Deep Hurt Within Peter Mack, 2011 It describes the amazing transformational journey of a young female patient in a hospital environment who had depression insomnia dissociative amnesia suicidal thoughts auditory hallucinations and flashbacks When the traditional medical approach did not work she underwent regression therapy with one of the surgeons in the hospital This rapidly brought her out of the depths of despair and helped her to move on in life It is a story of hope inspiration and the dedication of a doctor's courage in facing the medical community with his beliefs of the power of regression therapy **Regression Therapy: Past-life therapy** Winifred Blake Lucas, 1993 At last the fruits of research in this fascinating field have been harvested by a wise therapist for other professionals This clear comprehensive book will appeal to lay readers as well Marilyn Ferguson Brain Mind Bulletin In Volume I thirteen of the foremost past life therapists present individual sections on theory examines in mini treatises the approach of experts to pre perinatal experiences early childhood traumas abuse exploration of the interlife the future dialogues with the unborn soul Winifred Lucas has pulled together information concepts from many different authors in order to give depth understanding to regression therapy This compendium of information is invaluable Gladys Taylor McGarey M D Scottsdale Holistic Medical Group Dr Lucas is a diplomate of the American Board of Professional Psychology for forty five years has conducted a private practice research Her book is currently in its second printing Available from Deep Forest Press P O Drawer 4 Crest Park CA 92326 909 337 1179 or from Devorss Bookpeople or New Leaf Distributors EXPLORING REINCARNATION Hans TenDam, 2012-12-31 Exploring Reincarnation examines the full range of explanations for past life recall This definitive study includes case histories from around the world as well as intriguing theories about the relationship between body and soul from general social beliefs about past lives to detailed questions about karma and past life regression therapy An outstanding introduction to reincarnation from a historical scientific and philosophical point of view Exploring Reincarnation is the now classic panorama on reincarnation ideas and experiences **Frontiers of Knowledge: Scientific and Spiritual Sources for a New Era** Douglas Kinney, 2014-06-06 Frontiers of Knowledge is the story of unfolding developments that are revolutionizing

our understanding of ourselves and our place in the universe We are birthing a new era in which our ideas about the nature and source of reality are swiftly changing Insights from quantum physics suggest that the basis of our physical world is actually mental conscious thoughts Other discoveries are causing us to redefine our concepts of mind and the elusive thing we call consciousness All strongly hint that spirituality is the underlying source of everything Frontier scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge through systematic investigations of startling phenomena that have been observed in quantum physics cosmology biology psychology disease and healing death near death experiences reincarnation experiences and those occurring in spiritual hypnosis on the nature of the spiritual realm New concepts of reality are especially needed to explain the incredibly finetuned characteristics and the mysterious nature of our physical universe Ninety five percent of the universe s energy and mass are a mystery to scientists and for the moment we resort to naming them dark matter and dark energy The last time a comparable knowledge revolution occurred was in the late sixteenth century when astronomers determined that the planets revolved around the sun not the earth Historians call it the Copernican Revolution because it led to modern Western science From one perspective the new era predicted in this book a revolution in its own right can be considered the completion of the quantum revolution by defining and explaining the role of consciousness in our universe An underlying aspect of this new revolution is the sense that humanity is moving into a new era of rapidly expanding knowledge of the human spirit our soul aspect and non physical realities Until now this emerging knowledge has not been organized into a coherent and comprehensive structure Frontiers of Knowledge provides the first outline of this new structure of reality **Healing the Soul** Tristan Faith PhD,2017-05-18

This book has been a journey of research pros and cons of the current treatments for trauma and what treatment has facilitated the highest level of recovery The research is well balanced in science and natural laws and addresses the aspect of mind body soul as a complex triad that must be addressed to promote the healing of trauma **Personal Spirituality**

