Life-study of Revelation Witness Lee,2023-09-27 The book of Revelation firstly reveals Christ 1 1 and secondly the testimony of Jesus 1 2 In other words this book is concerned with Christ and the church In Revelation Christ and the church are revealed in a unique and particular way Several aspects of Christ such as the vision of Him as the High Priest in the midst of the churches caring for them in love yet with a judging attitude 1 13 16 the vision of Him as the Lion Lamb in the midst of God s throne and of the four living creatures and in the midst of the 24 elders of the universe opening the seven seals of God s universal administration 5 1 6 1 and the vision of Him as Another Mighty Angel coming down from heaven to take possession of the earth 10 1 8 18 1 have never been unveiled as they are in the book of Revelation In this book the revelation of Christ is unique and ultimate In addition to this ultimate revelation of Christ the book of Revelation also unveils many unique aspects of the church as the testimony of Jesus The lampstands in chapter one the great multitude of the redeemed in chapter seven the bright woman with her man child in chapter 12 the harvest with its firstfruits in chapter 14 the overcomers on the sea of glass in chapter 15 the bride ready for marriage and the fighting army of Christ in chapter 19 and the New Jerusalem in chapters 21 and 22 are all the testimony of Jesus which is the Spirit the substance the disposition and the characteristic of the prophecy in this book 19 10 The central content of this book is an unveiling of God s economy concerning Christ and the church presenting the ultimate and consummate revelation of Christ with His full salvation and the church as His loving bride the New Jerusalem In this book we find the full and adequate conclusion not only to the writings of John and to the New Testament but also to the entire divine revelation **Tanganyika Territory Blue Book**

John's Use of the Old Testament in Revelation Gregory K. Beale,1999-06-01 This book explores the variety of ways

John contextually uses the Old Testament in the Apocalypse The introduction surveys and evaluates recent studies which have been divided over the issue of whether or not John uses the Old Testament with sensitivity to its original literary context Beale Fekkes and Bauckham argue in the affirmative while Ruiz and Moyise contend that this was not John s focus and see implications for reader response criticism The remainder of the book looks at various ways in which John uses the Old Testament and argues that there is a reciprocal interpretative relationship between the Old Testament and the Apocalypse Studies of special interest concern the bearing of the Old Testament on Revelation s eschatology on the issue of the millennium and on the thorny problem of the grammatical solecisms

Christ and Community Thomas Slater,1999-07-01 Slater presents a study of the three major christological images of Revelation and their meanings for the original audience Employing both historical criticism and elements of sociology of knowledge Christ and Community explores the social functions of one like a son of man the Lamb and the Divine Warrior identifying both similarities and dissimilarities The study argues on the one hand that the religious laxity found in Revelation 2 3 reflects attempts by some Christians to accommodate to provincial social pressures while on the other hand Revelation 4 19 reflect the low status of Christians in the cities of Asia Minor
