Regimes Movements And Ideologies A Comparative Introduction To Political Science:

Regimes, Movements, and Ideologies Mark N. Hagopian, 1984-01 *Regimes, Movements, and Ideologies* Mark N. Hagopian, 1978 **Comparative Judicial Systems** John R. Schmidhauser, 2013-10-22 Comparative Judicial Systems Challenging Frontiers in Conceptual and Empirical Analysis is a comprehensive and cohesive collection of investigative essays written by significant contributors in the field of comparative judicial institutions and politics These essays seek to explain the judicial systems of different nations and analyze their implications The book is divided into three parts Part I deals with the integration of courts into the study of politics and conceptual frameworks in comparative cross national legal and judicial research Part II covers analyses of the judicial systems of a certain nation while Part III compares and analyzes judicial systems of different nations as well as their judicial background in relation to their subculture The text is recommended for lawyers as well as those in the field of political science and in the judicial branch especially those who are looking to countries as examples for the improvement of their local systems **Political Myth** Christopher Flood, 2013-12-02 First Published in 2002 Myth theorists characterize myths as stories that possess the status of sacred truth within one or more social groups Flood discusses how political myth is an ideologically marked narrative that purports to give a true account of a set of past present or predicted political events widely accepted as valid in its essentials Among the topics explored are the historical line of political myth in nineteenth and twentieth century Western political discourse the characteristics of political myths and the forms they take in political life and the ends they serve and the features of political ideologies that are most useful for understanding the nature of political myth **Johannes Bjelke-Petersen** Rae Wear, 2002 A saviour to some reviled by others Johannes Bjelke Petersen became the butt of jokes and even assassination attempts His influence spread well beyond Queensland and in the mid 1970s he put an unknown french polisher into the Senate to help rub out the Whitlam government Young Joh had been a loner who worked hard to overcome crippling childhood polio and the poverty of life on his family s farm Enduring a long apprenticeship as an opposition backbencher he finally made it to the top bringing to his old style autocratic rule a more media savvy appeal to the electorate As this long awaited biography reveals Joh was as cunning as he was ruthless throughout his forty year political career Rae Wear analyses in detail his political psyche his unique leadership style and the reasons for his electoral support taking into account his Danish immigrant background and lifelong Christian piety Essential reading for anyone interested in Australian politics this biographical study explains in depth for the first time Bjelke Petersen s unlikely elevation to the premiership and his ultimate disgrace amid revelations of widespread corruption **A Comparative Introduction to Political Science** Alan G. Smith, 2016-04-08 When are legislators inclined to cast votes in cooperation with their parties and when do they go their own way When and why do nations contend with each other and when are they more likely to cooperate Thematically arranged around the interplay of contention and cooperation A Comparative Introduction to Political Science encourages students to

explore causal factors and consequences related to political phenomena to become knowledgeable and resourceful citizens of their nations and the world Alan Smith covers how patterns of contention and cooperation and the resulting government policies may be affected by such factors as the surrounding political framework the distribution of influence and political motivation including values as well as material interests To expose students to the politics of specific nations each chapter concludes with two country case studies that illuminate the theme of the chapter Students emerge with a sense of what is going on in the world today Pedagogically the book employs careful sequencing of topics and concepts for clarity and to introduce politics in a natural logical synchronized way At times Smith goes beyond sharp night and day terminological distinctions to add accessible ordinary language based terminology that better captures the real world spectrum between the extremes A Comparative Introduction to Political Science Contention and Cooperation provides a comprehensive teaching and learning package including these ancillaries Test Bank Available for adopters to download the Test Bank provides multiple choice true false and essay questions for each chapter Testing Software This customizable test bank is available as a Word file or in Respondus 4 0 a powerful tool for creating and managing exams that can be printed out or published directly to the most popular learning management systems Exams can be created offline or moved from one LMS to another Respondus LE is available for free and can be used to automate the process of creating printed tests Respondus 3 5 available for purchase or via a school site license prepares tests to be uploaded to an LMS Click here <http://www.respondus.com/products/testbank/search.php> to submit your request Companion Website The open access Companion Website is designed to engage students with the material and reinforce what they ve learned in the classroom For each chapter flash cards and self quizzes help students master the content and apply that knowledge to real life situations Students can access the Companion Website from their computers tablets or mobile devices eBook The full color eBook allows students to access this textbook anytime anywhere The eBook includes the entire print edition rendered in vibrant color and features direct links to the Companion Website PowerPoint Slides For every chapter art slides of all figures and tables are available for adopters to download

