Second World War In The East

Boris Sokolov

Second World War In The East:

The Second World War on the Eastern Front Lee Baker,2013-09-13 Russia's engagement with Germany on the Eastern Front during World War II was ferocious unprecedented and bloody costing millions of civilian and military lives In this challenging new book Lee Baker distinguishes myth from reality and deflates the idea that this war while gargantuan in scale was in essence a war like any other

Churchill on the Far East in the Second World War C. Wilson,2014-08-05 Cat Wilson brings together two strands of historical scholarship Churchill's work as a historian and the history of WWII in the Far East Examining Churchill's portrayal of the British Empire's war against Japan as set down in his memoirs it ascertains whether he mythologised wartime Anglo American relations to present a special relationship

The Second World War and North East India Sima Saigal,2022-04-11 This book discusses the untold story of North East India's role during the Second World War and its resultant socio economic and political impact It goes beyond standard campaign histories and the epicentre of the Kohima Imphal battlefields to the Brahmaputra and Surma Valley of Assam the administrative and political hub of the region where decisions on the allied war efforts were deliberated and effected right from the outset of the War What happened in the entire region during the intervening years from 1939 What did the war mean for the people of Assam How were resources from the region mobilized for the global war effort and how did people adapt co opt and survive during these tumultuous years What was the response of the nationalist and provincial political leaders to the challenges and demands of war How did the crisis of the 1942 war impact the region First of its kind this book investigates hitherto unanswered questions to offer an understanding of contemporary Assam and the North East including discussions on the complexity of issues such as terrain migration taxation profiteering inflation famine and food grain trade With its lucid style and rich archival material this volume will be essential for scholars and researchers of history the Second World War South Asian history politics and international relations colonial studies sociology and social anthropology and North East India studies as well as to the interested general reader

The British Empire and the Second World War Ashley Jackson,2006-03-09 In 1939 Hitler went to war not just with Great Britain he also went to war with the whole of the British Empire the greatest empire that there had ever been In the years since 1945 that empire has disappeared and the crucial fact that the British Empire fought together as a whole during the war has been forgotten All the parts of the empire joined the struggle and were involved in it from the beginning undergoing huge changes and sometimes suffering great losses as a result The war in the desert the defence of Malta and the Malayan campaign and the contribution of the empire as a whole in terms of supplies communications and troops all reflect the strategic importance of Britain's imperial status Men and women not only from Australia New Zealand and India but from many parts of Africa and the Middle East all played their part Winston Churchill saw the war throughout in imperial terms The British Empire and the Second World War emphasises a central fact about the Second World War that is often forgotten

Origins of the Second World War Victor Rothwell,2001

Victor Rothwell examines the origins of World War II from the flawed peace settlement in 1919 to the start of the true world war at Pearl Harbor in 1941 He asks many important questions Why did the cause of peace advance in the 1920s only to be stopped in its tracks and threatened with reversal by the Great Depression what was the nature of Nazi thinking about war foreign policy and the policy of appeasement that sought to accommodate the Third Reich without again going to war He also examines the events in the Far East at the time and draws a contrast between the role of the US and the Far East throughout the 1930s Copyright Libri GmbH All rights reserved

The Second World War Nick Smart, 2017-11-30 The significant and sustained popular interest in the Second World War is matched by the scale and scope of scholarly engagement in the subject The articles selected for this volume cover a wide range of topics reflecting the fact that the largest recorded war in history and the most intense period of global instability in the twentieth century was fought by many different states large and small over differing periods of time and for many different reasons In an area where there is no shortage of material to choose from the articles presented here are distinguished for their depth of scholarship stylistic elegance and inter disciplinary confidence

