Polygamy Prostitutes And Death The Hellenistic Dynasties:

Polygamy, Prostitutes and Death Daniel Ogden, 1999 The hellenistic royal families from Alexander the Great to the last Cleopatra took part in dynastic in fighting that was vicious colourful and instructive In this they anticipated by centuries the better known excesses under Roman potentates such as Claudius and Nero This major new study explores the intricate quarrels and violence within the ruling hellenistic families A main theme is the role of amphimetric disputes competition between a ruler s offspring from different women The book also includes a full exploration of the role of courtesans in the political and sexual intrigues of the hellenistic courts Polygamy, Prostitutes and Death Daniel Ogden, 2023-05-22 The hellenistic royal families from Alexander the Great to the last Cleopatra took part in dynastic in fighting that was vicious colourful and instructive In this they anticipated by centuries the better known excesses under Roman potentates such as Claudius and Nero This new enhanced and revised edition of a major study explores the intricate quarrels and violence within the ruling hellenistic families A main theme is the role of amphimetric disputes competition between a ruler s offspring from different women and especially between the women themselves The book also includes a full exploration of the role of courtesans in the political and sexual intrigues of the hellenistic courts Polygamy, Prostitutes and Death: the Hellenistic Dynasties Daniel Ogden, 2010

Royal Women and Dynastic Loyalty Caroline Dunn, Elizabeth Carney, 2018-05-21 Royal women did much more to wield power besides marrying the king and producing the heir Subverting the dichotomies of public private and formal informal that gender public authority as male and informal authority as female this book examines royal women as agents of influence With an expansive chronological and geographic scope from ancient to early modern and covering Egypt Great Britain the Ottoman Empire and Asia Minor these essays trace patterns of influence often disguised by narrower studies of government studies and officials Contributors highlight the theme of dynastic loyalty by focusing on the roles and actions of individual royal women examining patterns within dynasties and considering what factors generated loyalty and disloyalty to a dynasty or individual ruler Contributors show that whether serving as the font of dynastic authority or playing informal roles of child bearer patron or religious promoter royal women have been central to the issue of dynastic loyalty throughout the ancient medieval and modern eras New Perspectives in Seleucid History, Archaeology and Numismatics Roland Oetjen, 2019-12-16 Dedicated to Getzel M Cohen a leading expert in Seleucid history this volume gathers 45 contributions on Seleucid history archaeology numismatics political relations policy toward the Jews Greek cities non Greek populations peripheral and neighboring regions imperial administration economy and public finances and ancient descriptions of the Seleucid Empire The reader will gain an international perspective on current research *The Routledge Companion to Women and Monarchy in the Ancient Mediterranean World* Elizabeth D. Carney, Sabine Müller, 2020-11-09 This volume offers the first comprehensive look at the role of women in the monarchies of the ancient Mediterranean It consistently addresses certain issues across all dynasties title role in succession the situation of

mothers wives and daughters of kings regnant and co regnant women role in cult and in dynastic image and examines a sampling of the careers of individual women while placing them within broader contexts Written by an international group of experts this collection is based on the assumption that women played a fundamental role in ancient monarchy that they were part of not apart from it and that it is necessary to understand their role to understand ancient monarchies This is a crucial resource for anyone interested in the role of women in antiquity

The Cleopatras Lloyd Llewellyn-Jones, 2024-05-21 The definitive story of the seven Cleopatras the powerful goddess queens of ancient Egypt One of history's most iconic figures Cleopatra is rightly remembered as a clever and charismatic ruler But few today realize that she was the last in a long line of Egyptian queens who bore that name In *The Cleopatras* historian Lloyd Llewellyn Jones tells the dramatic story of these seven incomparable women vividly recapturing the lost world of Hellenistic Egypt and tracing the kingdom's final centuries before its fall to Rome The Cleopatras were Greek speaking descendants of Ptolemy the general who conquered Egypt alongside Alexander the Great They were closely related as mothers daughters sisters half sisters and nieces Each wielded absolute power easily overshadowing their husbands or sons and all proved to be shrewd and capable leaders Styling themselves as goddess queens the Cleopatras ruled through the canny deployment of arcane rituals opulent spectacles and unparalleled wealth They navigated political turmoil and court intrigues led armies into battle and commanded fleets of ships and ruthlessly dispatched their dynastic rivals *The Cleopatras* is a fascinating and richly textured biography of seven extraordinary women restoring these queens to their deserved place among history's greatest rulers

