present public life with a contemporary language permeated with a transcendent vision      **Doing Christian Ethics from the Margins** Miguel A. De La Torre,2014-04-30 Miguel De La Torre opens up Christian ethics to the rich diversity found among those who are often excluded from academic and Eurocentric ethical considerations This book seeks to help students realize that because the gospel message itself was proclaimed to the marginalized peoples of Judea the people who occupy the same disenfranchised spaces in our contemporary cultures are the ones who hold the interpretive key to understanding that gospel message The binding effects of power and privilege institutional or not can be overcome by a justice based ethics that avails itself of the perspectives and experiences of those on the margins Provided by publisher

*The Prophet and the Bodhisattva* Charles R. Strain,2014-02-19 Can religious individuals and communities learn from each other in ways that will lead them to collaborate in addressing the great ethical challenges of our time including climate change and endless warfare This is the central question underlying *The Prophet and the Bodhisattva* It juxtaposes two figures emblematic of an ideal moral life the prophet as it evolved in ancient Israel and the bodhisattva as it flowered in Mahayana Buddhism In particular *The Prophet and the Bodhisattva* focuses on Daniel Berrigan and Thich Nhat Hanh who in their lives embody and in their writings reflect upon their respective moral type Berrigan a Jesuit priest pacifist and poet is best known for burning draft files in 1968 and for hammering and pouring blood on a nuclear warhead in 1980 His extensive writings on the Hebrew prophets reflect his life of nonviolent activism Thich Nhat Hanh Buddhist monk Vietnamese exile and poet

struggled to end the conflict during the Vietnam War Since then he has led the global movement that he named Engaged Buddhism and has written many commentaries on Mahayana scriptures For fifty years both have been teaching us how to pursue peace and justice a legacy we can draw upon to build a social ethics for our time *From Women's Experience to Feminist Theology* Linda Hogan,2016-10-06 What are the implications of adopting a primacy of praxis position in feminist theology How can we respect the diversity of women s experience while retaining it as a useful analytic category Do these twin resources of women s experience and praxis together imply that feminist theology is ultimately relativist Through an analysis of the work of some of today s key feminist theologians Christian womanist and post Christian Linda Hogan considers these and other methodological questions *The Promise of Critical Theology* Marc P. Lalonde,2006-01-01 Written in tribute to one of the foremost Catholic theologians in the English speaking world the essays in *The Promise of Critical Theology* address the question Can critical theology secure its critical operation without undermining its foundation in religious tradition and experience Is critical theology simply an oxymoron when viewed from both sides of the equation From Marc Lalonde s introductory essay which delimits Davis fundamental position that the primary task of critical theology is the critique of religious orthodoxy the essays examine Davis distinction between faith and belief and build upon the promise of critical theology as inextricably bound to the promise of faith They ask What is its promise What particular religious ideas themes stories are appropriate for its concrete expression How can the community of faith receive its transformative message What might be the contribution of other religious traditions and philosophies Essays by Paul Lakeland Dennis McCann Kenneth Melchin Michael Oppenheim and Marsha Hewitt respond to these and other questions and critically relate Davis work to ongoing developments in modern theology critical theory philosophy and the social sciences Their diversity attests to the comprehensive scope of Davis thought and exemplifies the progressive character of contemporary religious discourse They honour Davis and illuminate the promise of critical religious thinking in itself
