A Criminological Imagination Pat Carlen, 2017-07-05 A Criminological Imagination contains a selection of key articles from Pat Carlen's research studies of magistrates courts and women's imprisonment together with a range of other articles on social control discourse analysis ideology punishment criminology and critique They are all informed by an assumption that while criminal justice must remain imaginary in societies based upon unequal and exploitative social relations one task of a criminological imagination might be to suggest why this is so and how things could be otherwise This is an invaluable collection for anyone interested in crime justice and injustice and the social political and academic contexts in which knowledge of them is constructed Tagore and the Margins of the Nation under Colonialism Amartya Mukhopadhyay, 2023-12-12 This book focuses on India's anti colonial politics which Rabindranath Tagore 1861 1941 brought into the mainstream of nationalist thinking It browses through the entire corpus of Tagore's writings in the genres of poetry fiction and essays to glean both used and hitherto unused un translated writings that illumine Tagore s gender consciousness and proto feminist thought and empathy presenting it in a wholly new light It teases out Tagore's original views on India's industrial capitalist development and his views on the roles of applied scientists and engineers in it to highlight his critique of the nature of science teaching in colonial India The volume also delineates Tagore s Upani adic ecologism that creatively evoked anticolonialism and patriotism Lucid and topical the book will be indispensable for students and researchers in the fields of comparative literature history political science international relations and sociology at all levels and anybody interested in literary criticism and cultural studies The Illusions Of Post-Feminism Vicki Coppock, Deena Haydon, Ingrid Richter, 2014-09-03 First Published in 1995 As feminists reflect on the impact of the second wave of feminism and assess the gains of the last thirty years invariably they have questioned whether claims that women have achieved equality are justified

In the late 1980s there was a proliferation of popular imagery of new men and post feminist women with the concept of post feminism reinforcing and emphasizing the differences between independent upwardly mobile career orientated women and those women who choose the more natural role of wife and mother The Illusions of Post Feminism New Women Old Myths maintains that post feminism is a myth Through in depth interviews with women about four major areas of their lives education work the media and the family the authors challenge and expose the myths implicit in the concept of post feminism The research illustrates that women s discontent continues despite the assumption that gender equality would result from equal opportunities legislation The chapters highlight the ineffective nature of liberal reformism and demonstrate how power relations still lie at the root of the oppression of women With its provoking and challenging analysis this revealing book breaks the silence of women's real experiences by showing the actuality of women's lives today Engendering Violence Myra J. Hird, 2017-07-05 Bringing together unique international research from the United States United Kingdom Canada Australia and Europe this book presents a detailed examination of the violence perpetrated by males and females within the context of childhood adolescence and adulthood Based on illuminating empirical studies it accurately locates the societal implications of violence against males and females as well as the legal social and public responses to violence Combining feminism and a related analysis of power the book provides an introduction to the study of violence in general and violence against males and females who know each other in particular It outlines the major evolutionary psychological and sociological theories proposed to explain this social problem and the traditional methods of studying this topic The book also examines child violence in the playground the classroom and the home adolescent dating violence and adult violence both male and female within cohabiting and marital relationships and violence occurring between strangers Russian Women and their Organizations R. Kay, 2000-02-02 Grassroots Russian women's organizations faced multiple challenges in the early 1990s Like their members they were confronted with both potentially hostile attitudes and numerous practical difficulties Post Soviet ideologies of gender difference produced a gender climate which was particularly unsympathetic to female activism in support of other women This book presents a detailed study of grassroots Russian women s organizations in 1991 96 against the background of a careful analysis of gender relations and attitudes to women s place in post Soviet Gender and Power in Affluent Asia Krishna Sen, Maila Stivens, 2002-09-11 Gender and Power in Affluent Russian society Asia is the first major study to analyse the relatioships between gender and power that have accompanied the rise of Asian affluence Masculinities, Care and Equality N. Hanlon, 2012-07-31 This book explores men s ambiguous relationship with intimate caring work within a context where carefree and nurturing expectations for men are competing for influence For men to be more involved carers clashes with commonly valued expectations of them as men and this book analyses how men confront this contradictory expectation Blood, Bullets And Bodies Imani M. Tafari-Ama, 2017-06-11 Fifth Edition The true story of Blood Bullets and Bodies a critical multimedia expos about the factors subverting the political will to act in the best

interest of the poor even when explicit just cause exists for such altruistic action to take place Blood Bullets and Bodies is a strange and paradoxical story that needs to be read as much as it needs to be told It is a riveting story of sex violence political intrigue and survival by any means necessary. The book is a literary mirror that provides a revealing and frightening reflection for a self destructing society to see itself profiled in the throes of its own possible demise Sure to stir controversy the new book contains a compelling rendition of the historical circumstances that have made crime and violence bullets blood and dead bodies the number one problem in late 20th and early 21st century Jamaica Despite the historic One Love Peace Concert and the Peace Truce in 1978 young gunmen seem to have gone wild ever since Using a variety of sophisticated methodological tools including literary sources or linterviews ethnographic studies and the lyrics of popular Reggae songs Imani Tafari Ama details the influences and implications of this violent social discourse for everyday performances of femininity and masculinity in Kingston's inner city environment as well as in the wider Jamaican society Tafari Ama's stated objective in publishing her thesis as a book is to separate fact from fiction in order to find real and enduring solutions that will reduce the distressing flood of blood bullets and bodies that is overflowing the streets of Kingston She hopes that by highlighting some of the facts and exposing much of the fiction about life below the poverty line her provocative book will be a catalyst in motivating the political and community willpower necessary to find and implement the real time solutions that she proposes in her suggested Options for Development Human Rights, Gender and Environment Shashi Motilal, Bijayalaxmi Nanda, 2006-05-15 Addressing students teachers and readers in general the book introduces the concept of human rights and explores ways in which human rights violations impact issues of gender and environment In this sense it traces the underlying interconnections of key concepts against the backdrop of existing social inequalities of class caste gender race and ethnicity It delves deep into the impact of globalization on a society which is fraught with inequalities and emphasizes the need to create an equal non discriminatory and free world. This is perhaps the first book to incorporate such a broad range of topics all of which have a contemporary social political and economic relevance It will encourage students to understand think and engage with issues and help them formulate their positions on the issues discussed The book will be an excellent resource not only for students and teachers pursuing the subject but also for policy makers NGO workers and general readers who are concerned partners in wanting to create an equal and free world
