

REIMAGINING

CANADA'S REAL ESTATE LANDSCAPE

Reimagining Canada

Jeremy Webber

Reimagining Canada:

Reimagining Canada Jeremy Webber, 1994-02-21 Webber begins by showing how different conceptions of culture language and nation shaped Canada's constitutional negotiations from 1960 until the referendum of 1992. He then calls for a reconception of the terms of the debate claiming that the terms now used often borrowed from quite different societies have made resolution of the constitutional issues more difficult. He rejects the language of nation and nationalism and the tendency towards exclusiveness implicit in that language, arguing for a Canadian community founded not on a rigid set of shared values but on shared debates and shared engagements through time. Recognizing that Canadians belong simultaneously to the larger community and to other more local communities, each generating its own sense of allegiance, Webber describes how their relationships are shaped by institutional, linguistic and cultural factors and notes that these multiple influences produce an asymmetrical structure. He maintains that this structure should be reflected in an asymmetrical constitution and can be accommodated without undermining individual rights. Webber offers both an overview of the constitutional negotiations and a set of reflections on the appropriate relationship between culture, language and political community in Canada. These reflections, while rooted in the Canadian context, hold lessons for other pluralistic federations or for nations confronting similar issues of cultural accommodation. Constitutional Amendment in Canada

Emmett Macfarlane, 2016-08-12 In Canada the 1982 Constitution Act contains the amending formula which outlines a set of procedures required to make changes to the constitution. Recent debates over Senate reform, the status of the Supreme Court of Canada and the rules governing royal succession have highlighted how important the amending formula is in maintaining the vitality and relevance of the governing system. Constitutional Amendment in Canada is the first volume to focus solely on the implications of the amending formula in Canada. Emmett Macfarlane has brought together a group of expert authors to address such topics as the difficulties of constitutional reform, the intersection of various levels of government and the judiciary and the ability of the public to veto proposed changes. Filling a serious gap in the literature, Constitutional Amendment in Canada is an authoritative study of the historical and contemporary implications of the amending formula.

Beyond the Impasse Institute for Research on Public Policy, 1998 Efforts to reform the Canadian constitution have only resulted in a serious impasse fostered by demands for change from Quebec and reticence from English Canada. This book looks at the potential for achieving reconciliation through a new partnership between Quebec and Canada in a series of papers that examine the stakes for both Canada and Quebec in opting for a modified relationship that is neither the status quo nor complete separation. Two papers in part 1 lay the conceptual groundwork concerning the constituent elements of partnership. Papers in part 2 deal with the economic union in the context of a renewed partnership. Four papers in part 3 examine issues concerning rights recognition and citizenship in a Quebec-Canada partnership. Part 5 broadens the discussion to the international arena and includes a comparative international scan of partnership models. The final part distills the two

editors separate conclusions on how to move beyond the impasse based on the studies presented

The Constitution of Canada Jeremy Webber, 2015-04-30 The book introduces and describes the principal characteristics of the Canadian constitution including Canada's institutional structure and the principal drivers of Canadian constitutional development The constitution is set in its historical context noting especially the complex interaction of national and regional societies that continues to shape the constitution of Canada The book argues that aspects of the constitution are best understood in agonistic terms as the product of a continuing encounter or negotiation with each of the contending interpretations rooted in significantly different visions of the relationship among peoples and societies in Canada It suggests how these agonistic relationships have in complex ways found expression in distinctive doctrines of Canadian constitutional law and how these doctrines represent approaches to constitutional legality that may be more widely applicable As such the book charts the Canadian expression of trans societal constitutional themes democracy parliamentarism the rule of law federalism human rights and Indigenous rights and describes the country that has resulted from the interplay of these themes The Constitution of Canada is a masterpiece an outstanding and original study of the Canadian constitutional experience by one of Canada's leading legal scholars Webber explains the history characteristics and resourcefulness of the living constitution in non technical and illuminating language He also shows how the constitution is shaped by the engagement and interaction of the diverse people of Canada who are simultaneously subjects and active citizens of it a dynamic he calls agonistic constitutionalism James Tully Distinguished Professor University of Victoria Jeremy Webber has given us a rich contextual account of Canada's constitution Webber moves beyond the confines of constitutional texts and judicial decisions and grounds his account in the circumstances of the country's history Only such an account can capture the deep diversity that is the hallmark of Canada's constitutional culture Peter Russell Professor Emeritus University of Toronto