East Texas in World War II Bill O'Neal, 2010-10-11 Texas made a remarkable contribution to the American war effort during World War II Almost 830 000 Texans including 12 000 women donned uniforms and more than 23 000 Texas fighting men died for their country America s most decorated soldier Lt Audie Murphy and most decorated sailor submarine commander Sam Dealey both were Texans Texas A M an all male military college placed 20 000 men in the armed forces of which 14 000 were officers more than any other school in the nation including the U S Military Academy at West Point Gen Dwight D Eisenhower the supreme commander of Allied Forces in Europe was born in Denison in northeast Texas Adm Chester Nimitz commander in chief of the Pacific Fleet was born and raised in Texas Almost 1 5 million soldiers sailors and fliers trained at scores of Texas bases Texas oil fueled the Allied war effort while Texas shipyards and defense plants provided a flood of war machines and munitions during the war effort

The Second World War in the East H. P. Willmott, John Keegan, 1999

A Companion to World War II Thomas W. Zeiler, Daniel M. DuBois, 2012-12-21 A Companion to World War II brings together a series of fresh academic perspectives on World War II exploring the many cultural social and political contexts of the war Essay topics range from American anti Semitism to the experiences of French African soldiers providing nearly 60 new contributions to the genre arranged across two comprehensive volumes A collection of original historiographic essays that include cutting edge research Analyzes the roles of neutral nations during the war Examines the war from the bottom up through the experiences of different social classes Covers the causes key battles and consequences of the war

A History of Eastern Europe Robert Bideleux, Ian Jeffries, 1998 While mainly focusing on the modern era the effects of ethnic nationalism fascism and communism this history also offers revisionist coverage of topics such as the Hussite Revolution and the rise and decline of the Polish Lithuanian Commonwealth

British Policy Towards Greece During the Second World War 1941-1944 Procopis Papastratis, 1984-03 This book examines in detail how British

policy towards Greece was formulated and implemented from 1941 to 1944 The defeat of Greece and the fall of the dictatorial regime of General Metaxas confronted the British with new problems the most important being the reconciliation of military and political objectives The main political objective was to ensure the continuation of Britain's political influence in Greece after the war This policy would be greatly facilitated by the restoration of King George a firm advocate of the British connection though the King's popularity in Greece had been seriously eroded by his close association with the Metaxas dictatorship in the years before the war However a policy of support for the King ran counter to the support offered by the War Office and SOE to the National Liberation Front EAM a communist dominated left wing organization and by far the strongest resistance movement in Greece

Jerusalem in the Second World War Daphna Sharfman, 2023-12-28 This book is the first to present the unique story of the city of Jerusalem during the events of the Second World War and how it played a unique role in both the military and civilian aspects of the war Whilst Jerusalem is usually known for topics such as religion archaeology or the politics of the Israeli Arab conflict this volume provides an in depth analysis of this exceptional and temporary situation in Jerusalem offering a perspective that is different from the usual political strategic military analysis Although battles were raging in the nearby countries of Syria and Lebanon and the war in Egypt and the Western Desert the people who came to Jerusalem as well as those who lived there had different agendas and perspectives Some were spies and intelligence officers other were exiles or refugee immigrants from Europe who managed at the last moment to escape Nazi persecution Journalists and writers described life in the city at this time All were probably conscious of the fact that when the war came to an end local rivalry and mounting conflict would take the centre stage again This was a time of a special magical drawn out moment that may shed light on an alternative more peaceful kind of Jerusalem that unfortunately was not to be This volume seeks to find an alternative approach and to contribute to the development of insightful research into life in an extraordinary city in an extraordinary situation It will be of value to those interested in military history and the history of the Middle East

Decisive Campaigns of the Second World War John Gooch, 2012-11-12 Success or defeat in the Second World War turned less on winning or losing battles than on winning or losing campaigns This volume reassesses the importance of seven major campaigns for the outcome of the war The authors examine a wide range of factors which influence success or failure including strategic planning logistics combat performance command and military intelligence This book represents a novel contribution to the study of the Second World War

Unpatriotic History of the Second World War James Hartfield, 2012-09-28 The Second World War was not the Good War of legend James Hartfield explains that both Allies and Axis powers fought for the same goals territory markets and natural resources

