Trading Places

Tony A. Walker, 2021-09-27 Trading Places is written to inspire and encourage those who have always wanted to be active in the stock market but did not have an effective plan to do so Trading Places provides an avenue through which the beginner and the experienced trader can grasp a clear concept of how to trade in the financial markets and win The system offered in this book has been time tested and proven effective through the biggest recession since the Great Depression of 1929 Now that the US markets are in correction from the longest bull market in US history it is a perfect time for everyone that wants to enter into this market and capitalize off the phenomenal returns being offered to buckle down and learn this system Follow

along as I take you step by step through a system that teaches you How to locate momentum stocks that are moving at a rate of 100% APR How to take advantage of technical analysis to forecast price activity How to recognize market cycles through inner market analysis How to utilize basic technical indicators and much much more Trading Places is an excellent introductory guide to the financial markets and has proven to be an effective aide for financial wealth building groups and investment clubs all across America Trading Places is written to enable individuals who would otherwise be excluded from participating in the financial markets due to a lack of understanding With this system no one has to be left out Even the over one million incarcerated people in the United States and their families can use this system to learn to trade and invest in the financial markets I have taught this system to thousands of people over the last fifteen years including inmates and their spouses and it has proven to have life changing effects on those individuals who put this plan into action This system can be applied in any market condition up down or sideways Therefore there is never a time when this continuous source of wealth building has to cease Trading Places is a springboard into a life of financial freedom a must read for the novice as well as the experienced trader
