Second Of Samuel:

First and Second Samuel Walter Brueggemann, 2012-09-03 With critical scholarship and theological sensitivity Walter Brueggemann traces the people of God through the books of Samuel as they shift from marginalized tribalism to oppressive monarchy He carefully opens the literature of the books sketching a narrative filled with historical realism but also bursting with an awareness that more than human action is being presented **First and Second Samuel** David C. Hester, 2005-06-01 Originally published Louisville Ky Geneva Press 2000 *Second Book of Samuel*, 1919 **First and Second Samuel** Eugene H. Peterson, 1999-09-01 The power of story as God's word to the community of faith is never more clear than in the books of Samuel Emotion drama complexity of character and mystery fill the pages of these two biblical books Eugene Peterson's commentary emphasizes the resonance and interplay between these stories of kings and prophets and the social and cultural issues that concern us today Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups **First and Second Samuel** Feidhlimidh Magennis, 2012 Comprehensive and understandable the New Collegeville Bible Commentary series brings the timeless messages and relevance of the Old Testament to today's readers With recent scholarship this series provides vital background and addresses important questions such as authorship and cultural context The New Collegeville Bible Commentary books use the New American Bible translation and will appeal to preachers teachers Bible study groups and all readers of the Bible First and Second Samuel tell the story of the beginnings of monarchy in ancient Israel These two powerful narratives present many great figures of biblical history Samuel Saul and David and explore the complex interaction of historical developments and human fidelity under God In the books of Samuel characters interact to influence and persuade to express motivation and desire and to shape the reader's understanding of the issues that faced the Israelites as they responded to God's invitation to covenant Through the medium of story the reader shares in the perennial struggle to discover in the midst of personal and political conflict God's ways for humanity All the Books of the Bible M. E. Rosson, 2016-11-03 The Book of Second Samuel is one of the most tragic books in the Old Testament King David's actions are shown both good and bad with all the consequences that come from transitioning from hero on the run to the King who must now rule his nation and how it impacted his life his family and the Nation of Israel Commentary along with sermon ideas are given for each and every chapter in the hopes that Second Samuel will come alive in a way that it never was before **The Second Book of Samuel** William Garden Blaikie, 1898 **The Second Book of Samuel** W.G. Blaikie, 2020-08-02 Reproduction of the original The Second Book of Samuel by W.G. Blaikie The Historical Books of the Bible: SECOND SAMUEL Jeanne Gossett Halsey, 2019-07-08 David was a humble man whom God raised to greatness but what mattered more to him than the world's renown was God's opinion of him He was not perfect but he loved and trusted

Miglio,Caryn A. Reeder,Joshua T. Walton,Kenneth C. Way,2020-10-02 John H Walton is a significant voice in Old Testament studies who has influenced many scholars in this field as well as others This volume is an acknowledgment from his students of Walton s role as a teacher scholar and mentor Each essay is offered by scholars and former students working in a range of fields from Old and New Testament studies to archaeology and theology They are offered as a testimony and tribute to Walton s prolific career