George Washington and the Origins of the American Presidency William D. Pederson, Mark J. Rozell, Frank J. Williams, 2000-07-30 This essay collection is a retrospective analysis of the Washington administration s importance to the understanding of the modern presidency Contemporary presidential scholarship gives little attention to the enormous impact that Washington s actions had on establishing the presidency Most contemporary literature starts with 1933 and although FDR s impact on the development of the modern institution of the presidency is undeniable Washington s actions in office also established standards for practices that continue to this day This analysis of the Washington presidency begins with an examination of Washington s leadership and its relevance to the modern presidency The second group of essays looks at different aspects of presidential powers and the precedents established by the Washington administration The third section examines Washington s press coverage looking at the origins of Washington s image and the various myths in the press as well as the president s difficult relations with his contemporary press A thoughtful and important corrective that will be of interest to scholars students and researchers involved with the American presidency and its history

Democratisation in Turkey Huri Türsan, 2004 Party politics has been undergoing a revival in many democracies However parties are much less studied in countries with unstable political regimes Party interactions can help to provide explanations for the emergence and performance of regimes whether of the democratic or authoritarian type This book is a comprehensive case study that

analyses in depth Turkish political parties Starting with broad historical analysis Huri T rrsan takes the reader down to the most recent electoral activities and party politics in a country whose topicality is on the rise not least due to its political problems While the author deals with many issues of politics including the role of the military she focuses on an aspect of party competition which renders democracy problematic in Turkey namely polarisation in party politics along cleavages

Ideology in a Global Age R. Soborski, 2013-06-11 This book challenges the popular view that established ideologies no longer make sense in today's globalizing world Considered from a broad historical perspective major ideological traditions have not become destabilized and incoherent by globalization but remain meaningful political beliefs that shape the globalization debate

A Comparative Introduction to Political Science Robert J. Jackson, Doreen Jackson, 1997 Globally oriented this thoughtfully executed book presents the concepts frameworks and interpretative tools for understanding the diverse range of political systems at work in our world today from democratic to authoritarian Prompting readers to ask What constitutes good government and how it can be achieved it introduces the dynamic worlds of political science politics and government examines theories and methods of comparison and international relations and focuses on both domestic and global factors in promoting change Introducing the ideas which form the basis of political science it compares culture ideology constitutions government institutions public administration elections and parties and interest groups among the world's 192 states Exploring both international and domestic factors in politics it discusses recent

