**This isn't just a daycare,
It's like a second home.
Our children aren't just cared for,
You love them like your own.**

**They learn life lessons every day,
Strong values you enforce.
You make the learning fun with play,
Your spirit sets their course.**

**They love the way you read to them
And sing those silly songs.
In this special place that you create,
They feel that they belong.**

**So thank you from deep within our hearts,
For words cannot express,
The gratitude that we have for you
And your safe and caring nest.**

Yet Another Home Peter Jailall, 1997-01-15 There are but few poets capable of touching us socially politically and economically However Peter Jailall is one of these limited few Kofi Casisi teacher poet **Second Home** Randy Blasing, 2001 Poetry Randy Blasing's poems are at once tranquil and unsettling condensed and expansive His images are deceptively clear and sharp for time and again in these poems memory is folded back upon itself The result is a series of poignant juxtapositions of present and past as one house town or episode becomes its own antitype half a world away Rachel Hadas Blasing is the author of five previous collection of poetry including *THE PARTICLES* which is available at SPD Blasing has few if any rivals when it comes to writing gut wrenching lyrical poetry A delightful collection simultaneously tender and strong and always graceful Booklist *A Little Black Book of Poetry* Johnathon Siering, 2024-01-18 A Little Black Book of Poetry is about the things in life that get overlooked lost chances and ideas we should reflect on in the form of poetry that is fit to reread for years to come **Sea, Sands, Poems, Pictures** Cooper and Romagnoli, 2011-06 *Rodney's Room-Rhyming Poetry about Things Under the Sun* John Pearsall, 2012-02 I have always been interested in rhyming poetry I even have a tattered copy of the old One Hundred One Famous Poems where there is to my way of thinking some of the greatest use of the language other than the Holy Bible Such poems as *Trees* by Kipling and *Laugh and the World Laughs With You* have been an inspiration to me for many years Every where I have been in church schools work or Lodge over the past seventy years I have written poetry about something In this book I have written about many things I have either seen in my office remembered from my past or have seen out my office window **Smash Poetry Journal** Robert Lee Brewer, 2019-03-19 A Poetry Journal to Poem Your Days Away Don't wait for inspiration to strike Whether you're an aspiring or published poet this book will help you get in a frame of mind to make creative writing a consistent part of your life With prompts from Robert Lee Brewer's popular Writer's Digest blog Poetic Asides you'll find 125 ideas for writing poems along with the journaling space you need to respond to the prompt 125 unexpected poetry prompts such as from the perspective of an insect about a struggle or including the word change Plenty of blank space to compose your own poems Tips on unique poetic forms and other poetry resources Perfectly sized to carry in a backpack or purse you can jot down ideas for poems as you're waiting in line for a morning coffee or take it to the park for a breezy afternoon writing session Wherever you are your next poem is never more than a page turn away Selected Poems: Tennyson Alfred Lord Tennyson, 2007-12-06 Tennyson's poetry epitomizes the Victorian age for which he became a spokesman His finest poems are often steeped in a sensuous melancholy as in *Maud* or are chivalric heroic and allegorical as in *The Lady of Shalot* and *Morte d'Arthur* **The American Landscape in the Poetry of Frost, Bishop, and Ashbery** M. MacArthur, 2008-08-04 Robert Frost Elizabeth Bishop and John Ashbery stand out among major American poets all three shaped the direction and pushed the boundaries of contemporary poetry on an international scale Drawing on biography cultural history and original archival research

MacArthur shows us that these distinctive poets share one surprisingly central trope in their oeuvres the Romantic scene of the abandoned house This book scrutinizes the popular notion of Frost as a deeply rooted New Englander demonstrates that Frost had an underestimated influence on Bishop whose preoccupation with houses and dwelling is the obverse of her obsession with travel and questions dominant anti biographical readings of Ashbery as an urban identified poet As she reads poems that evoke particular landscapes and houses lost and abandoned by these poets MacArthur also sketches relevant cultural trends including patterns of rural de settlement the transformation of rural economies from agriculture to tourism and modern American s increasing mobility and rootlessness **American Heritage Poetry Collection** LTC Roy E.

covers Charles Wright s first two trilogies *Country Music* 1982 and *The World of the Ten Thousand Things* 1990 providing biographical details information on Wright s sources and influences and historical notes It pays special attention to the way that Wright s poems work together and the links that are formed between them While each poem is given its own commentary the author argues that they work together in a concentrated whole to document a man s spiritual journey

Short Form American Poetry Will Montgomery, 2020-06-18 Reading a century of American poetry through the prism of short form this book analyses the centrality of an aesthetic of brevity to American modernist verse Reading Du Fu Xiaofei Tian, 2020-06-23 This is the first collection of essays in English contributed by well known experts of Chinese literature as well as scholars of a younger generation dedicated to the poetry of Du Fu commonly regarded as the greatest Chinese poet These essays are engaged in historically nuanced close reading of Du Fu's poems both canonical and less known from new angles and in various contexts and discuss a series of critical issues including the local and the imperial the body politic and the individual body poetry and geography perspectives on the complicated relation of religion and literature materiality and contemporary reception of Du Fu poetry and visual art and tradition and modernity Many of the poems discussed in this book were written in the backwater town of Kuizhou far from Du Fu's earlier residence in the capital city Chang'an at a time when the Tang dynasty was going through devastating social and political disturbances The authors contend that Du Fu's isolation from the elite literary establishments allowed him to become a pioneer who introduced a new order to the Chinese poetic discourse However his attention to details in everyday reality his preoccupation with domestic life and the larger issues embroiled in it his humor and his ability to surprise tend to be obscured by the clichéd image of the poet sage and poet historian an image this collection of essays successfully complicates The scholarship that went into this collection of essays is extremely solid and fills an important gap in the study of China's greatest poet Du Fu The convincing and compelling collection of articles from distinguished scholars rereads Du Fu from fresh and different perspectives and informs the reader about the amazing power of intertextuality Kang I Sun Chang Yale University This rich and multilayered collection of essays about Du Fu all written by major scholars presents research of the highest quality and originality that succeeds most impressively in enriching and deepening our knowledge and appreciation of this great poet This volume has the potential to engender a new stage of Du Fu studies Antje Richter University of Colorado Boulder **The Poetry of He Zhu**

(1052-1125) Stuart Sargent, 2007-03-31 The Northern Song poet He Zhu is best known for his lyrics ci but also produced shi poetry of subtlety wit and feeling This study examines the latter as a response to the options available to a late eleventh century writer in the pentametrical and heptametrical forms of Ancient Verse Regulated Verse and Quatrains Numerous comparisons are made with Su Shi Huang Tingjian Du Fu and other important writers In a major advance over previous methodologies the author uses a clear system of metrical notation to show how sound patterns reveal the poet's artistic and emotional intentions This innovation and the author's other meticulous explorations of He Zhu's artistry allow us to experience Chinese poetry as never before From the reader's report not just an excellent study of an individual poet but also a model of reading the language of classical Chinese poetry opens up a world of interpretive territory heretofore seldom
