with the intangible issues in the reader's life. This includes faith, sanctification, repentance, and the importance of total surrender to God. The Holy Spirit is explained in detail with an emphasis on His purpose for you. Section four covers some of the symbolism in the Bible and tries to help the reader see things from the cultural view of Jesus' time. The desire is to help the reader understand how symbolism points to salvation and the importance of events symbolically. Section five covers almost all the parables of Jesus found in the Gospels. The parables are grouped into broad categories including The Kingdom of God, Service and Obedience, Prayer, Humility, God's Love, Jesus' Return, and God's Values. The parables are explained in detail using the cultural setting of Jesus' time. Section six is a brief overview of biblical history and Israel's history. The next section begins with a discussion about the rapture at Christ's second coming. The various points of view are discussed. Then the anti-Christ and False Prophet are explained. Revelation is covered extensively but not by analyzing the symbolism. The first article is "Don't fear the book of Revelation" followed by "Revelation: The real Message." These articles explain the purpose and message for Revelation and try to remove the fear factor that most people feel. The final section is designed to challenge your thinking and bring you closer to God.
