*Reinventar la democracia* Boaventura de Sousa Santos, 2004

**The Routledge Handbook to the Political Economy and Governance of the Americas** Olaf Kaltmeier, Anne Tittor, Daniel Hawkins, Eleonora Rohland, 2020-01-09 This handbook explores the political economy and governance of the Americas placing particular emphasis on collective and intertwined experiences Forty six chapters cover a range of Inter American key concepts and dynamics The flow of peoples goods resources knowledge and finances have on the one hand promoted interdependence and integration that cut across borders and link the countries of North and South America including the Caribbean together On the other hand they have contributed to profound asymmetries between different places The nature of this transversally related and multiply interconnected hemispheric region can only be captured through a transnational multidisciplinary and comprehensive approach This handbook examines the direct and indirect political interventions geopolitical imaginaries inequalities interlinked economic developments and the forms of appropriation of the vast natural resources in the Americas Expert contributors give a comprehensive overview of the theories practices and geographies that have shaped the economic dynamics of the region and their impact on both the political and natural landscape This multidisciplinary approach will be of interest to a broad array of academic scholars and students in history sociology geography economics and political science as well as cultural postcolonial environmental and globalization studies

**Critical Geopolitics and Regional (Re)Configurations** Heriberto Cairo, Breno Bringel, 2019-05-31 This book seeks to develop our understanding of the contemporary geopolitical reconfigurations of two regions of the world system with high cultural affinity and traditional close relations Latin America and Europe Relations between Latin America and Europe have been interpreted generally in the social sciences as synonyms of interstate relations However although States remain the most important actor in the geopolitical scene they have been deeply reconfigured in recent decades impacted by transnational dynamics politics and spaces This book highlights interregional relations and transnational dynamics between Latin America and Europe from a critical geopolitics perspective promoting a new look for interregional relations which encompasses international cooperation and development global policies borders inequalities and social movements It brings attention to the relevance of interregionalism in the current geopolitical reconfiguration of the world system but also argues for systematic inclusion of relevant new social actors and imaginaries in this traditional sphere of states These social actors particularly social movements and practices of contestation are developing not only international bonds but a new transnational field where networks defy traditional territorial orders This volume seeks to generate a new discussion among scholars of geopolitics international relations social theory and social movement studies by encouraging a development of an interregional and transnational perspective of the two regions

*Empire and Imperialism* Atilio Borón, 2005-02 In 2001 the Harvard scholar Michael Hardt and the independent Italian left wing intellectual Toni Negri published a modern critique of imperialism The book was widely criticized by left wing

intellectuals who felt that the book posed unfortunate implications for political resistance to imperialism and that it ignored both the experience and intellectual analysis of thinkers from the South Atilio Boron is one of those He argues that Hardt and Negri's concept of imperialism without an address though well intentioned ignores most of the fundamental parameters of imperialism The nation state far from weakening remains a crucial agent of capitalism deploying a large arsenal of economic weaponry to protect and extend its position and actively promoting globalization in its own interests Pedagogía de la

elección Úcar Martínez, Xavier, 2016-10-15 Un pedagogo o educador es un conector un mediador que ayuda y acompaña a las personas y comunidades en sus procesos de articulación de prácticas y realidades La tarea del educador es la de acompañar y ayudar al otro a ser Pero siempre es el otro quien ha de ser quien ha de elegir quiénes quiere ser y qué quiere y puede hacer en el marco de sus particulares circunstancias La elección no es sino una forma de acción que lleva la firma de los sujetos por eso mismo siempre retorna al sujeto Si la elección es lo que más inequívocamente constituye a una persona concreta y las personas nos hacemos en la vida cualquier pedagogo ya sea individual o social es antes que nada un pedagogo de la elección y un pedagogo de la vida y para la vida **The Handbook of Development Communication and Social Change** Karin

Gwinn Wilkins, Thomas Tufte, Rafael Obregon, 2014-01-22 This valuable resource offers a wealth of practical and conceptual guidance to all those engaged in struggles for social justice around the world It explains in accessible language and painstaking detail how to deploy and to understand the tools of media and communication in advancing the goals of social cultural and political change A stand out reference on a vital topic of primary international concern with a rising profile in communications and media research programs Multinational editorial team and global contributors Covers the history of the field as well as integrating and reconceptualising its diverse perspectives and approaches Provides a fully formed framework of understanding and identifies likely future developments Features a wealth of insights into the critical role of digital media in development communication and social change *The Civil Sphere in Latin America* Jeffrey C. Alexander, Carlo

