

2 Corinthians

Paul, an apostle of Christ Jesus by the will of God, and Timothy our brother,
to the church of God in Corinth, together
with the saints throughout Achaia:
Grace and peace to you from God our Father
and Jesus Christ.

Comfort

God and Father of our Lord
Jesus Christ, who is the Father
of compassion and the
Father of all mercies,
who is the Father of all
mercy.

understood us in part, you will come to under-
stand fully that you can boast of us just as we
will boast of you in the day of the Lord Jesus
Christ.
15 Because I was confident of this, I
to visit you first so that you
twice. 16 I planned to visit
Macedonia, and then
way to Jerusalem
it was

Second Corinthians

Anthony C. Thiselton

Second Corinthians:

Second Corinthians James M. Scott, 1998 The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Greek transliterated A separate section of notes at the close of each chapter provides additional textual and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes

Second Corinthians William R. Baker, 1999 The Second Letter to the Corinthians Mark A. Seifrid, 2014-11-09 The question that Paul set before the ancient church in Corinth Do you not recognize that Jesus Christ is in and among you 2 Cor 13:5 remains a critical question for the church today This commentary by Mark Seifrid seeks to hear Paul's message afresh and communicate it to our time Seifrid offers a unified reading of 2 Corinthians which has often been regarded as a composite of excerpts and fragments He argues that Paul's message is directed at the practical atheism of the Corinthian church the hidden heresy that assumes God's saving work in the world may be measured by outward standards of success and achievement Like all of the Pillar volumes Seifrid's commentary on 2 Corinthians offers careful grammatical analysis and exegesis with clear pastoral application

The Second Epistle to the Corinthians Murray J. Harris, 2005-01-01 The reputation of the NIGTC series is so outstanding that the appearance of each new volume is noteworthy This book on 2 Corinthians is no exception Master New Testament exegete Murray J. Harris has produced a superb commentary that analyzes the Greek text verse by verse against the backdrop of Paul's tumultuous relations with his converts at Corinth Believing that Scripture cannot be understood theologically unless it has first been understood grammatically Harris provides a careful thoroughgoing reading of the text of 2 Corinthians He gives special attention to matters of translation making regular references not only to the standard modern English translations but also to influential older versions such as The Twentieth Century New Testament and those by Weymouth Moffatt and Goodspeed His close attention to matters of textual criticism and grammar leads to discussions of the theology of 2 Corinthians that show the relevance of Paul's teaching to Christian living and church ministry Other notable features of the book include a comprehensive introduction in which all the relevant literary and historical issues are discussed an expanded paraphrase of the letter that conveniently shows Harris's decisions on exegetical issues and indicates the flow of Paul's argument a chronology of the relations of Paul Timothy and Titus with the Corinthian church and an excursus on Paul's affliction in Asia 1:8-11 and its influence on his outlook and theology

Second Corinthians William M. Ramsay, 2004-01-01 This accessible Bible study will help to explain some of the more challenging aspects of Second Corinthians especially by focusing on what is delightful and inspiring about the biblical book In Second Corinthians we find promises of a glorious life after death interesting and thought provoking figures of speech describing followers of Christ powerful stewardship messages an amazing example of humility and proper respect

and much more By the end of this study it will be easy to see why the folk at Corinth so loved and revered Paul that they collected this letter and others to save for future generations Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth IBS can be used in small groups in church school classes in large group presentations or in personal study

Second Corinthians David E. Garland, 1999 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text

Second Corinthians Jan Lambrecht, 2006 Regarded as the most personal of Paul's weighty and strong 10 letters the Second Letter to the Corinthians continues to contribute toward the building up of its readers The Second Letter to the Corinthians is an implicit yet undeniable plea that Paul addresses to the Christians of Corinth and is impressive above all for its exposition of the apostle's identity In this letter Paul more than once fiercely counters the attacks of his opponents He extensively describes both the quality and circumstances of his apostolic existence the sufferings he endures the opposition he encounters and his continual care for the Churches Second Corinthians is therefore highly significant theologically as well as autobiographically Not an easy letter to follow the emotional language used in 2 Corinthians the question of the integrity of 2 Corinthians as a letter and inadequate information about the concrete situation at Corinth and the identity of Paul's opponents make following the flow of Paul's argument difficult at times Yet 2 Corinthians is an especially important document because of Paul's ongoing reflection on his ministry It is both profound in its content and style for its original audience as well as for today's readers

Second Corinthians Larry Kreitzer, 1996-11-01 This Guide explores the controversial place that 2 Corinthians has within Pauline studies Special attention is given to the contribution that the epistle makes to our understanding of Paul's views on such matters as his apostolic ministry his interpretation of scripture and his ecclesiology A summary of scholarly debate about the placement of 2 Corinthians within the larger setting of the Pauline corpus is also provided