Projecting Canada Zoë Druick, 2007-02-22 Based on newly uncovered archival information and a close reading of numerous NFB films Projecting Canada explores the NFB's involvement with British Empire communication theory and American social science Using a critical cultural policy studies framework Druick develops the concept of government realism to describe films featuring ordinary people as representative of segments of the population She demonstrates the close connection between NFB production policies and shifting techniques developed in relation to the evolution of social science from the 1940s to the present and argues that government policy has been the overriding factor in determining the ideology of NFB films Projecting Canada offers a compelling new perspective on both the development of the documentary form and the role of cultural policy in creating essential spaces for aesthetic production

The Oxford Handbook of the Canadian Constitution Peter Crawford Oliver, Patrick Macklem, Nathalie Des Rosiers, 2017 The Oxford Handbook of the Canadian Constitution provides an ideal first stop for Canadians and non Canadians seeking a clear concise and authoritative account of Canadian constitutional law The Handbook is divided into six parts Constitutional History Institutions and Constitutional

Change Aboriginal Peoples and the Canadian Constitution Federalism Rights and Freedoms and Constitutional Theory Readers of this Handbook will discover some of the distinctive features of the Canadian constitution for example the importance of Indigenous peoples and legal systems the long standing presence of a French speaking population French civil law and Quebec the British constitutional heritage the choice of federalism as well as the newer features most notably the Canadian Charter of Rights and Freedoms Section Thirty Five regarding Aboriginal rights and treaties and the procedures for constitutional amendment The Handbook provides a remarkable resource for comparativists at a time when the Canadian constitution is a frequent topic of constitutional commentary The Handbook offers a vital account of constitutional challenges and opportunities at the time of the 150th anniversary of Confederation Canada in the World Richard Albert, David R. Cameron, 2017-11-02 In this volume marking the Sesquicentennial of Confederation in Canada leading scholars and jurists discuss the evolution of the Canadian Constitution since the British North America Act 1867 the role of the Supreme Court in interpreting the Constitution as a living tree capable of application to new legal issues and the growing influence of both the Constitution with its entrenched Charter of Rights and Freedoms and the decisions of the Court on other constitutional courts dealing with a wide range of issues pertaining to human rights and democratic government The contributors assess how the Canadian Constitution accommodates the cultural diversity of the country's territories and peoples while ensuring the universal applicability of its provisions the role of the Court in interpreting and applying the Constitution and the growing global influence of the Constitution and decisions of the Court on legislatures and courts in other countries *Canada and Competing Indo-Pacific Visions of China and the US* Kenneth M. Holland, 2024-12-13 This book describes and analyzes the choices that Canada as a Middle Power has regarding the strategic rivalry between the United States and China The administrations of Republican Donald Trump and his successor Democrat Joe Biden have taken a hardline stance toward Beijing which in turn has adopted an increasingly belligerent tone toward Washington The posture of the United States toward China has put traditional American allies in a difficult position They must choose whether to join the effort to counter China's ambitions support those ambitions or take some intermediate stance As one of America's closest and longest standing allies Canada must make decisions that will affect its position in the world for the rest of the twenty first century The book argues that Canada's national interests are best served by alignment with the confrontational posture of the United States while at the same time joining the efforts of U S allies Japan India and South Korea to moderate the thrust of Washington's Indo Pacific Strategy in a direction more consistent with multilateralism and the preservation of the rules based international order The book has important implications for other U S allies including the member states of the European Union Organization of American States and Association of Southeast Asian Nations each of which finds itself caught in the middle between the world's two greatest powers **Constitutionalising Secession** David Haljan, 2014-11-01 Constitutionalising Secession proceeds from the question What if anything does the law have to say about a secession crisis