Tognato, 2018-05-03 Illuminates hot button issues in contemporary Latin America from an intellectually radical perspective a sociological theory of democracy as civil sphere **Political Parties and Democracy** Kay Lawson, 2010-07-20 Native scholars explore the relationship between political parties and democracy in regions around the world The development of political parties over the past century is the story of three stages in the pursuit of power liberation democratization and de democratization Political Parties and Democracy is comprised of five stand alone volumes that probe the realities of political parties at all three stages In each volume contributors explore the relationship between political parties and democracy or democratization in their nations providing necessary historical socioeconomic and institutional context as well as the details of contemporary political tensions Contributors are distinguished indigenous scholars who have lived the truths they tell and are thus able to write with unique breadth depth and scope They show the parties of their respective nations as they have developed through history and changing institutional structures and they explain the balance of power among them and

between them and competing agencies of power today      **The Nordic Civil Sphere** Jeffrey C. Alexander, Anna Lund, Andrea Voyer, 2020-01-07 The civil sphere is a distinctively democratic field in modern societies one that sustains universalizing cultural aspirations and organizational structures and that has tense and uncertain boundaries with other spheres of social life like the economy religion family and state Unlike the latter which are more particularistic and hierarchical in character the civil sphere defines itself in terms of solidarity the feeling of being connected with every other person in the collectivity The utopian ideals of democratic solidarity shape every modern society even if they are often compromised by the messy realities of social life This volume uses the theory of the civil sphere to shed new light on Nordic societies while at the same time drawing on the distinctive experiences of the Nordic nations to reflect on and advance the theory of the civil sphere Nordic societies have long been admired for creating a distinctive form of social democracy but this admirable achievement has not been well conceptualized theoretically Most attempts to explain Nordic social democracy focus on material and organizational factors This volume by contrast emphasizes the cultural foundations and characteristics of social democracy demonstrating how civil sensibilities are necessary for the creation of an egalitarian and democratic state Nordic civil spheres however are not only pro civil but also white in color European in ethnicity secular in character and gender equal in a subtly restrictive manner Such primordialization of state civility is vividly on display in the sometime tense relationships that develop among natives and foreigners in Nordic countries relationships that expose the primordial undersides of the social democratic codes and civil values that constitute the Nordic civil sphere A major contribution to the theory of the civil sphere and to our understanding of the cultural and normative underpinnings of social and political life this volume will be of particular interest to students and scholars of sociology and politics      Journalism, Democracy and Power. A dialogue with Robert McChesney Aurora Labio-Bernal, 2023-05-31 In this book Professor Robert McChesney engages in an academic dialogue with professors from various Spanish universities in response to his talk titled Does the Collapse of Journalism Fuel the Rise of Fascism 2022 From a critical perspective this encounter raises questions related to power and technology in the media propaganda local journalism democracy public broadcasters media literacy and the role of philanthropists among other issues Professor McChesney's responses effectively constitute a compendium of his main ideas and research and also reflect his significant role as an advocate for freer and more independent media and greater civic engagement in public affairs At the same time McChesney conveys the importance of effective communication and collective over individual action in order to tackle the problems that we are all called upon to address      **Social Pedagogy for the Entire Lifespan** Jacob Kornbeck, Niels Rosendal Jensen, 2012-06 The ambition of this two volume publication is to illustrate the applicability of social pedagogy as an academic and professional paradigm to work with the most diverse target populations It is launched at a moment when important and highly interesting developments can be observed in the United Kingdom a country without a traditional social pedagogy model has started importing social pedagogy from countries with a social pedagogy tradition

Social Pedagogy for the Entire Lifespan illustrates how social pedagogy as a model in theory and practice has been and is currently being used around and across Europe for work with people of all age groups Volume II proposes chapters on work with adults including social problems physical and mental disabilities and older people written by authors based in Belgium Denmark Norway Poland Spain Sweden and Switzerland Readers will find chapters discussing the implications regarding the use of educational theories to conceptualise social pedagogy as well as the relevance of life long learning debates not only in academia but also in politics The global worldwide dimension is covered by a chapter on the relationship between Latin American and European social pedagogy      *Globalization and the Decolonial Option* Walter D. Mignolo, Arturo Escobar, 2013-10-18 This is the first book in English profiling the work of a research collective that evolved around the notion of coloniality understood as the hidden agenda and the darker side of modernity and whose members are based in South America and the United States The project called for an understanding of modernity not from modernity itself but from its darker side coloniality and proposes the de colonization of knowledge as an epistemological restitution with political and ethical implications Epistemic decolonization or de coloniality becomes the horizon to imagine and act toward global futures in which the notion of a political enemy is replaced by intercultural communication and towards an other rationality that puts life first and that places institutions at its service rather than the other way around The volume is profoundly inter and trans disciplinary with authors writing from many intellectual transdisciplinary and institutional spaces This book was published as a special issue of Cultural Studies      *Communicative Justice in the Pluriverse* Joan Pedro-Carañana, Eliana Herrera-Huérffano, Juana Ochoa Almanza, 2022-11-11 This volume examines communicative justice from the perspective of the pluriverse and explores how it is employed to work towards key pluriverse goals of environmental cognitive sociocultural sociopolitical and political economy justice The book identifies and explains the unequal power relations in place that limit the possibilities of communication justice the challenges and difficulties faced by activists and communities the ways in which communities and movements have confronted power structures through discourse and material action and their successes and limitations in creating new structures that promote the right to and facilitate a future for communicative justice The volume features contributions based on experiences of resistance and transformation in the Global South Bolivia Ecuador India Malawi and collaborations between the continents of Latin America and Africa as well as notable studies from the Global North Japan Spain and the United Kingdom that defy hegemonic models This book is essential for students and scholars interested in media and communication activism media practice for development and social change and communication for development and social change as well as those actively engaged with activism and social justice