controversies such as the strategic environment disarmament North South Politics human rights environmental economic and health questions Chapters are organized to help readers learn to appreciate the rigorous relationship between concepts and empirical analysis pairing a more general chapter is followed by an empirically oriented chapter concerning all democratic and authoritarian countries For those beginning work in the fields of civics politics government and international affairs The American Political Science Review ,1984 **Choosing an Identity** Sun-Ki Chai,2010-05-06 Social science research is fragmented by the widely differing and seemingly contradictory approaches used by the different disciplines of the social sciences to explain human action Attempts at integrating different social science approaches to explain action have often been frustrated by the difficulty of incorporating cultural assumptions into rational choice theories without robbing them of their generality or making them too vague for predictions Another problem has been the major disagreements among cultural theorists regarding the ways in which culture affects preferences and beliefs This book provides a general model of preference and belief formation addressing the largest unresolved issue in rational choice theories of action It attempts to play a bridging role between these approaches by augmenting and modifying the main ideas of the rational choice model to make it more compatible with empirical findings in other fields The resulting model is used to analyze three major unresolved issues in the developing world the sources of a government s economic ideology the origins of ethnic group boundaries and the relationship between modernization and violence Addressing theoretical problems that cut across numerous disciplines this work will be of interest to a diversity of theoretically minded scholars Sun Ki Chai is Assistant Professor of Sociology University of Arizona **Philosophical and Ideological Perspectives on Education** Gerald Lee Gutek,1997 This second edition continues to examine the major schools of philosophy of education through the systems approach It also considers the relationship of education to major ideologies such as Liberalism Conservatism and Marxism The third section on Educational Theory analyzes the impact of philosophy and ideology on educational theory and practice by examining such theories as Essentialism Perennialism Progressivism and Social Reconstructionism Although focusing on the philosophy of education this book provides a three dimensional introduction to educational ideas First it examines the major philosophical systems and ideologies that have shaped educational thought and practice Second it outlines certain ideas from philosophy and ideology to illustrate how these disciplines contribute to educational theory Third in seeking to provide a context for educational philosophy ideology and theory it includes biographical sketches of principal originators or contributors of leading ideas about education For professionals working in the field of education The Political Economy of Asian Transition from Communism Sujian Guo,2006 A comparative study of the political economy of the transition from communism in East and Southeast Asian countries addressing the key theoretical questions generated from the debate between shock therapists and gradualists Comparing the real world experiences of transition nations in communist Asia with Eastern Europe prominent questions are brought to the fore will market capitalism or market socialism prevail after the grand failure of

communism **Peta Teori Gerakan Sosial** Aribowo, 2020-12-28 Buku ini mendeskripsikan perkembangan teori gerakan sosial Mulai dari teori gerakan sosial klasik sampai dengan mutakhir yang sering disebut new social movement NSM Di samping itu juga diuraikan berbagai macam teori gerakan sosial yang tampaknya kurang mendapat porsi besar seperti dari perspektif teori politik Teori gerakan sosial dari perspektif teori politik tidak banyak dibicarakan dalam khazanah perkembangan teori gerakan sosial Cukup banyak teori sosial membicarakan pengaruh Ted Robert Gurr dan Charles Tilly tetapi tidak dalam konteks paradigma ilmu politiknya melainkan berkaitan dengan deprivasi relatif dan perilaku kekerasan sosial dan politiknya **Gerakan Mahasiswa Makassar: Gerakan Counter hegemoni negara** Aribowo, 2019-07-10 Salah satu komponen dan kekuatan politik penting dari gerakan mahasiswa Indonesia adalah gerakan mahasiswa Makassar Gerakan mahasiswa Makassar merupakan gerakan sosial yang selalu muncul dan cepat mereaksi terhadap berbagai policy Negara Mahasiswa di berbagai kota masih berdiskusi tentang berbagai isu yang dianggap merugikan masyarakat mahasiswa Makassar sudah bergerak ke jalan raya melakukan gerakan dengan keras militant dan melawan Negara Gerakan mahasiswa Makassar selalu tampak keras militan kasar dan konsisten melawan Negara Atas dasar fenomena inilah riset ini dilakukan yaitu mengungkap terus menerus gerakan mahasiswa di Indonesia Tulisan pendek berbentuk monograf ini mungkin belum bisa mengungkap berbagai aspek gerakan mahasiswa Makassar tetapi secara analitis bisa menggambarkan gejala keras militan dan radikalisme gerakan mahasiswa Makassar Memang saya berusaha untuk menulis terus berbagai gerakan mahasiswa Indonesia termasuk gerakan mahasiswa Makassar agar studi gerakan mahasiswa menjadi studi ilmu politik yang penting Oleh karena itu keinginan untuk menulis lagi dalam bentuk buku seperti ini tentang gerakan mahasiswa merupakan kebutuhan akademik