Daniel J. Benor,2006 Dr Benor addresses his explorations from the standpoint of an advocate but one who is an open minded explorer neither from a religious nor a conventional medical perspective The breadth and depth of the research reports in this volume on the psychic intuitive and spiritual aspects of healing will engage even the knowledgeable reader This book is destined to take its place among the most influential and controversial in the field of claims reports and experiences of unconventional healing and spiritual awareness *Life Changing Moments in Inner Healing* Peter Mack,2012 This book is a delightful read and describes how a medical doctor used regression therapy to explore and transform the past lives of four of his patients to assist in their rapid healing The patients came with a variety of symptoms including insomnia fearful dreams water and snake phobia deja vu procrastination rage loss of memory fear of success fear of public speaking and unexplainable pain Through reliving and reframing their past life stories under trance all four patients were able to gain rapid insight into their spiritual self and achieve healing The book is written for the general reader and will also interest

medical professionals and their patients **Resources for Extraordinary Healing** Emma Bragdon, 2013-02 Sixteen million Americans 5% of our population are crippled by serious mental illness according to the National Institute of Mental Health A lead article in Reuters News in August 2011 reported that 40% of people 201 million in the European Union are mentally ill or have brain disorders The numbers of mentally disabled from tots to seniors needing supplemental income supplied by their governments is swelling at an alarming rate In the USA it s 6 times what it was in 1955 Can one recover from serious mental imbalance How These questions are increasingly important to emotionally disturbed people and the governments supporting them It s crazy but top research psychiatrists now admit We still don t know the cause of most mental illness indicators show it is not a broken brain that can be fixed by medications Resources for Extraordinary Healing exposes a new paradigm about the causes of mental disturbances and maps pathways to full recovery An effective model of care from Brazil that has been developed since the 1930s is described The treatment addresses biological psychosocial and spiritual issues not separately but together The collaborating healthcare team is made up of medical doctors psychiatrists medical intuitives and spiritual healers Trained volunteers bring compassionate understanding and companionship It is more cost effective than our system Compelling stories point to accessible resources in the USA that are similar to what Brazil offers Contact information is well organized making this book an excellent guide and an inspiring reference for patients their families psychotherapists psychiatrists and healthcare providers It will be of value anywhere people seek information compassionate care and illuminating perspective on recovering mental health **Soul Visioning** Susan Wisehart, 2008 Discover Your Soul s Wisdom and Transform Your Life You have the power to create a life of passion and purpose by following the wisdom of your soul Using breakthrough methods such as energy psychology guided journeys forgiveness practices and past life and life between lives regression Susan Wisehart shares practical step by step techniques to heal the unconscious beliefs that block your awareness of your true spiritual identity and life purpose in this unique wellness book The Soul Visioning journey connects you with your Higher Self to guide you into the ideal expression of your soul in your work relationships health finances and spirituality Dramatic and inspiring case studies with long term follow up interviews reveal how people have transformed their lives using these powerful methods Several guided audio journeys to help you connect with your soul s wisdom are available on the author s website as a CD or free MP3 downloads Praise Inspiring true life stories and practical leading edge strategies teach you how to change unconscious limiting beliefs and create a joyous soul guided life Debbie Ford New York Times best selling author of Why Good People Do Bad Things How to Stop Being Your Own Worst Enemy This is a divinely inspired gift of a book for those who are ready to be happy Sonia Choquette author of Trust Your Vibes and Your Heart s Desire *The Big Book of Reincarnation* Roy Stemman, 2012-05-01 IS DEATH THE FINAL CHAPTER In The Big Book of Reincarnation Roy Stemman attempts to answer one of the big questions of existence Is death the end Or is it merely the end of a chapter in the book of existence A self described skeptical believer Stemman uses his skills as a professional journalist to perform an in

depth exploration of reincarnation Using case studies anecdotes and physical evidence from the best documented cases from around the world Stemman shines a bright light on this subject inviting readers to decide for themselves on the basis of facts rather than on the basis of hearsay speculation and superstition Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy the past life recall of a renowned neurosurgeon the research of a highly respected university professor and the unique system of governance in the mountains of Tibet to name just a few He examines the lives of those affected by reincarnation such as children who can actually remember their previous lives Instead of shying away from the skeptics Stemman evaluates their leading theories and compares them to the findings that he has accumulated throughout his global research The Big Book of Reincarnation is thorough well researched engaging and the most comprehensive book ever published on this fascinating subject

