Religion Alcohol Sobering Thoughts:

Religion & Alcohol Charles Kevin Robertson, 2004 Religion and Alcohol Sobering Thoughts is an intriguing and thought provoking collection of ten essays divided into two main parts The first part focuses on the use or prohibition of alcohol in various religious traditions with chapters exploring the Christian New Testament Judaism Islam Hinduism and tribal religions The second half of the book considers alcohol in its historical context with chapters examining drinking in medieval monasticism Victorian England the American South and films as well as the influence of movements such as Alcoholics Anonymous *The Living Church*, 2004 **The Handbook of Alcohol Use** Daniel Frings, Ian P. Albery, 2021-01-17 Alcohol use is complex and multifaceted Our understanding must be also Alcohol use both problematic and not can be understood at many levels from basic biological systems through to global public health interventions To provide the multi level perspective needed to address this complexity the Handbook of Alcohol Use draws together an eclectic set of authors including both researchers and practitioners to examine the causes processes and effects of alcohol consumption Specifically this book approaches the topic from biological individual cognition small group systems and domestic global population perspectives Each examines alcohol use differently and each offers its own ways to combat problematic behavior While these alternative viewpoints are sometimes construed as incompatible or antagonistic the current volume also explores how they can be complimentary In summary the Handbook of Alcohol Use brings together an international group of experts to explore how alcohol use can be understood from various perspectives and how these conceptualizations relate In doing so it allows us to understand alcohol consumption and our responses to it more from an account which spans from synapse to society Explores alcohol use from individual through to societal levels Synthesizes these varied levels of analysis on alcohol use Draws on an international team of experts including researchers and alcohol treatment practitioners Makes clear the implications of research for practice and vice versa *Religion & Sexuality* Charles Kevin Robertson, 2006 Issues of religion and sexuality elicit passionate debate as witnessed in the well researched provocative essays contained in this volume Cutting edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture Oral sex polygamy homosexuality and clergy celibacy and boundaries are addressed as editor C K Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today s increasingly pluralistic yet strongly spiritual society Alcohol and Humans Kimberley Hockings, Robin Ian MacDonald Dunbar, 2020 Alcohol use has a long and ubiquitous history This fascinating multi disciplinary volume examines the broad use of alcohol in the human lineage and its wider relationship to social contexts such as feasting sacred rituals and social bonding **Holy Waters** Ryan Lemasters, Stephen Covell, 2024-07-10 This edited volume brings together scholars from across disciplines to examine the relationship between religion and alcohol It examines the historical social ritual economic political and cultural relationship between religion and

alcohol across time periods and around the world Twelve chapters are tied together by two major themes first gender identity and its intersection with religion and alcohol second identity construction in religious communities demonstrating how alcohol can be used as a distinguishing factor for religious ethnic and national identity A key focus of the volume is how alcohol can bridge and divide the point at which the sacred and secular meet With its interdisciplinary approach and engaging style this book is an essential resource for undergraduate and graduate students in religion departments and appeals to scholars of material culture food and alcohol Additionally the book is of interest to professionals in the alcohol industry particularly those involved in microbrewing and winemaking who are interested in understanding the historical and cultural contexts of their craft

Islam Cenap Çakmak, 2017-05-18 This expansive four volume encyclopedia presents a broad introduction to Islam that enables learning about the fundamental role of Islam in world history and promotes greater respect for cultural diversity One of the most popular and widespread religions in the world Islam has attracted a great deal of attention in recent times particularly in the Western world With the ongoing tensions in the Middle East and a pervasive sense of hostility toward Arab Americans there is ever increasing need to examine and understand Islam as a religion and historical force Islam A Worldwide Encyclopedia provides some 700 entries on Islam written by expert contributors that cover the religion from the birth of Islam to the present time The set also includes 16 pages of color images per volume that serve to illustrate the diverse expressions of this important religious tradition Each entry begins with a basic introduction followed by a general discussion of the subject and a conclusion Each entry also features a further readings list for readers In addition to supplying a comprehensive authoritative overview of Islam this work also specifically addresses many controversial related issues including jihad violence in Islam polygamy and apostasy