Culture and Ideology under the Seleukids Eva Anagnostou-Laoutides, Stefan Pfeiffer, 2022-01-19 The volume offers a timely re appraisal of Seleukid cultural dynamics While the engagement of Seleukid kings with local populations and the issue of Hellenization are still debated a movement away from the Greco centric approach to the study of the sources has gained pace Increasingly textual sources are read alongside archaeological and numismatic evidence and relevant near eastern records are consulted Our study of Seleukid kingship adheres to two game changing principles 1 We are not interested in judging the Seleukids as strong or weak whether in their interactions with other Hellenistic kingdoms or with the populations they ruled 2 While appreciating the value of the social imaginaries approach Stavrianopoulou 2013 we argue that the use of ethnic identity in antiquity remains problematic Through a pluralistic approach in line with the complex cultural considerations that informed Seleukid royal agendas we examine the concept of kingship and its gender aspects tensions between centre and periphery the level of acculturation intended and achieved under the Seleukids the Seleukid Ptolemaic interrelations As rulers of a multi cultural empire the Seleukids were deeply aware of cultural politics

Greece and Mesopotamia Johannes Haubold, 2013-06-27 This book proposes a new approach to the study of ancient Greek and Mesopotamian literature Ranging from Homer and Gilgamesh to Herodotus and the Babylonian Greek author Berossos it paints a picture of two literary cultures that over the course of time became profoundly entwined Along the way the book addresses many questions

that are of interest to the student of the ancient world how did the literature of Greece relate to that of its eastern neighbours What did ancient readers from different cultures think it meant to be human Who invented the writing of universal history as we know it How did the Greeks come to divide the world into Greeks and barbarians and what happened when they came to live alongside those barbarians after the conquests of Alexander the Great In addressing these questions the book draws on cutting edge research in comparative literature postcolonial studies and archive theory **Keeping Watch in Babylon** Johannes Haubold, John Steele, Kathryn Stevens, 2019-05-07 This volume of collected essays the first of its kind in any language investigates the Astronomical Diaries from ancient Babylon a collection of almost 1000 clay tablets which over a period of some five hundred years 6th century to 1st century BCE record observations of selected astronomical phenomena as well as the economy and history of Mesopotamia and surrounding regions The volume asks who the scholars were what motivated them to keep watch in Babylon and how their approach changed in the course of the collection s long history Contributors come from a range of disciplinary backgrounds including Assyriology Classics ancient history the history of science and the history of religion Babylon has always exerted a magical charm on everyone who has been told of its splendour and grandeur Nobody who has succumbed to this charm whether he is a layman who just wants to browse a little in his search for old secrets or a scholar who wants to inform himself about the latest academic research will be disappointed by this volume Erlend Gehlken Universit t Frankfurt Main in Bryn Mawr Classical Review February 2 2020 **Freewomen, Patriarchal Authority, and the Accusation of Prostitution** Stephanie Lynn Budin, 2021-05-30 Examining freewomen in Mesopotamian society ancient Greek hetaira Renaissance Italy courtesans historical and modern Japanese geisha and the Hindu devad s of India Stephanie Lynn Budin makes a wide ranging study of independent women who have historically been dismissed as prostitutes The purpose of this book is to rectify a well entrenched misunderstanding about a category of women existing throughout world history women who were not and are not under patriarchal authority here called Freewomen Having neither father nor husband and not being bound to any religious authority monitoring their sexuality these women are understood to be prostitutes and the terminology designating them appears as such in dictionaries and common parlance This book examines five case studies of such women the Mesopotamian ar mtu the Greek hetaira the Italian cortigiana onesta the Japanese geisha and the Indian devad s Thus the book goes from the dawn of written history to the present day from ancient Europe and the Near East through modern Asia comparatively examining how each of these cultures had its own version of the Freewoman and what this meant in terms of sexuality gender and culture This work also considers the historiographic infelicities that gave rise and continuance to this misreading of the historic and ethnographic record This engaging and provocative study will be of great interest to students and scholars working in Gender and Sexuality Studies Women s History Classical Studies Ancient Near Eastern and Biblical Studies Asian Studies World Cultures and Historiography The Courts of Philip II and Alexander the Great Frances Pownall, Sulochana R. Asirvatham, Sabine

