Black Snow Mikhail Bulgakov, 2013 A new edition of Bulgakov s blistering satire about the great Russian director Stanislavski inventor of Method acting part of Melville House s reissue of the Bulgakov backlist in

Michael Glenny's celebrated translations. In 1926 a play based on Mikhail Bulgakov's novel *The White Guard* premiered at the prestigious Moscow Arts Theatre and it was an immediate and long lasting success that laid the ground for the rest of Bulgakov's career as a playwright and novelist. But it was not an entirely positive experience and this novel written near the end of Bulgakov's life skewers the theatrical fraternity he had been a part of for many years and the Stalinist system of censorship that suppressed his work. *Black Snow* is the story of Maxudov, a young playwright whose play is chosen almost at random to be performed by the legendary Independent Theatre and the chaos that ensues. The two co-directors of the theater modeled after Stanislavski and his co-director battle to control the production; star actresses throw daily fits and with each rehearsal the chances of the play ever being ready to perform recedes. The ultimate backstage novel and a brilliant satire from one of the greatest modern Russian writers.
