David Brian Plummer

Polly A White German Shepherd:

Polly David Brian Plummer, 1999 This is an account of an enduring relationship between the author and Polly his white German Shepherd The story starts with Brian's need for protection for his property After an abortive attempt to provide this with two vicious Dobermans Brian finally acts upon advice and purchases a white German Shepherd puppy Polly He soon discovers that she has an amazing desire and ability to learn and he trains her to an exceptionally high standard at the same time forming a very close relationship with her Polly had a remarkable character capable of surprising even Brian with his lifetime's experience with dogs This is no more evident than when as a puppy she takes to water as naturally as a Labrador this was to prove vital later in their lives or when he finds her tending a badly injured piglet and then suckling it The book is peppered with anecdotes of their times together seeking a living from the land and the sea where cutting peat sledding and creel fishing in some of the most dangerous stretches of sea in Britain were a part of every day life Polly must be one of the few dogs to have been attacked by a conger eel An unusual story of a very special dog told in Brian's usual eloquent style

So God Made a Dog Worthy Inspired, 2025-04-08 Every dog is different but each loves his or her human in a special way Often they are brave noble and strong Sometimes they make us laugh at them and at ourselves Always they make us feel less alone and more loved These ninety devotions will encourage and inspire you as you see how God is revealed in the antics and actions of our four legged friends

an Artisan Hunter David Brian Plummer, 2000-10 Account of Plummer's development as a hunter from boyhood exploits with

lurcher and terrier to adulthood with many interesting digressions Includes chapters on cock fighting and bird catching

cooking and eating badgers foxes and rats hawks and hawking Although Plummer often comes across as bonkers many of his

apparently eccentric actions such as badger eating or covering himself with a concoction of badger grease and herbs were

experiments to establish the plausibility of claims made by other writers Being perpetually surrounded by people incapable of

sharing this pioneering spirit of enquiry seems the source of his restlessness and the driving force behind the hundreds of

books he wrote in his lifetime This is not to say that Plummer did not have deep problems as he himself describes in Hancock's

My Life with Lurchers **Rogues and Running Dogs** David Brian Plummer, 1997-12 Plummer's reminiscences of his

early lurchers and the men that bred them of poaching coursing and dog fighting with his views on the different crosses used