Müller,2022-01-19 Recent scholarship has recognized that Philip II and Alexander the Great adopted elements of their self fashioning and court ceremonial from previous empires in the Ancient Near East but it is generally assumed that the advent of the Macedonian court as a locus of politics and culture occurred only in the post Alexander landscape of the Hellenistic Successors This volume of ground breaking essays by leading scholars on Ancient Macedonia goes beyond existing research questions to assess the profound impact of Philip and Alexander on court culture throughout the ages The papers in this volume offer a thematic approach focusing upon key institutional cultural social ideological and iconographical aspects of the reigns of Philip and Alexander The authors treat the Macedonian court not only as a historical reality but also as an object of fascination to contemporary Greeks that ultimately became a topos in later reflections on the lives and careers of Philip and Alexander This collection of papers provides a paradigm shifting recognition of the seminal roles of Philip and Alexander in the emergence of a new kind of Macedonian kingship and court culture that was spectacularly successful and transformative

Motherhood in Antiquity Dana Cooper,Claire Phelan,2017-03-07 This edited collection examines concepts and realities of motherhood in the ancient world The collection uses essays on the Roman Empire Mesoamerica the Philippines Egypt and India to emphasize the concept of motherhood as a worldwide phenomenon and experience While covering a wide geographical range the editors arranged the collection thematically to explore themes including the relationship between the mother particularly ruling mothers and children and the mother in real life and legend Some essays explore related issues such as adaptation and child custody after divorce in ancient Egypt and the mother in religious culture of late antiquity and the ancient Buddhist Indian world The contributors utilize a variety of methodologies and approaches including textual analysis and archaeological analysis in addition to traditional historical methodology **Families in the Greco-Roman**

World Ray Laurence,Agneta Stromberg,2012-02-02 New approaches to the study of the family in antiquity **Brill's Companion to the Reception of Alexander the Great** ,2018-09-11 Brill s Companion to the Reception of Alexander the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject s significant impact across a sometimes surprising and comprehensive variety of areas Arguably no other historical figure has cast such a long shadow for so long a time Every civilisation touched by the Macedonian Conqueror along with many more that he never imagined has scrambled to own some part of his legacy This volume canvasses a comprehensive array of these receptions beginning from Alexander s own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure *The Early Seleukids, their Gods and their Coins* Kyle Erickson,2018-11-12 Before Alexander the Near East was ruled by dynasts who could draw on the significant resources and power base of their homeland but this was not the case for the Seleukids who never controlled their original homeland of Macedon The Early Seleukids their Gods and their Coins argues that rather than projecting an imperialistic Greek image of rule the Seleukid kings deliberately produced images that represented their personal power and that were comprehensible to the majority of their

subjects within their own cultural traditions These images relied heavily on the syncretism between Greek and local gods in particular their ancestor Apollo The Early Seleukids their Gods and their Coins examines how the Seleukids from Seleukos I to Antiochos IV used coinage to propagandise their governing ideology It offers a valuable resource to students of the Seleukids and of Hellenistic kingship more broadly numismatics and the interplay of ancient Greek religion and politics

