Poltergeists And The Paranormal:

Hauntings and Poltergeists James Houran, Rense Lange, 2001-01-01 Few people can claim the distinction of experiencing first hand such occurrences as hauntings and the presence of poltergeists but countless numbers of people are fascinated by these unexplainable events Written by the world's most knowledgeable authorities in this field the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena The experts come from such backgrounds as anthropology history philosophy psychiatry and sociology and provide sober yet highly readable in depth discussions of numerous ideas and rationalizations for hauntings and poltergeists from a critical and scientific perspective Divided into three major sections sociocultural physical and physiological and psychological perspectives this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists *Is Your House Haunted?* Debi Chestnut, 2011-09-08 A door slams shut by itself The scent of pipe tobacco drifts through an empty room You hear your name being called even though you know you're home alone It seems as if your house is being visited or invaded by someone or something and you're terrified Is there a logical explanation or do you have a real life ghost on your hands There's no reason to live in fear This friendly beginner's guide offers reassurance and practical advice on identifying and putting a stop to any paranormal activity that's creeping you out Discover how to rule out any earthly explanations for strange phenomena A comprehensive overview of all kinds of hauntings and ghosts from harmless family spirits to aggressive poltergeists to malevolent demons will help you understand and identify your unearthly houseguest If you still want to banish your ghost you'll find plenty of simple effective techniques to get the job done and guidance on when it might be necessary to call in paranormal experts *Is Your House Haunted* also includes a paranormal FAQ and advice on how to talk to children about ghosts **Ghosts, Apparitions and Poltergeists** Brian Righi, 2011-10-08 Skeletal remains rotting behind cellar walls temple priests removing brains with iron hooks phantom locomotives roaring across midnight plains Brian Righi isn't making this stuff up The ghost stories he finds in history are far more chilling than any Hollywood horror scene Join the seasoned paranormal investigator on a tour through mankind's millennium old obsession with death and the afterlife Ghosts Apparitions and Poltergeists surveys 4 000 years of hauntings and ghost huntings from the embalming rituals of ancient Egypt to the Ouija boards and séances of nineteenth century Spiritualism highlighting a few outlandish tales and colorful characters along the way Once you've learned the history launch a paranormal investigation of your own with Righi's guide to modern ghost hunting full of detailed advice culled from his seven years of experience in the field [Investigating Hauntings, Ghosts, and Poltergeists](#) Robin S. Doak, 2011 Covers ghostly phenomena including specific cases and skeptical arguments against hauntings Provided by publisher **Handbook to Ghosts, Poltergeists, and Haunted Houses** Sean McCollum, 2016-08 Explores stories and legends of ghosts poltergeists and hauntings including discussion of saeances and

ghost hunting Poltergeists and the Paranormal Reuben Stone,1993 **More True Tales of the Paranormal** Kimberly Molto,2008-09-15 From phone calls from the dead to various forms of hauntings this fascinating collection of true paranormal accounts written by a researcher and scientist documents the experiences people from all walks of life have had with the supernatural **Ghost Worlds** Melba Goodwyn,2011-10-08 From communicating with spirits to witnessing orbs burst from an inter dimensional portal Melba Goodwyn has seen it all as a psychic spirit investigator In this fascinating examination of paranormal phenomena she offers original insights into the nature of ghosts and haunting true stories of her thrilling adventures and practical ghost hunting tips How are traditional ghosts different from poltergeists How does a place or an object become haunted What are orbs ecto mist vortexes and energy anomalies Goodwyn defines different kinds of ghosts and entities how they manifest and why they are attracted to certain places There is also advice for those who wish to go on their own ghost hunts Discover how to create an environment conducive for attracting spirits record their presence and conduct a ghost interview *What is a Poltergeist?* Geoff Holder,2020-01-07 The author of *Poltergeist Over Scotland* embarks on an in depth study of the characteristics that imbue the paranormal world s noisy ghosts *What Is a Poltergeist* is an introduction to the mysterious phenomenon examining the theories and presenting the latest research evidence for poltergeist activity In trying to define a poltergeist author Geoff Holder ponders such questions as Are they the restless souls of the dead Demons Witches familiars Household spirits Mysterious earth energies Unknown powers of the mind Or hoaxes This ebook takes the well known poltergeist phenomena the movement of objects by invisible forces the noises the eruptions of fire water and electrical disturbance and maps them against changing ideas and beliefs The author presents the latest theories and research evidence in his search for answers *What is a Poltergeist* is part of *The Paranormal* a series that resurrects rare titles classic publications and out of print texts as well as publishes new supernatural and otherworldly ebooks for the digital age The series includes a range of paranormal subjects from angels fairies and UFOs to near death experiences vampires ghosts and witchcraft **Ghosts and Poltergeists in History** Anita Croy,2019-07-15 One reason why supernatural ghost films are so terrifying is simple ghosts may actually exist Ghosts pop up everywhere in popular culture but the ideology behind them has its roots deep in history The belief in life beyond death and hauntings started in ancient Mesopotamia and Egypt then grew over time as did ghost traditions and superstitions around the world It s difficult to ignore the numerous accounts of ghost and poltergeist sightings so readers beware some of these tales may seem a bit too realistic for comfort Ghost Hunting Michael Clarkson,2015-07-15 Poltergeists mischievous spirits ghosts of the dead or other strange energies are said to be responsible for a good deal of unexplainable phenomena However often the only clues they leave to their existence are floating objects broken or missing household items strange noises and other minor disturbances always rendering the investigations of such claims inconclusive Leaving room for both believers and skeptics the author of this volume examines a smattering of reported poltergeist activity from spooky to thrilling to playful from

