Release Me Olivia Longott, 2014-07-01 This is not a game this is life From the day she discovered she had a voice that could touch millions Olivia Longott put in long hard hours in the studio trying to achieve her dreams of R B superstardom With such royal talents she fully deserved the title she was given as First Lady of J the legendary Clive Davis s label and then First Lady of G Unit when she landed a second deal with G Unit Interscope Records Olivia quickly made it clear that she is nobody s number two With dual recording deals in hand Olivia thought her dream had manifested until she left both labels in what felt like a nightmare Being the fighter her daddy taught her to be Olivia would not let these challenges hold her back from the industry Instead she used the experiences as a setup for something new The world saw her jump back into the ring swinging on the Love Hip Hop reality show Sometimes though reality isn t always what it seems That s why Olivia has taken the time to sit down and pen what it truly is During her unfolding journey in the music industry Olivia has seen heard and experienced a lot Now it s time to bring you into her world