Sexuality in Greek and Roman Culture Marilyn B. Skinner, 2013-08-19 This agenda setting text has been fully revised in its second edition with coverage extended into the Christian era It remains the most comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome Covers a wide range of subjects including Greek pederasty and the symposium ancient prostitution representations of women in Greece and Rome and the public regulation of sexual behavior Expanded coverage extends to the advent of Christianity includes added illustrations and offers student friendly pedagogical features Text boxes supply intriguing information about tangential topics Gives a thorough overview of current literature while encouraging further reading and discussion Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered *Farewell to Shulamit* Carsten Wilke, 2017-04-10 The Song of Songs a lyric cycle of love scenes without a narrative plot has often been considered as the Bible's most beautiful and enigmatic book The present study questions the still dominant exegetical convention that merges all of the Song's voices into the dialogue of a single couple its composite heroine Shulamit being a projection screen for norms of womanhood An alternative socio spatial reading starting with the Hebrew text's strophic patterns and its references to historical realia explores the poem's artful alternation between courtly urban rural and pastoral scenes with their distinct characters The literary construction of social difference juxtaposes class specific patterns of consumption mobility emotion power structures and gender relations This new image of the cycle as a detailed poetic frieze of ancient society eventually leads to a precise hypothesis concerning its literary and religious context in the Hellenistic age as well as its geographical origins in the multiethnic borderland east of the Jordan In a Jewish echo of anthropological skepticism the poem emphasizes the plurality and relativity of the human condition while praising the communicative powers of pleasure fantasy and multifarious Eros

The Land of the Elephant Kings Paul J. Kosmin, 2014-06-23 A Choice Outstanding Academic Title of the Year The Seleucid Empire 311-64 BCE was unlike anything the ancient Mediterranean and Near Eastern worlds had seen Stretching from present day Bulgaria to Tajikistan the bulk of Alexander the Great's Asian conquests the kingdom encompassed a territory of remarkable ethnic religious and linguistic diversity yet it did not include Macedonia the ancestral homeland of the dynasty The Land of the Elephant Kings investigates how the Seleucid kings ruling over lands to which they had no historic claim attempted to transform this territory into a coherent and meaningful space This engaging book appeals to the specialist and non specialist alike Kosmin has successfully brought together a number of disparate fields in a new and creative way that will cause a reevaluation of how the Seleucids have traditionally been studied Jeffrey D Lerner American Historical Review It is a

useful and bright introduction to Seleucid ideology history and position in the ancient world Jan P Stronk American Journal of Archaeology

Philip II and Alexander the Great Elizabeth Carney, Daniel Ogden, 2010-06-24 The careers of Philip II and his son Alexander the Great III were interlocked in innumerable ways Philip II centralized ancient Macedonia created an army of unprecedented skill and flexibility came to dominate the Greek peninsula and planned the invasion of the Persian Empire with a combined Graeco Macedonian force but it was Alexander who actually led the invading forces defeated the great Persian Empire took his army to the borders of modern India and created a monarchy and empire that despite its fragmentation shaped the political cultural and religious world of the Hellenistic era Alexander drove the engine his father had built but had he not done so Philip's achievements might have proved as ephemeral as had those of so many earlier Macedonian rulers On the other hand some scholars believe that Alexander played a role direct or indirect in the murder of his father so that he could lead the expedition to Asia that his father had organized In short it is difficult to understand or assess one without considering the other This collection of previously unpublished articles looks at the careers and impact of father and son together Some of the articles consider only one of the Macedonian rulers although most deal with both and with the relationship actual or imagined between the two The volume will contain articles on military and political history but also articles that look at the self generated public images of Philip and Alexander the counter images created by their enemies and a number that look at how later periods understood them concluding with the Hollywood depiction of the relationship Despite the plethora of collected works that deal with Philip and Alexander this volume promises to make a genuine contribution to the field by focusing specifically on their relationship to one another

When people should go to the ebook stores, search foundation by shop, shelf by shelf, it is in reality problematic. This is why we present the books compilations in this website. It will very ease you to look guide **Polygamy Prostitutes And Death The Hellenistics Dynasties** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. Polygamy Prostitutes And Death The Hellenistics Dynasties Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Polygamy Prostitutes And Death The Hellenistics Dynasties PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Polygamy Prostitutes And Death The Hellenistics Dynasties PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Polygamy Prostitutes And Death The Hellenistics Dynasties free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Polygamy Prostitutes And Death The Hellenistics Dynasties Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