When Technology Fails Matthew Stein, 2008-08-18 There s never been a better time to be prepared This book is an indispensable basic manual for the real life issues that await us in the decades to come A treasure trove of practical wisdom James Howard Kunstler author of The Geography of Nowhere Matthew Stein s comprehensive primer on sustainable living skills from food and water to shelter and energy to first aid and crisis management skills prepares you to embark on the path toward sustainability But unlike any other book Stein not only shows you how to live green in seemingly stable times but to live in the face of potential disasters lasting days or years coming in the form of social upheaval economic meltdown or environmental catastrophe When Technology Fails covers the gamut Inside you ll learn The basics of installing a renewable energy system for your home or business How to find and sterilize water in the face of utility failure How to keep warm if you ve been left temporarily homeless Practical information for dealing with water quality issues Alternative health and first aid techniques Each chapter describes skills for self reliance in good times and bad Chapters Include A survey of the risks to the status quo Supplies and preparation for short and long term emergencies Emergency measures for survival Prepping water food shelter and clothing First aid low tech medicine and healing Securing energy heat and power Metalworking Utensils and storage Low tech chemistry engineering machines and materials Fully revised and expanded When Technology Fails ends on a positive proactive note with a chapter on Making the Shift to Sustainability which offers practical suggestions for changing our world on personal community and global levels When Technology Fails is a massive project done well First the book gives a superb presentation of WHY one should be more aware and prepared and then HOW one should go about this The scope of this book is thorough John McPherson author Primitive Wilderness Living and Survival Skills Signs of Reincarnation James G. Matlock, 2019-06-15 Signs of Reincarnation provides the first comprehensive look at the belief in reincarnation and the evidence for past lives from historical records anthropological studies and contemporary research Matlock discusses various ways the evidence may be interpreted and shows that although reincarnation entails a rejection of the materialist notion that consciousness is generated by the brain it does not require the acceptance of any radically new concepts or the abandonment of well

established findings in mainstream psychology or biology This book offers students scholars and anyone interested in the possibility of reincarnation an essential grounding in beliefs cases and theory while opening doors for future research into the extension of consciousness beyond our present lives *Rebirth in Early Buddhism and Current Research* Bhikkhu Analayo, 2018-04-23 Join a rigorous scholar and Buddhist monk on a brisk tour of rebirth from ancient doctrine to contemporary debates German Buddhist monk and university professor Bhikkhu Analayo had not given much attention to the topic of rebirth before some friends asked him to explore the treatment of the issue in early Buddhist texts This succinct volume presents his findings approaching the topic from four directions The first chapter examines the doctrine of rebirth as it is presented in the earliest Buddhist sources and the way it relates to core doctrinal principles The second chapter reviews debates about rebirth throughout Buddhist history and up to modern times noting the role of confirmation bias in evaluation of evidence Chapter 3 reviews the merits of current research on rebirth including near death experience past life regression and children who recall previous lives The chapter concludes with an examination of xenoglossy the ability to speak languages one has not learned previously and chapter 4 examines the particular case of Dhammaruwan a Sri Lankan boy who chants Pali texts that he does not appear to have learned in his present life *Rebirth in Early Buddhism and Current Research* brings together the many strands of the debate on rebirth in one place making it both comprehensive and compact It is not a polemic but an interrogation of the evidence and it leaves readers to come to their own conclusions *Framework of Reality: Understanding Our Subtle Spiritual Nature* Douglas Kinney, 2014-06-06 *Framework of Reality* highlights unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe Scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge about strange and unusual phenomena observed in quantum physics cosmology biology psychology disease and healing death and reincarnation investigations It is a companion book to *Frontiers of Knowledge* which is a large research book with all the details and all the references *Framework* provides all the same information in a summary form It can be considered the Cliffs Notes for *Frontiers of Knowledge* Insights from quantum physics suggest that the basis of our physical universe is mental conscious thought Other discoveries are causing us to redefine our concepts of mind and this elusive thing we call consciousness The verified near death out of body experiences OBEs show that consciousness can exist in a nonphysical form indicating that mind is not tied to the physical brain New concepts of reality are also needed to explain the incredibly fine tuned characteristics of our physical universe The mysterious nature of dark energy and dark matter suggests that their source resides in subtle energy dimensions Strong hints of subtle dimensions are also provided in near death OBEs subtle energy healings and documented accounts of very unusual mind body effects Thousands of between lives spiritual regression cases and the deeper near death experiences provide us with fairly consistent descriptions of a nonphysical realm populated by souls living in a highly developed culture that is interacting with humans This revolutionary information demands a revised