Fundamentalists in the Public Square Madison Trammel, 2023-12-13 A myth busting work on fundamentalists and culture The Scopes Trial of 1925 is often regarded as a turning point in the history of American fundamentalism and evangelicalism It is claimed that Scopes was a public relations defeat that sent fundamentalism into retreat from mainstream culture In *Fundamentalists in the Public Square* Evolution Alcohol and the Culture Wars after the Scopes Trial Madison Trammel argues that such a characterization is misguided Using documentary evidence from newspapers in the 1920s and 1930s Trammel shows that fundamentalists remained fully active in seeking to transform the culture for Christ and they remained so through the rise of Billy Graham s ministry Grounded in historical evidence *Fundamentalists in the Public Square* offers a fresh take on the relationship between fundamentalism evangelicalism and the public square

The Spirituality of Wine Gisela H. Kreglinger, 2016 Wine serves an important role both in Scripture and in the Christian church but its significance has received relatively little theological attention in modern times This book fills that gap Viewing wine as a gift of God s created bounty and as a special symbol used pervasively throughout Scripture Kreglinger canvasses the history of wine in the church particularly its use in the Lord s Supper discusses the fascinating process of winemaking and considers both the health benefits of wine and the

dangers of alcohol abuse Offering a vision of the Christian life that sees God in all things including the work of a vintner and the enjoyment of a well crafted glass of wine

Prohibition in Turkey Emine Ö. Evered, 2024-12-10 A social history of alcohol identity secularism and modernization from the late Ottoman and early Turkish republican eras to the present day Prohibition in Turkey investigates the history of alcohol its consumption and its proscription as a means to better understand events and agendas of the late Ottoman and early Turkish republican eras Through a comprehensive examination of archival literary popular culture media and other sources it unveils a traditionally overlooked and even excluded aspect of human history in a region that many do not associate with intoxicants inebriation addiction and vigorous wet dry debates Historian Emine Evered's account uniquely chronicles how the Turko Islamic Ottoman Empire developed strategies for managing its heterogeneous communities and their varied rights to produce market and consume alcohol or to simply abstain The first author to reveal this experience's connections with American Prohibition she demonstrates how amid modernization sectarianism and imperial decline drinking practices reflected shifted and even prompted many of the changes that were underway and that hastened the empire's collapse Ultimately Evered's book reveals how Turkey's alcohol question never went away but repeatedly returns in the present in matters of popular memory public space and political contestation

1

Corinthians B. J. Oropeza, 2017-10-27 This compact commentary on 1 Corinthians is both readable and full of insights that will engage students ministers and scholars alike The Apostle Paul writes to a relatively new church in which members are failing to maintain solidarity with other members They struggle to find their unique place in Roman society as Gentile followers of Jewish leaders that proclaim Christ as Lord Their many problems include competition over leadership and social prestige sexual impropriety household conflicts idol foods table fellowship protocols on gender and the use of spiritual gifts and confusion about death immortality and Christ's return Oropeza addresses Paul's response to these and other issues as he engages ancient biblical Jewish and Greco Roman sources along with recent scholarship This is a must read for those who want to understand the Corinthian situation and Paul's response in a new way

The Sociology of American Drug Use Charles E. Faupel, Gregory Weaver, Jay Corzine, 2014 Thoroughly revised and updated in its third edition The Sociology of American Drug Use presents a broader sociological perspective on drug use in American society than any other text The authors all sociologically trained criminologists include extensive coverage of various methods and statistics for measuring drug use a topic that is particularly relevant for sociology students The book opens with an examination of the construction of drug use as a social problem setting the stage for the rest of the text The first section addresses basic conceptual methodological and theoretical issues in the study of drug use while the second section analyzes its various social correlates demographic institutional health economic cultural and subcultural and violent and criminal The final section focuses on societal reaction to drug use with discussions of prohibition decriminalization and legalization policy options and drug treatment drug education and drug testing New to the Third Edition Increased material on legal drugs like salvia and an

expanded discussion of the recreational use of prescription drugs including the misuse of such drugs as Adderall OxyContin and Vicodin among college students New and updated Drug Controversies boxes Updated information on the pharmaceutical industry and an expanded discussion of the drug approval process with a new flowchart More in depth discussion of cartels and the current drug violence along the U S Mexican border Greater emphasis on cross cultural issues and perspectives including new material on crime and the American dream drug trafficking to the U S and opium production in Afghanistan and the European roots of harm reduction An expanded discussion of the role of the media and more material on family as a social institution An updated and streamlined glossary and bibliography