Social Innovation and Urban Governance Marc Pradel-Miquel, Ana B. Cano-Hila, Marisol García Cabeza, 2020-06-26 Presenting social innovation initiatives that emerged from organized citizenry in Southern European cities this book explores the response to austerity policies implemented after the 2008 economic crisis Chapters look at the common aim of these

initiatives in responding to social needs and challenging social exclusion      *The Cuban Revolution as Socialist Human Development* Henry Veltmeyer, Mark Rushton, 2011-11-11 The book argues that the Cuban Revolution should be understood as a model of socialist human development Several particular features of this model were critical to the survival of the Cuban Revolution under conditions of neoliberal globalization      **Latin America in Debate** Maristella Svampa, 2025-07-04 Maristella Svampa provides a broad and accessible overview of the key political and intellectual debates in Latin American from the early twentieth century to the present      *Debates y desafíos para los derechos humanos en Colombia* Barraza Morelle, Cecilia, 2020-07-31 Durante el año 2018 parte del equipo de docentes de la Maestría en Defensa de los Derechos Humanos y el Derecho Internacional Humanitario de la Facultad de Derecho de la Universidad Santo Tomás realizó un trabajo de investigación que se concreta en esta publicación titulada Debates y desafíos para los derechos humanos en Colombia La investigación a partir del análisis de diversas problemáticas en materia de derechos humanos vigentes en Colombia tanto vinculadas al posconflicto como otras que responden a situaciones estructurales y al contexto general que vive el país busca responder a la pregunta de qué forma las acciones de exigibilidad y justiciabilidad de los derechos humanos han permitido un mayor reconocimiento y ejercicio de estos en el contexto colombiano y cuáles son las barreras que persisten o las respuestas sociales para limitarlas y cuáles son las acciones o desafíos para ampliar el marco de su aplicación      **Global Perspectives on Human Rights and the Impact of Tourism Consumption in the 21st Century** Korstanje, Maximiliano E., Gowreesunkar, Vanessa G.B., 2023-06-06 Global Perspectives on Human Rights and the Impact of Tourism Consumption in the 21st Century is an essential reference book for those concerned with the interaction between tourism consumption social justice and human rights With chapters covering topics such as human trafficking geospatial discrimination gentrification theory violence racism child sex tourism and the impact of COVID 19 on tourism and human rights this book presents a rich conceptual debate on the impact of tourism consumption on human rights It also provides practical solutions to promote sustainable tourism practices that respect and protect human rights highlighting successful case studies where tourism has positively contributed to human rights The book emphasizes that human rights violations in the tourism industry can no longer be ignored and it is our responsibility to take action to ensure that tourism practices respect and protect the fundamental rights of all individuals involved By implementing the solutions provided in this book we can work together to promote sustainable tourism practices that benefit everyone involved and create a more equitable and just world In conclusion this book is a must read for those concerned with promoting social justice human rights and sustainable tourism practices      **Towards Just and Sustainable Economies** Peter North, Molly Scott Cato, 2017-04-19 With capitalism in crisis rising inequality unsustainable resource depletion and climate change all demanding a new economic model the Social and Solidarity Economy SSE has been suggested as an alternative What can contribute in terms of generating livelihoods that provide a dignified life meeting of social needs and building of sustainable futures What can activists in both the global North

and South learn from each other In this volume academics from a range of disciplines and from a number of European and Latin American countries come together to question what it means to have a sustainable society and to ask what role these alternative economies can play in developing convivial humane and resilient societies raising some challenging questions for policy makers and citizens alike      *Control social y control fiscal participativo* Juan Sebastián Narváez Quintero, 2023-10-31

La corrupción es un fenómeno global que se manifiesta en distintos ámbitos y cuya percepción es especialmente grave en América Latina Por eso se han ideado distintas herramientas para combatirla Dentro de estas se encuentran los mecanismos de participación ciudadana y el control social los cuales se han topado con dificultades que motivaron el surgimiento de sinergias como el control fiscal participativo En la presente obra se analiza si esta modalidad de control es efectiva para la prevención de actos de corrupción teniendo como fundamentos la bibliografía académica sobre la materia y los aportes del trabajo de campo realizado en el marco de la línea de Investigación en Control Fiscal y Control Fiscal Participativo del Departamento de Derecho Constitucional de la Universidad Externado de Colombia
