Polo Vision:

Polo Vision Hugh Dawnay,1984-01-01 **Voyages and Visions** Jaś Elsner,Joan Pau Rubiés,1999 A much needed response to the expanding interest in the history of travel and travel writing *Voyages and Visions* is the first attempt to sketch a cultural history of travel from the sixteenth century to the present day The essays address the theme of travel as an historical literary and imaginative process focusing on significant episodes and encounters in world history The contributors to the volume include historians of art and of science anthropologists literary critics and mainstream cultural historians The subjects of their essays include European explorations of South America India Mexico and the South Seas mountaineering in the Himalayas science fiction American post war travel fiction and space travel *Voyages and Visions* is truly interdisciplinary it is also essential reading for anyone interested in travel and travel literature Jacket **The 10 Best of Everything**

Nathaniel Lande,Andrew Lande,2008 The ultimate travel guide offers an updated series of top ten lists covering top sporting events locations hotels restaurants and Sunday afternoon excursions and more than thirty extraordinary trips and expeditions on every continent *Exchanges and Parallels between Italy and East Asia* Gaoheng Zhang,2019-12-18 This collection of essays is the first English language study to present the latest research on Italy's cultural relationships with China and Japan across the centuries It explores topics ranging from travel writing to creative arts from translation to religious accommodation and from Cold War politics to Chinese American cuisine The volume draws on the expertise of an interdisciplinary group of scholars trained and working in Europe East Asia and North America who re assess research foci and frames showcase transcultural and theoretically informed research and help to strengthen this field of study

Betterness Umair Haque,2011-12-15 *Betterness Economics for Humans* is a powerful call to arms for a post capitalist economy Umair Haque argues that just as positive psychology revolutionized our understanding of mental health by recasting the field as more than just treating mental illness we need to rethink our economic paradigm Why Because business as we know it has reached a state of diminishing returns though we work harder and harder we never seem to get anywhere This has led to a diminishing of the common wealth wage stagnation widening economic inequality the depletion of the natural world and more To get out of this trap we need to rethink the future of human exchange In short we need to get out of business and into betterness HBR Singles provide brief yet potent business ideas in digital form for today's thinking professional *The Medieval French Alexander* Donald Maddox,Sara Sturm-Maddox,2002-07-17 Explores the significance of Alexander the Great in French medieval literature and culture **The 10 Best of Everything** Nathaniel Lande,Andrew Lande,2012 The ultimate travel guide offers an updated series of top ten lists covering top sporting events locations hotels restaurants and Sunday afternoon excursions and more than thirty extraordinary trips and expeditions on every continent

The Gospel According to My Kitchen Sink Susan Romero Vidal,2020-01-30 *The Gospel According to My Kitchen Sink* written by Susan Romero Vidal eloquently from her heart stirred powerful emotions in me rocked my soul and inspired me to

write my own tale to true reality Read this book and be inspired to take action towards the direction of your dreams Like Susan and myself you are divinely guided to allow magical moments to happen in your life Juliet Van Ruyven International Best Selling Author of The Tale of Juliet The wisdom and insights that come out from the pages of this book are rocket science achievable to only a few It is a Jesus kind of wisdom open and available to everyone It is a wisdom an example of faith that builds godly character and moves one towards Jesus core teaching to love God and love one another The Gospel According to My Kitchen Sink has the kind of appeal that will make it difficult for anyone to put it down This wonderful book has delighted and blessed me immensely and has filled me with thankfulness to and for the author Bruce Sundberg Washington DC USA

Medieval Romance and Material Culture Nicholas Perkins, 2015 Studies of how the physical manifests itself in medieval romance and medieval romances as objects themselves Medieval romance narratives glitter with the material objects that were valued and exchanged in late medieval society lovers rings and warriors swords holy relics and desirable or corrupted bodies Romance however is also a genre in which such objects make meaning on numerous levels and not always in predictable ways These new essays examine from diverse perspectives how romances respond to material culture but also show how romance as a genre helps to constitute and transmit that culture Focusing on romances circulating in Britain and Ireland between the twelfth and sixteenth centuries individual chapters address such questions as the relationship between objects and protagonists in romance narrative the materiality of male and female bodies the interaction between visual and verbal representations of romance poetic form and manuscript textuality and how a nineteenth century edition of medieval romances provoked artists to homage and satire NICHOLAS PERKINS is Associate Professor and Tutor in English at St Hugh's College University of Oxford Contributors Siobhain Bly Calkin Nancy Mason Bradbury Aisling Byrne Anna Caughey Neil Cartlidge Mark Cruse Morgan Dickson Rosalind Field Elliot Kendall Megan G Leitch Henrike Manuwald Nicholas Perkins Ad Putter Raluca L Radulescu Robert Allen Rouse