The Secret History of Poltergeists and Haunted Houses Claude Lecouteux,2012-04-26 What poltergeist accounts through the ages reveal about our own worldviews Provides a wide array of case studies from ancient Greece and Rome to medieval Europe to the modern world Explores the relationship between poltergeists and troubled adolescence Looks beneath the Christian adulteration of pagan practices to reveal the hidden ancestral beliefs tied to poltergeists and haunted houses Stories of poltergeists and their mischievous and sometimes violent actions knocking stone or chair throwing moving objects with invisible hands and slamming or opening doors are a constant through the ages What changes is how we interpret this activity For our pagan ancestors this phenomenon was caused by helper spirits whose manifestations revealed their unhappiness with a household The medieval Christian church demonized these once helpful spirits and held exorcisms to expel them from the houses they haunted which proved effective less than half the time The Age of Enlightenment cast these incidents as clever hoaxes and many still believe this today But poltergeist manifestations continue to appear and often defy attempts to debunk them as pranks What then is behind this phenomenon Exploring accounts of poltergeists from ancient Greece and Rome medieval Europe and the modern world Claude Lecouteux finds that while our interpretations of poltergeists may change the manifestations always follow a similar course and evolution He shows how modern scientific studies of poltergeist manifestations have found a strong tie between these visitations and the presence of a troubled adolescent in the house Looking beneath the Christian adulteration of pagan practices to reveal the hidden ancestral beliefs tied to poltergeists and haunted houses the author shows how these unhappy spirits serve as confirmation of the supernatural beings that share the earth with us and of our relationship with the natural and unseen world a relationship we must take care to keep in balance **Hauntings and Poltergeists** Loyd Auerbach,2005-06-15 Explains the theories behind ghostly phenomena from the perspective of parapsychology Covers whether or not anyone can prove the existence of ghosts What these hauntings and poltergeists are and what they tell us about human experience How knowledge of parapsychological lab research enhances understanding of apparitions hauntings and poltergeists both from the perspective of an investigator and the people who encounters them How investigators can recognize and enhance their psychic abilities Written by a world renowned ghostbuster Loyd Auerbach **Poltergeists** Michael Clarkson,2006 A compelling examination of poltergeist phenomena At least thirty five police officers around the world in at least thirteen separate cases dating back to 1952 claim to have witnessed some form of poltergeist activity Nine of them were assaulted by what they say was a poltergeist but none was seriously injured and no one has been charged nor have the mysteries been solved definitively There are numerous cases of hauntings studied throughout the world every year many of which hold up to close scrutiny Poltergeists takes a look at a number of these in depth case studies An eleven year old boy inhabited by a poltergeist who

causes photographs to become moving pictures and elevates a chair with a police officer sitting on it Fourteen year old Tina Resch who with her anger appears to make glasses airborne move tables and send telephones flying The Hodgson family who are terrorized by flying Lego pieces that are hot to the touch and furniture that moves of its own accord usually in the presence of eleven year old Janet Eleven year old Virginia Campbell who seems to cause heavy furniture to move at home and desks to float at school always in twenty eight day cycles A twelve year old Kentucky boy who subconsciously moves heavy objects in the presence of two parapsychologists watching him closely for signs of trickery For his investigations Clarkson interviewed hundreds of witnesses paranormal experts psychologists professors magicians and skeptics While it may raise as many questions as it answers Poltergeists is an undeniably fascinating study of the paranormal Poltergeists and the Paranormal ,2008 Ghosts and Poltergeists David West,2006-01-15 In graphic novel format illustrates three cases of humans interacting with ghosts or poltergeists **Poltergeists** Nigel Cawthorne,Rupert Matthews,2009-09-01 This book is an exploration of the phenomenon from earliest times to the present day that highlights the variety of activities of these most frightening of phantoms the efforts of researchers to document and understand the phenomenon and the explanations that have been put forward Written in an easy reading style that makes this potentially complex and difficult subject understandable to the non specialist True Tales of the Paranormal Kimberly Molto,2002-09-01 There are things in this world that we cannot explain and occurrences that make us ponder the very nature of our existence True Tales of the Paranormal is an intriguing examination of reincarnation premonitions and other spooky inexplicables from a scientific perspective exploring modern scientific theories and current research The author also provides suggestions on how to deal with paranormal experiences and where to go for help and information Even readers who have never had psychic experiences will be drawn into the lives of those who have and will be left questioning the world as we know it

Poltergeists Hans Holzer,2012-09-25 DIVParanormal expert Hanz Holzer investigates some of the most famous poltergeists in history divDIV Poltergeist is a German term that translates simply to noisy ghost One of the main characteristics of a poltergeist is its high level of activity it often manifests itself by moving or even throwing objects Professor Hans Holzer reexamines these most menacing of hauntings including the famous case of the Bell Witch of Tennessee a nineteenth century spirit and the Millbrae Poltergeist which crashes around a suburban home div
