Second Summoning:

The Second Summoning Tanya Huff, 2005-06-07 Discover the second book in the Keeper's Chronicles where a young woman masters the possibilities of time and space maintaining the balance between worlds to protect Earth. Claire Hansen was a Keeper gifted or cursed with the job of being one of Earth's Guardians. Summoned to areas where anomalies existed where rifts had opened or had been opened. Such places were the world's danger spots where if they weren't sealed in time all the minions of Hell might break through. After she'd closed the portal into Hell at the Elysian Fields Guest House, Claire and her talking cat Austin found they'd acquired a new companion, Dean. Though Dean was a Bystander and shouldn't have been allowed to even remember Keepers existed somehow in the course of their mutual ordeal at the Elysian Fields, he'd become an indispensable part of Claire's life. She knew she should change his memories and force him to leave her. Any other course was bound to lead to disaster. But as it turned out, it was already too late for without Dean around, Claire could easily become a danger to herself and the very fabric of space and time. Yet with Dean around and a little of her sister Diana's meddling thrown in, the world was headed straight for Chaos. And Claire was about to face a challenge beyond her wildest imagining: a catastrophe created by the power of love when an angel and a devil each manifested in the mortal world as fully endowed teenagers who didn't have a clue how to handle their all-too-human bodies, raging hormones, and opposing needs to do good and evil.

Second Summoning Tanya Huff, 2005 [Long Hot Summoning](#) Tanya Huff, 2005-06-07 Discover the third book in the Keeper's Chronicles where two young women master the possibilities of time and space maintaining the balance between worlds to protect Earth. It started on the last day of high school: a day Diana Hansen had been anticipating for the last twelve years. Now her real life could begin. For Diana, like her sister Claire, was a Keeper gifted with the ability to reweave the possibilities of time and space to maintain the balance between Light and Darkness. What neither Diana nor Sam, formerly an angel now a cat, could have anticipated was that her first Summons as an active Keeper would be to a shopping mall. But a quick trip to the Erlking's Emporium, a gift shop in a Kingston mall, confirmed Diana's worst suspicions. Not only was Darkness trying to stage a takeover from the Otherside, but if Diana didn't bring in reinforcements, her first Summons might well be her last. Claire and Austin, who'd always been a cat and had little tolerance for cat wannabes like Sam, were only too ready to take on their older and wiser roles. But neither the Keepers nor their cats were prepared for what they found when they tried to cross from their world to the Otherside mall.