[Germany and the Second World War](#), 1990 Explores the conduct of the war in the Mediterranean region and examines the dramatic military events of this period

Contemporary Nationalism in East Central Europe Paul Latawski, 2016-07-27 This book provides an introductory survey to contemporary nationalism in East Central Europe It examines the problem of nationalism

in the region in the wake of the collapse of communism and attempts to place recent events within a historical context The book contains selected essays devoted to specific countries as well as those covering nationalism on a regional basis A further reading list is included to encourage a deeper probing into the problem of nationalism in East Central Europe

War Aims in the Second World War Victor Rothwell, 2019-08-07 No detailed description available for War Aims in the Second World War

The Poverty of Communism Nicholas Eberstadt, Nick Eberstadt, 1988-01-01 One third of the world's population today lives under governments that consider themselves to be Marxist Leninist In many of these places severe poverty was endemic in the years before Communist authorities came to power Communist governments claim to have a special understanding into and effectiveness in dealing with problems of poverty Marxist Leninist rulers have been in power for nearly thirty years in Cuba nearly forty years in China and over sixty five years in the Soviet Union How do the poor fare in such places today Western intellectuals often assume there is an inevitable tradeoff between bread and freedom under communism What populations lose in the way of civil and political rights they gain in social guarantees that protect them against material hardship In The Poverty of Communism Nick Eberstadt challenges this assumption and shatters it He shows that Communist governments in a wide variety of settings have been no more successful in attending to the material needs of the most vulnerable segments of the populations they govern than non Communist governments against which they might most readily be compared Indeed measured by the health literacy and nutrition of their people Communist governments may today be less effective in dealing with poverty than are non Communist governments The Poverty of Communism is a pathbreaking investigation In a series of separate studies Eberstadt analyzes the performance of Communist governments in the Soviet Union Eastern Europe China and Cuba This is the first scholarly effort to assess the record of Communist governments with respect to poverty in a detailed and comprehensive fashion Well written carefully argued and reflecting a sweeping range of knowledge The Poverty of Communism will be of interest to specialists in the countries investigated as well as those concerned with comparative economic and political development Above all it gives testimony to the plight of voiceless populations about which all too little has been written from an objective standpoint

Myths and Legends of the Eastern Front Boris Sokolov, 2020-01-19 This English translation of the original Russian work is thought provoking challenging the official version of what happened during World War II Firetrench The memory of the Second World War on the Eastern Front still referred to in modern Russia as the Great Patriotic War is an essential element of Russian identity and history as alive today as it was in Stalin's time It is represented as a defining episode a positive historical myth that sustains the Russian national idea and unites the majority of Russian citizens As a result as Boris Sokolov shows in this powerful and thought provoking study the heroic and tragic side of the war is highlighted while the dark side the incompetent negligent and even criminal way the war was run is overlooked Although almost eighty years have passed since the defeat of Nazi Germany he demonstrates that many of the fabrications put forward during the war and immediately afterwards persist into

the present day In a sequence of incisive chapters he uncovers the truth about famous wartime episodes that have been consistently misrepresented His bold reinterpretation should go some way towards dispelling the enduring myths about the Great Patriotic War It is necessary reading for anyone who is keen to understand how it continues to be distorted in Russia today

Historical Dictionary of World War II Anne Sharp Wells, 2013-12-24 This dictionary covers the complex and costly conflict that began when Germany ruled by Adolf Hitler and the Nazi Party invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 9 May 1945 leaving much of the European continent in ruins and its population devastated The war against Germany Italy and the other European Axis members was fought primarily in Europe the Mediterranean the Middle East East and North Africa and the Atlantic Ocean The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain the United States and the Union of Soviet Socialist Republics The Historical Dictionary of World War II The War against Germany and Italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography The dictionary section has more than 300 cross referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations This book is an excellent access point for students researchers and anyone wanting to know more about World War II