American Saint John Wigger, 2009-10-01 English born Francis Asbury was one of the most important religious leaders in American history Asbury single handedly guided the creation of the American Methodist church which became the largest Protestant denomination in nineteenth century America and laid the foundation of the Holiness and Pentecostal movements that flourish today John Wigger has written the definitive biography of Asbury and by extension a revealing interpretation of the early years of the Methodist movement in America Asbury emerges here as not merely an influential religious leader but a fascinating character who lived an extraordinary life His cultural sensitivity was matched only by his ability to organize His life of prayer and voluntary poverty were legendary as was his generosity to the poor He had a remarkable ability to connect with ordinary people and he met with thousands of them as he crisscrossed the nation riding more than one hundred and thirty thousand miles between his arrival in America in 1771 and his death in 1816 Indeed Wigger notes that Asbury was more recognized face to face than any other American of his day including Thomas Jefferson and George Washington

Christian Controversies Scott Haraburda, 2013 The Greatest is Love God wants us to love our neighbors If this is the premise of being Christian then why do thousands of denominations claim to be the right and true one implying that all others are false The author searches for truth and explores real world issues concerning Christians throughout history and today and the future of Christianity in this ever changing world Join the author as he challenges you to think outside of your comfort zone and questions what you might have been told not to question about the Word of God This book contains many facts and true stories some you might recognize and some from the author's own life as he logically discusses controversial subjects such as a Perfect Bible sex lying killing ethics Christian leadership Bible thumping judgment and women's rights It is well documented and written in easy to understand language to arm you with the knowledge you need to discuss Scripture in an educated and meaningful way and to develop a real world perspective of Christianity a must read for all who profess to be Christian

The Poetics of Plants in Spanish American Literature Lesley Wylie, 2020-12-08 The Poetics of Plants in Spanish American Literature examines the defining role of plants in cultural expression across Latin America particularly in literature From the colonial georgic to Pablo Neruda's Canto general Lesley Wylie's close study of botanical imagery demonstrates the fundamental role of the natural world and the relationship between people and plants in the region Plants are also central to literary forms originating in the Americas

such as the New World Baroque described by Alejo Carpentier as nacido de rboles The book establishes how vegetal imaginaries are key to Spanish American attempts to renovate European forms and traditions as well as to the reconfiguration of the relationship between humans and nonhumans Such a reconfiguration which persistently draws on indigenous animist ontologies to blur the boundaries between people and plants anticipates much contemporary ecological thinking about our responsibility towards nonhuman nature and shows how environmental thinking by way of plants has a long history in Latin American literature

Liber 420 Chris Bennett, 2018-04-20 Although little known cannabis and other psychoactive plants held a prominent and important role in the Occult arts of Alchemy and Magic as well as being used in ritual initiations of certain secret societies Find out about the important role cannabis played in helping to develop modern medicines through alchemical works Cannabis played a pivotal role in spagyric alchemy and appears in the works of alchemists such as Zosimos Avicenna Llull Paracelsus Cardano and Rabelais Cannabis also played a pivotal role in medieval and renaissance magic and recipes with instructions for its use appear in a number of influential and important grimoires such as the Picatrix Sepher Raxiel Liber Salomonis and The Book of Oberon Could cannabis be the Holy Grail With detailed historical references the author explores the allegations the Templars were influenced by the hashish ingesting Assassins of medieval Islam and that myths of the Grail are derived from the Persian traditions around the sacred beverage known as haoma which was a preparation of cannabis opium and other drugs Many of the works discussed have never been translated into English or published in centuries The unparalleled research in this volume makes it a potential perennial classic on the subjects of both medieval and renaissance history of cannabis as well as the role of plants in the magical and occult traditions

Alcohol Scott Barbour, 2006 Alcohol is a drug that often results in tragedies Yet it is also a legal substance that is enjoyed harmlessly by millions of Americans Contributors to this volume debate the harms and benefits of alcohol as well as measures to prevent underage drinking and drunk driving

[Elenchus of Biblica](#), 2004 [Book Review Index Cumulation](#) Dana Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year

[The New Interpreter's Study Bible](#) Walter J. Harrelson, 2003 In a new study Bible based on The New Revised Standard Version with Apocrypha 60 scholars provide background and insight on the biblical text in a book that features extensive historical and theological annotations brief introductions and outlines for each biblical book 19 newly commissioned historical maps and more