But rather than approaching secession through the optic of political or nationalist institutional accommodation this book focuses on the underpinnings to a constitutional order as a law making community underpinnings laid bare by secession pressures Relying on the corrosive effects of secession it explores the deep structure of a constitutional order and the motive forces creating and sustaining that order A core idea is that the normativity of law is best understood through a constitutional optic as an integrative associative force Constitutionalising Secession critically analyses conceptions of constitutional order implicit in the leading models of secession and takes as a leading case study the judicial and legislative response to secession in Canada The book therefore develops a concept of constitutionalism and law making associative constitutionalism to describe their deep structure as a continuing integrative process of association This model of a dynamic process of value formation can address both the association and the disassociation of constitutional systems *National Identity and the Conflict at Oka* Amelia Kalant,2004-06 Through readings of literature canonical history texts studies of museum displays and media analysis this work explores the historical formation of myths of Canadian national identity and then how these myths were challenged and affirmed during the 1990 standoff at Oka It draws upon history literary criticism anthropology studies in nationalism and ethnicity and post colonial theory **Moral Foundations of Canadian Federalism** Samuel Victor LaSelva,1996 LaSelva offers a compelling reconsideration of Confederation and of the pivotal role of George Etienne Cartier one of the Fathers of Confederation in both the achievement of confederation and the creation of a distinctively Canadian federalist theory **The Trinitarian Dance** Sharon Tam,2015-02-02 The Trinitarian Dance presents a model of leadership development based on the Holy Trinity Part one analyzes the present state of the cultural and ecclesiastical situation in Canada identifying specific trends and aspects relating to the need for development of effective leadership in the church This section sets the stage for Part two where a theology of trinitarian leadership is developed based on the dynamic of perichoresis with the motif of a dance used to present a paradigm of transformational leadership Part three offers church based strategies for leadership development concluding with a creative application of the doxological formula that captures the thrust of the entire book and leads it to a finale that includes a benediction of hope for the church through this leadership model **In Search of Canadian Political Culture** Nelson Wiseman,2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation In Search of Canadian Political Culture offers a bottom up regional analysis that challenges how we think and write about Canada [The Canadian Forum](#),1994 Includes critical reviews *Canadian Review of Studies in Nationalism* ,1995 **Contemporary Canadian Federalism** Alain-G. Gagnon,2009-06-06 The papers in this collection offer reflections on Canadian federalism by leading Qu

Canadian Politics James Bickerton,Alain Gagnon,1994 The new fourth edition of Canadian Politics continues the work of earlier editions in offering a comprehensive introduction to Canadian government and politics by a widely recognized and highly respected group of political scientists writing on subjects on which they are acknowledged experts For this edition the editors have reorganized the book into four sections Part I Citizenship Identities and Values Part II The Canadian State Part III Civil Society Democracy and Governance and Part IV Globalizing Trends and International Pressures The fourth section comprised of five chapters develops a new focus for this edition by examining the diverse and increasingly important influences of globalization on the Canadian polity and system of governance Of the twenty three chapters those retained from earlier editions have been entirely revised and updated This edition adds twelve new authors and eleven completely new chapters Canadian Political Philosophy Ronald Beiner,W. J. Norman,2001 Canadian theorists and philosophers are recognized internationally for their contributions to normative debates about citizenship multiculturalism and nationalism The superb essays collected here reflect a broad range of contemporary political and philosophical issues liberalism and citizenship equality justice and gender minority rights and identity nationalism and self determination and the history of political philosophy

Canada full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reimagining Canada eBooks, including some popular titles.

FAQs About Reimagining Canada Books

What is a Reimagining Canada PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reimagining Canada PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reimagining Canada PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reimagining Canada PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reimagining Canada PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