Vermeer's Hat Timothy Brook, 2010-07-09 Effortless and compelling Brooks is a wonderful storyteller I doubt I will read a better book this year Sunday Telegraph Each of Vermeer's paintings tells a story In one a military officer leans toward a laughing girl in another a woman stands by a window and weighs silver in a third fruit spills from a porcelain bowl onto a lavish Turkish carpet Hiding in plain sight these details hint at the intricate threads that bound Vermeer's world together the officer's hat is made from North American beaver bought with silver extracted from the mines of Peru while beaver pelts were traded in their thousands for the Chinese porcelain so beloved by the Dutch in the Golden Age From a view of Delft Vermeer gives us the world As a new Vermeer exhibition opens at the Rijksmuseum the largest of its kind in history Vermeer's Hat offers a fascinating perspective on how the burgeoning forces of trade and commerce shaped Vermeer's masterpieces *Arts & Decoration*, 1919 *Glittenberg v. Doughboy Recreational Industries (On Rehearing)*; *Spaulding v. Lesco International Corporation*; *Horen v. Coleco Industries*, 441 MICH 379 (1992), 1992 85391 88580 88429

Western Visions of the Far East in a Transpacific Age, 1522-1657

Christina H. Lee,2016-02-17 Bringing to bear the latest developments across various areas of research and disciplines this collection provides a broad perspective on how Western Europe made sense of a complex multi faceted and by and large Sino centered East and Southeast Asia The volume covers the transpacific period after Magellan s opening of the transpacific route to the Far East and before the eventual dominance of the region by the British and the Dutch In contrast to the period of the Enlightenment during which Orientalist discourses arose this initial period of encounters and conquest is characterized by an enormous curiosity and a desire to seize not only materially but intellectually the lands and peoples of East Asia The essays investigate European visions of the Far East particularly of China and Japan and examine how and why particular representations of Asians and their cultural practices were constructed revised and adapted Collectively the essays show that images of the Far East were filtered by worldviews that ranged from being on the one hand universalistic and relatively equitable towards cultures to the other extreme unilaterally Eurocentric Marco Polo's Asia Leonardo Olschki,2024-03-29 An overview of Marco Polo s book called Description of the World Il Milione in Italian It places Il Milione in historical context and with details of Marco Polo s life This title was originally published in 1960 An overview of Marco Polo s book called Description of the World Il Milione in Italian It places Il Milione in historical context and with details of Marco Polo s life This title was originally published in 1960 *The Mongol Archive in Late Medieval France* Mark Cruse,2025-02-15 The Mongol Archive in Late Medieval France is the first comprehensive study of contact between France and the Mongols in the late Middle Ages As these realms expanded across Eurasia the French through crusade and settlement the Mongols through conquest their encounters altered each other s understanding of the world and their place in it The Mongol influence on French culture is visible in what Mark Cruse calls the Mongol archive a wide range of materials including chronicles crusade treatises encyclopedias manuscript illuminations maps romances and travel accounts revealing how the French court made sense of a people previously unknown to the European intellectual tradition Cruse mines this archive of Franco Mongol contact to reassess France s place in the continental history of medieval Eurasia By comparing the French and Mongol courts Cruse shows how their similarities allowed meaningful communication between them and highlights the surprising connections diplomatic intellectual and genealogical across vast distances The library of King Charles V r 1364 1380 one of the largest in medieval Europe is a monument to the richness of these encounters which anticipate the global interconnectedness of the modern world Ultimately the innovative approach in *The Mongol Archive in Late Medieval France* toward French conceptions of and relations with the Mongols demonstrates how a global perspective transforms our understanding of the medieval world Lead with Super Clarity Maanda Tshifularo,2022-08-05 These are difficult times The Covid 19 pandemic has proved to us that we cannot rely on tomorrow to be like today there is no such thing as business as usual The social and economic upheaval has been devastating and its effects long lasting making these times even more uncertain The antidote to this uncertainty is clarity Maanda Tshifularo has had the privilege of interacting

with successful innovators culture shifters business leaders and thought leaders and their common success denominator is the ability to see say and do things with purposeful clarity He has identified Super Clarity as the differentiator that helps leaders navigate the ambiguity and half heartedness which have become the default state in many organisations leading to plummeting employee morale and productivity Not only does a super clear leader achieve and make a meaningful contribution but they also experience remarkable joy and personal growth in the journey It has never been more crucial for leaders to provide clarity and in this book Maanda defines and explains the importance of Super Clarity and how to translate purpose into our day to day activities to unlock exceptional results job satisfaction team cohesion and employee engagement He outlines in Lead with Super Clarity the critical steps that we can take as business leaders or in our own lives to foster clarity and in so doing create an environment characterised by purpose insight and alignment Maanda Tshifularo is the CEO and Founder of SuperLead Advisory a strategy operations and leadership consultancy an adjunct faculty at the Gordon Institute of Business Science GIBS an executive coach Integral Coach UCT GSB and certified Gallup Strength Coach and host of the SuperLead podcast and leadership summits As an experienced executive he has a track record of leading business turn arounds new business ventures development and driving innovation and growth initiatives