and expanded view of reality one in which spirituality is the underlying source of reality Highlights on all of the above and more are presented in Framework of Reality and they provide readers with the outline of this new revolution in knowledge

A Sourcebook for Helping People with Spiritual Problems Emma Inc. Bragdon, 2012-11 As more people practice meditation yoga and participate in workshops for personal transformation increasing numbers of them are having experiences related to spiritual awakening The problem is they don't know the territory An intense spiritual experience can seem overwhelming and scary and even be confused with going crazy This practical book is the classic text newly updated in 2006 3rd edition defining the problems that can arise when someone is disoriented by intense spiritual experiences It is a valuable resource for anyone interested in spiritual experiences and their relationship to mental health and mental illness It distinguishes the differences between various mental pathologies and indicators of spiritual awakening It clearly describes the kind of care one needs in a spiritual emergency process and how the care is dramatically different than conventional psychiatric treatment It traces the history of how signs of spiritual awakening have been perceived in the past Graduate schools of psychology use this book as a text because it is such a clear statement about the nature of spiritual crises and appropriate treatment However it is written in a style that is also appropriate for any adult reader The author a transpersonal psychologist has written five other books on spiritual healing and awakening The title of the first edition of this book was A Sourcebook for Helping People in Spiritual Emergency and was published in 1988

Transpersonal Hypnosis Eric D Leskowitz, 2019-05-23 Transpersonal Hypnosis presents a multidimensional energy based view of human awareness that integrates disparate biological psychological and spiritual therapeutic techniques Each of the chapters all from world renowned contributors includes both a historical overview and the theory behind the development of each technique The authors emphasize experimental studies that examine the validity of using hypnotically accessed transpersonal states of consciousness to heal the body mind and spirit Several clinical vignettes highlight the types of medical and psychological symptoms responsive to these approaches The emerging field of spiritually influenced treatments is transforming the practice of medicine

Spirits, Angels, Demons, and Gods Don Little, 2010-03 *Terapia de la posesión espiritual* José Luis Cabouli, 2020-05-14 Alguna vez su pareja le dijo que hay momentos en los que usted parece otra persona O sinti que hay momentos en los que no es usted Alguna vez experimento como si hubiese otra voluntad en su interior que lo impulsara a hacer cosas que no quer a hacer O por el contrario sinti que algo inexplicable lo frena o lo obstaculiza cada vez que quiere emprender una tarea importante Ha tenido pensamientos extra os u obsesivos como si estos no le pertenecieran Es posible que en nuestro comportamiento y decisiones vitales seamos influenciados mental y emocionalmente por la acci n de una energ a pensante extra a En el transcurso del trabajo terap utico con la regresi n es frecuente que el terapeuta descubra que los s ntomas que presenta el paciente no se deban a un trauma padecido por este sino al accionar de una energ a extra a que ha invadido el subconsciente de la persona Esta invasi n del subconsciente es lo que cl sicamente se ha conocido como la

posesión espiritual Con valentía claridad y con la sencillez que lo caracteriza el Dr Jos Luis Cabouli maestro reconocido en Terapias de Vidas Pasadas revela aquí mediante historias reales su experiencia clínica de dieciocho años en el trabajo terapéutico con el fenómeno de la posesión espiritual Un libro apasionante emotivo y revelador que responde a estos interrogantes y abre un camino real para la resolución de muchos conflictos mentales y emocionales
