Polyeucte Tragedie

Pierre Corneille

Polyeucte Tragedie:

Playing the Martyr Christopher Semk, 2017-01-06 *Playing the Martyr* is a book about the interplay between theater and religion in early modern France. Challenging the standard narrative of modernity as a process of increased secularization, Christopher Semk demonstrates the centrality of religious thought and practices to the development of neoclassical poetics. Engaging with a broad corpus of religious plays, poetic treatises, devotional literature, and contemporary theory, Semk shows that religion was a vital interlocutor in early modern discussions concerning the definition of verisimilitude, the nature and purpose of spectacle, the mechanics of acting, and the position of the spectator. Well researched and persuasively argued, *Playing the Martyr* makes the case for a more complicated approach to the relationship between religion and literature, namely one that does not treat religion as a theme deployed within literary works but as an active player in literary invention. Indeed, it makes the case for a serious reconsideration of the role that religion plays in the development of modern secular literary forms.

The play as a masterpiece of literature is discussed chiefly in the Introduction. The notes are devoted for the most part to explaining the many points in which Corneille's language and syntax differed from modern usage, genuine difficulties often unsuspected by the student. Polyeucte Pierre Corneille, 1883 The Poets and Prose Writers of France Gustave Masson, 1861 Corneille's Tragedies Roy Clement Knight, 1991-01-01. Corneille virtually founded seventeenth-century French tragedy. *Le Cid* and the three subsequent tragedies gave the genre its models and much of its theory. Many critics have created a synthetic picture of Cornelian heroism by seeing these four plays as representative of all Corneille's work, thus neglecting the sixteen others that followed. Now the tide has turned: scholars are trying to analyse the meaning of Corneille's work with close reference to historical events and political ideas.