Texts and Contexts in Ancient and Medieval Science John Emery Murdoch, Edith Dudley Sylla, Michael Rogers McVaugh, 1997 Written in honor of John E Murdoch's seventieth birthday the essays collected here focus on the interpretation of ancient and scientific texts not just as isolated intellectual productions but as responses to particular settings or contexts

The Return of Marco Polo's World Robert D. Kaplan, 2019-05-21 A bracing assessment of U S foreign policy and world disorder over the past two decades from the bestselling author of *The Revenge of Geography* and *The Coming Anarchy* Kaplan has emerged not only as an eloquent defender of foreign policy realism but as a grand strategist to whom the Pentagon turns for a tour d horizon The Wall Street Journal In the late thirteenth century Marco Polo began a decades long trek from Venice to China along the trade route between Europe and Asia known as the Silk Road a foundation of Kublai Khan's sprawling empire Now in the early twenty first century the Chinese regime has proposed a land and maritime Silk Road that duplicates exactly the route Marco Polo traveled Drawing on decades of firsthand experience as a foreign correspondent and military embed for The Atlantic Robert D Kaplan outlines the timeless principles that should shape America's role in a turbulent world that encompasses the Chinese challenge From Kaplan's immediate thoughts on President Trump to a frank examination of what will happen in the event of war with North Korea these essays are a vigorous reckoning with the difficult choices the United States will face in the years ahead Praise for *The Return of Marco Polo's World* Elegant and humane a prophecy from an observer with a depressingly accurate record of predictions Bret Stephens The New York Times Book Review These essays constitute a truly pathbreaking brilliant synthesis and analysis of geographic political technological and economic trends with far reaching consequences The Return of Marco Polo's World is another work by Robert D Kaplan that will be regarded as a classic General David Petraeus

U S Army Ret Thoughtful unsettling but not apocalyptic analyses of world affairs flow steadily off the presses and this is a superior example Presented with enough verve and insight to tempt readers to set it aside to reread in a few years Kirkus Review starred review An astute powerfully stated and bracing presentation Booklist This volume compiles sixteen major essays on America s foreign policy from national security commentator Kaplan An overview of thoughtful multilayered positions and perspectives evolving through changing circumstances Publishers Weekly Entangled Edens Candace Slater,2002 The skill with which Slater combines various levels and modalities of narrative utilizing her personal experience as a colorful unifying thread is truly remarkable Antonio Candido author of Antonio Candido On Literature and Society Howard S Becker editor A very important book that quite gracefully elegantly and persuasively moves beyond the usual myth and history format to put at its center stories about the Amazon and the people who tell them Entangled Edens persuasively argues that the Amazon can only be grasped understood and come to terms with through its myths and stories It addresses a very real failing of modern environmentalism which for all its virtues tends to dehumanize and metaphorically depopulate when it does not villainize populations that do share its concerns or share them in very different ways Instead of forcing us to choose between land and people Slater uses the stories and the people who tell them to rethink human relations with nature and each other Richard White author of The Organic Machine The Remaking of the Columbia River Elegant erudite profoundly serious Entangled Edens is a source of inspiration and knowledge for the reader interested in the Amazon Without the cultural tradition and the life experience of Amazonia s people any analysis of the Amazon risks becoming inconsequential or opportunistic This is one of the powerful messages of this important reflection on the Amazon whose greatest riches are ultimately its people Candace Slater has written a book that will last Milton Hatoum author of The Tree of the Seventh Heaven 1994 and The Brothers 2002 Studies in Arthur Schnitzler Herbert W. Reichert,Herman Salinger,2020-05-01 This valuable collection of eight original and penetrating essays by American scholars honors the centenary of the Austrian dramatist s birth The contributors are Kurt Bergel Joseph Dayag Lore Foltin Robert Kann Richard Lawson Walter Perl Herbert Reichert and Robert Donald Spector and they attend to themes from depictions of death to the influence of Nietzsche on Schnitzler s work and his reception in France
