Queens Of The Klondike:

The Weans Robert Nathan, 2016-08-09 Nothing has so completely stirred the imagination of the entire civilized world as the recent discovery of a civilization lost for more than 5 000 years of the Weans of the Great West or Salt Continent Now for the first time this fascinating story of the expeditions of Kenya's greatest scientists is told in terms comprehensible to the general reader Who were these Weans whose eastern coast was guarded by a ferocious giantess who worshipped among others a root deity and danced when the spirit came down and whose final destruction and disappearance is shrouded in mystery You will thrill as who has not to the descriptions of the rich finds in the diggings at n Yok Bosstin and Oleens and the spectacular discoveries in the Valley of the Sun by the team of Sri B Han Bollek Bes Nef and his wife Sra Bess Nebby and Nat Obelgerst Levy here related by Robert Nathan who was himself a member of one of the three triumphant expeditions generously underwritten by the Konegi Foundation and the archaeological departments of the universities of Kenya Uganda and Ruwenzori This will be the big archaeological book of the century Nat Obelgerst Levy Archaeol D Ruwenzori University

Calgary's Stampede Queens Jennifer Hamblin, 2014 Alongside images of racing chuckwagons cowboys on bucking broncos and Aboriginal people in full regalia one of the most recognizable and enduring symbols of the Calgary Stampede is a trio of pretty cowgirls wearing white hat crowns Not surprisingly modern day Stampede Queens and Princesses make more than 450 public appearances per year promoting the show and the city of Calgary both at home and abroad But the fair was nearly six decades old before it appointed a royal representative to promote its interests In 1946 Patsy Rodgers became the Stampede's first rodeo queen The following year a local service club raised funds by sponsoring a contest for Queen of the Stampede Although it bore little resemblance to its modern counterpart this early competition based on ticket sales was widely popular and over the next few decades raised the equivalent of one million dollars for local charities and service projects From the beginning the Stampede recognized the promotional potential of the royal figureheads and worked to ensure that winners were credible representatives of what quickly became a year round public relations job In 1966 the Stampede officially took over and modernized the contest but it would take many decades of trial and error evolution to perfect the process of selecting and training its royalty Against a backdrop of changing times and drawing on contemporary sources and personal interviews the author traces the origin and development of the Calgary Stampede Queen contest and profiles its lucky young winners over seven exciting decades Complete with a large selection of archival photos Calgary's Stampede Queens tells the story from this fascinating corner of The Greatest Outdoor Show on Earth **Never Enough**

Michael D'Antonio, 2015-09-22 In the summer of 2015 as he vaulted to the lead among the many GOP candidates for president Donald Trump was the only one dogged by questions about his true intentions This most famous American businessman had played the role of provocateur so often that pundits reporters and voters struggled to believe that he was a serious contender Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic

to the race But as Michael D Antonio shows in *Never Enough* Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being As revealed in this landmark biography Donald Trump is a man whose appetite for wealth attention power and conquest is practically insatiable Declaring that he is still the person he was as a rascally little boy Trump confesses that he avoids reflecting on himself because I might not like what I see and he believes most people aren't worthy of respect A product of the media age and the Me Generation that emerged in the 1970s Trump was a Broadway showman before he became a developer Mentored by the scoundrel attorney Roy Cohn Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project He leveraged his father's enormous fortune and political connections to get his business off the ground and soon developed a larger than life persona In time and through many setbacks he made himself into a living symbol of extravagance and achievement Drawing upon extensive and exclusive interviews with Trump and many of his family members including all his adult children D Antonio presents the full story of a truly American icon from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms For all those who wonder Just who is Donald Trump *Never Enough* supplies the answer He is a promoter builder performer and politician who pursues success with a drive that borders on obsession and yet has given him almost everything he ever wanted

Herald, 1926 **The Truth About Trump** Michael D'Antonio, 2016-05-31 In one way or another Donald Trump has been a topic of conversation in America for almost forty years No one in the world of business not Bill Gates Steve Jobs or Warren Buffett has been as famous as Trump for as long First associated with high profile real estate development in 1970s Manhattan his name has since become synonymous with success defined by wealth and luxury What does one make of a grown man who when he argues with women stoops to insulting their appearance and habitually courts controversy What if the same man were among the most prominent people in the world and a privately generous person who once handed a dying child a 50 000 check so that he could enjoy the last months of his life Add to the picture a kind of resilience that has allowed him to stage countless comebacks and truly a boundless level of optimism and you get a figure so compelling that he cannot be dismissed simply because of his personality Novelist **The Performance Register of the American Guernsey Cattle Club**, 1942