The Second Epistle to the Corinthians Paul Barnett, 1997-04-17 This excellent commentary on 2 Corinthians by Paul Barnett illumines the historical background of the church at Corinth and clarifies the meaning of Paul's passionate letter both for those first century Christians and for the church today Assuming the unity of the letter for which extensive argument is offered Barnett takes the view that Paul is in particular addressing the issue of triumphalism in Corinth This triumphalism is expressed by the newly arrived missionaries who portray Paul as inferior to themselves it is also endemic among the Corinthians According to Barnett the recurring theme of the letter is power in weakness based on the motif of the Resurrection of the Crucified which lies at the heart of the gospel of Christ Also fundamental to the letter is the theme of fulfillment of the promises of God by Christ and the Spirit under the New Covenant Written for scholars pastors and lay readers alike this new commentary on 2 Corinthians will be a lasting reference work for those interested in this important section of Scripture

Second Corinthians and Paul's Gospel of Human Mortality Richard

I. Deibert, 2017-01-30 How does Paul's bodily mortality both collapse his apostolic authority in Corinth and yet confirm his gospel Richard I Deibert explores the vital relationship between Paul's experience of death and his theology of death Back cover

The Structure of Second Corinthians Kei Hiramatsu, 2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul's discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter

First and Second Corinthians Maria Pascuzzi, 2005 Complete biblical texts with sound scholarly based commentary that is written at a pastoral level the Scripture translation is that of the New American Bible with Revised New Testament and Revised Psalms 1991 Provided by publisher

2 Corinthians MacArthur New Testament Commentary John MacArthur, 2003-11-01 Second Corinthians is the most personal of Paul's letters providing unique insight into his heart for God and his motivation in ministry With his credibility under attack Paul reluctantly defended himself for the sake of the gospel In doing so he offers a perspective that will encourage every believer especially when enduring the hardships of ministry Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical

Preaching Second Corinthians James W. Thompson, 2021-02-18 While the commentaries and articles on 2 Corinthians focus on the world behind the text giving attention to the identity of Paul's opposition and questions about the letter's composition few scholars have bridged the gap between the exegesis of 2 Corinthians and the sermon The issue of what constitutes legitimate ministry the focus of 2 Corinthians is a pressing issue today for churches as they face an identity crisis Paul confronts opponents who judge him by secular standards of ministry offering an alternative that is based on the cross Second Corinthians offers an insight into both the nature of pastoral ministry and the mission of the church This book draws parallels between Corinth and the contemporary situation of the church The exegetical insights demonstrate the primary focus of the passage as the basis for the preaching text This book demonstrates a full awareness of current scholarship on 2 Corinthians and offers hermeneutical and homiletical guidance for addressing these issues today

G. Barclay, 2021-04-13 This extract from the Eerdmans Commentary on the Bible provides Barclay's introduction to and concise commentary on Second Corinthians The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions *Exploring Second Corinthians* B. J. Oropeza, 2016-04-15 A multi faceted commentary that breathes fresh insight into Paul's letter In Second Corinthians Paul responds to reports of the Corinthian congregation questioning his competency as a divinely sent messenger Through apologetic demagoguery and the use of graphic imagery related to triumphal processions siege warfare and emissary travels and negotiation Paul defends his constancy persona and speaking abilities as he extends the offer of clemency and reconciliation to his auditors Oropeza combines rhetorical pictures rhetography with interpretative layers literary features intertextuality socio cultural ideological and sacred textures to arrive at the rhetorical impact of Paul's message for ancient Mediterranean discourse Features A visual sensory and imaginative interpretation of the scripture A comprehensive commentary An avant garde approach to biblical interpretation *2 Corinthians: The Christian Standard Commentary* David E. Garland, 2021-03-15 2 Corinthians is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book while paying special attention to balancing scholarship with practical application *2 Corinthians: A Short Exegetical and Pastoral Commentary* Anthony C. Thiselton, 2019-10-10 In this clear practical and relatively brief commentary Anthony Thiselton brings to bear his intimate knowledge of Paul's theology the ancient city of Corinth and Paul's epistles to the church of that city The commentary is not only critical and exegetical but also has a focus on practical and pastoral reflection Second Corinthians is Paul's most

passionate epistle It shows him to be a man of very deep feeling who sometimes has to be frank even blunt with those who seek to undermine his work In this commentary we see the inner turmoil of a devoted missionary pastor and apostle We also have the opportunity to explore how power can be expressed through weakness by pastors and all Christians who follow a Christ crucified and risen

The Fear of God in 2 Corinthians 7:1 Euichang Kim, 2019-02-21 Euichang Kim focuses upon the phrase the fear of God drawn from 2 Corinthians exhortation to reconcile with God As opposed to these words appearing from no particular source Kim points to the wider contexts of Old Testament passages quoted by Paul and demonstrates that God's eschatological promises in particular his coming judgment his promise to redeem his people and the prospect of a new covenant are intertwined with this motif of fear Beginning with an analysis of the meaning of fear in both the Old Testament and the New Kim proceeds to the context of fear within 2 Corinthians Scripture the writings of Second Temple Judaism and the very eschatology of Paul suggesting that it stems from an awareness of God's judgment to come and serves to motivate righteous behavior Kim finally argues that in the context of 2 Corinthians the fear of God functions as the proper response to God's saving acts in Christ and provides motivation for believers to pursue a holy life in anticipation of the eschatological judgment to come
