Power Of Agreement:

The Power of Agreement Ron Phillips, Ron Phillips Dmin, Ronnie Phillips, 2014 God has an amazing life planned for you A life of purpose blessings and good success surrounded by people who want to help you reach your fullest potential *The Power of Agreement* Daryl Allen, 2009-02-01 Whether we realize it or not you and I enter into agreement with something or someone every day Some knowingly and some unknowingly Some spiritual and some natural Some on paper and some with a handshake Some with words and some with a nod of the head or with just the wink of an eye Right wrong good bad or indifferent we come into agreement with something or someone every single day of our lives Agreement is powerful Agreement is unbiased Agreement is a process Agreement can be temporal or last a lifetime But the key to any form of agreement is the power to choose Can two walk together except they be agreed Amos 3:3 Power of Agreement Al Houghton, 1981 The Power of Agreement Prophet T. D. Suggs, 2019-11 Sit back get you a cup of coffee or tea let's spend some time together You might want to put on your seat belt because it's going to be a life changing ride Let me ask you a question what are you in agreement with What would your answer be I'm pretty sure your next thought would be what on earth is he talking about For us to be on the same page I feel it's necessary that I lay out the definition of agreement Agreement simply means the state of being in accord Whatever you come in agreement within your mind it becomes your reality The mind is so complex that the word of God states that we should take on the mind of Christ That's why it's most important to have a relationship with Jesus Christ so we can first be in agreement with God the Father In order for the power of God to be present in your life the deity of Jesus must flow from your heart and mind in other words you have to love what He loves and hate what He hates He is the author and the finisher of our faith All throughout life as I have reflected I've noticed that most times conflict comes between two people it's mostly due to some form of disagreement wouldn't you agree My prayer is by the end of this book you'll understand that there's Power in agreement Now as I take you on this journey drop your guard forgive those that have hurt you replace that hurt with the love of God The Spirit of the Lord gave me this therefore not only will you recognize that there's Power in agreement but when you agree with the Laws of God you place yourself in his presence What I'm about to share with you is not only going to change your mind but also propel you into purpose I'm already aware that this book will push you out your comfort zone but hang in there because you'll be a better person when you finish reading Now that I have your attention let's have this one on one conversation Have you ever agreed with someone only to find out they were in error but you inherited the same fate as they did Or have you ever leaned on your own understanding only to find out later that your decision or actions warranted the guidance of God Prayer Partnerships Ruthanne Garlock, Quin Sherrer, 2001 Speakers authors and intercessors Quin Sherrer and Ruthanne Garlock explain how prayer partnerships help believers who want to learn to pray with friends spouses parents siblings children or groups The authors include helpful how to information on how to begin with guidelines for developing a prayer partnership ERDA.
