**The Second Epistle of Paul to the Corinthians** Colin G. Kruse, 1987 Kruse's work on 2 Corinthians is part of the Tyndale Bible Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means with a minimum of reliance on scholarly technicalities **The Second Epistle of Paul the Apostle to the Corinthians** Alfred Plummer, 1903 **The Second Epistle of Paul to the Corinthians** R. H. Strachan, 2008-07-01 Rarely if ever has a commentary of composite authorship like this one maintained such a uniformly high standard throughout Church Management The Second Epistle of Paul to the Corinthians Randolph Vincent Greenwood Tasker, 1983 In this lucid exposition of 2 Corinthians the letter which gives us the most personal portrait of the apostle Paul to be found anywhere Professor Tasker reveals his ability to combine scholarly treatment with simplicity of presentation Here the heart of the great Apostle is disclosed and the reader is made to see the relevance of the Apostle's instructions for the church in our time The arrangement of the material assists the reader in grasping the Epistle as a whole and the commentary on individual verses leads him into an intelligent understanding of the truth Paul sets forth Back cover St. Paul's second Epistle to the Corinthians, and the Galatians, explained, by G.B. G. B. (Gracilla Boddington), Gracilla Boddington, 1841 The Second Epistle to the Corinthians Paul Barnett, 1997-04-17 This statement reflects the underlying purpose of The New International Commentary on the New Testament Begun in the late 1940s by an international team of New Testament scholars the NICNT series has become recognized by pastors students and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition While based on a thorough study of the Greek text the commentary introductions and expositions contain a minimum of Greek references The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature More technical aspects such as grammatical textual and historical problems are dealt with in footnotes special notes and appendixes Under the general editorship of three outstanding New Testament scholars first Ned Stonehouse Westminster Theological Seminary Philadelphia then F F Bruce University of Manchester England and now Gordon D Fee Regent College Vancouver British Columbia the NICNT series has continued to develop over the years In order to keep the commentary new and conversant with contemporary scholarship the NICNT volumes have been and will be revised or replaced as necessary The newer NICNT volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text and they also exhibit concern for the theology and application of the text As the NICNT series is ever brought up to date it will continue to find ongoing usefulness as an established guide to the New Testament text *The Second Epistle of Paul the Apostle to the Corinthians and the Epistles to Timothy, Titus and Philemon* Jean Calvin, 1996 *The Second Epistle of Paul to the Corinthians. An Introd. and Commentary....* Randolph Vincent Greenwood Tasker, 1964 **The Second Epistle of Paul the Apostle to the CORINTHIANS** King James, Paul the Apostle, 2024-03-26 This keepsake hard cover edition of The

Second Epistle of Paul the Apostle to the CORINTHIANS was taken from the King James translation of the Bible The King James Translation is a masterwork of style and the most important book in the English language it has been the driving force in shaping the English speaking world for hundreds of years In Paul s second letter to the Corinthians he again refers to himself as an apostle of Christ Jesus by the will of God and reassures the people of Corinth that they will not have another painful visit but what he has to say is not to cause pain but to reassure them of the love he has for them Paul states the importance of forgiving others and God s new agreement that comes from the Spirit of the living God and the importance of being a person of Christ and giving generously to God s people He ends the letter recounting his experience of conversion

given by Professor Hering and embodying also the critical decisions reached in the body of the Commentary     The Second Epistle to the Corinthians with Notes, Map John James Lias, 1897     *The Second Epistle to the Corinthians* Murray J. Harris, 2005-01-01 The reputation of the NIGTC series is so outstanding that the appearance of each new volume is noteworthy This book on 2 Corinthians is no exception Master New Testament exegete Murray J Harris has produced a superb commentary that analyzes the Greek text verse by verse against the backdrop of Paul's tumultuous relations with his converts at Corinth Believing that Scripture cannot be understood theologically unless it has first been understood grammatically Harris provides a careful thoroughgoing reading of the text of 2 Corinthians He gives special attention to matters of translation making regular references not only to the standard modern English translations but also to influential older versions such as The Twentieth Century New Testament and those by Weymouth Moffatt and Goodspeed His close attention to matters of textual criticism and grammar leads to discussions of the theology of 2 Corinthians that show the relevance of Paul's teaching to Christian living and church ministry Other notable features of the book include a comprehensive introduction in which all the relevant literary and historical issues are discussed an expanded paraphrase of the letter that conveniently shows Harris's decisions on exegetical issues and indicates the flow of Paul's argument a chronology of the relations of Paul Timothy and Titus with the Corinthian church and an excursus on Paul's affliction in Asia 1811 and its influence on his outlook and theology     **The Second Epistle of Paul to the Corinthians** Charles Rosenbury Erdman, 1944
