

THE *SUNDAY TIMES* BESTSELLING AUTHOR

The book cover features a young woman with long brown hair and a serious expression, wearing a maroon dress. She is positioned in the foreground, looking slightly to the right. The background is a historical industrial scene with brick buildings, several tall chimneys emitting dark smoke, and a cloudy sky. Two birds are flying in the upper left portion of the sky. The title 'Polly's War' is written in a large, elegant, light-colored serif font across the lower half of the image, with the author's name 'Freda Lightfoot' in a smaller, similar font above it.

Memory Lane Was a Gravel Road for Eight Generations Ed Butler,2015-08-18 Ed Butler is fortunate to know so many stories about his ancestors Some of the stories have been handed down for several generations Others are his experiences Often they bring to mind more questions than they answer If you were homesteading land in 1821and your husband went to clear land one afternoon and totally disappeared how would you survive Could you survive a fifty mile trip in an ox cart much of it through swampy woodlands with three small children The youngest was not old enough to eat solid food Do you know anyone fourteen years old that left home and was gone for nearly six years before returning Ed states that his Dad is the only person he ever knew that had traveled and lived in a covered wagon and the only person he knew that had trained and worked three yokes of oxen His Dad milked cows for sixty two years and was an animal whisperer long before the term horse whisperer was coined Ed s Mother had a two year teachers certificate and taught school in a one room schoolhouse before she got married She sure knew how to maintain order in her classroom Have you ever eaten dried Tennessee strawberries How many people that you know have owned a horse and top buggy and have driven it in a local parade These stories and many others are told in this narrative Often Ed provides details and explains the terms he uses so today s reader can

Die Clique acht bestens ausgebildete junge Frauen, die sich nach Abschluss ihres Studiums am vornehmen Vassar College hoffnungsfroh ins Leben stürzen, um ihre Träume zu verwirklichen. Begabt, leidenschaftlich und lebenshungrig, sind sie alle, doch ihre Lebenswege sind ganz unterschiedlich. Auf der Suche nach sich selbst, nach Abenteuer, Sex und der großen Liebe, durchleben Lakey, Libby, Kay, Co-Krisen und Konflikte zwischen Spagat zwischen Kindern und Karriere und kämpfen um Freiheit und Eigenständigkeit. Was aus ihnen und ihren Träumen wird, erzählt Mary McCarthy meisterhaft, authentisch, bewegend und blitzgescheit. Ein grandioses Porträt der 30er Jahre in New York und ein fulminanter Frauenroman. Der Candace Bushnell zu ihrem Bestseller *Sex and the City* inspirierte und der bis heute begeistert Freedom at Risk Carol Wilson, 2021-10-21 Kidnapping was perhaps the greatest fear of free blacks in pre-Civil War America. Though they may have descended from generations of free-born people or worked to purchase their freedom, free blacks were not able to enjoy the privileges and opportunities of white Americans. They lived with the constant threat of kidnapping and enslavement against which they had little recourse. Most kidnapped free blacks were forcibly abducted, but other methods such as luring victims with job offers or falsely claiming free people as fugitive slaves were used as well. Kidnapping of blacks was actually facilitated by numerous state laws as well as the federal fugitive slave laws of 1793 and 1850. Greed motivated kidnappers who were assured high profits on the sale of their victims. As the internal slave trade increased in the early nineteenth century, so did kidnapping. If greed provided the motivation for the crime, racism helped it to continue unabated. Victims usually found it extremely difficult to regain their freedom through a legal system that reflected society's racist views, perpetuated a racial double standard and considered all blacks slaves until proven otherwise. Fortunate was the victim who received assistance, sometimes from government officials, most often from abolitionists. Frequently, however, the black community was forced to protect its own and organized to do so, sometimes by working within the law, sometimes by meeting violence with violence. Mining newspaper accounts, memoirs, slave narratives, court records, letters, abolitionist society minutes and government documents, Carol Wilson has provided a needed addition to our picture of free black life in the United States Unsere Lina muss nichts müssen!
